Justice Toronto **Northrop Frye on Canada** Northrop Frye,2003-01-01 Brings together all of the writings of Northrop Frye both published and unpublished on the subject of Canadian literature and culture from his early book reviews of the 1930s and 1940s through his cultural commentaries of the 60s 70s and 80s **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide The Bush Garden Northrop Frye,2017-08-26 Originally published in 1971 The Bush Garden features Northrop Frye s timeless essays on Canadian literature and painting and an introduction by bestselling author Lisa Moore In this cogent collection of essays written between 1943 and 1969 formidable literary critic and theorist Northrop Frye explores the Canadian imagination through the lens of the country s artistic output prose poetry and paintings Frye offers insightful commentary on the works that shaped a Canadian sensibility and includes a comprehensive survey of the landscape of Canadian poetry throughout the 1950s including astute criticism of the work of E J Pratt Robert Service Irving Layton and many others Written with clarity and precision The Bush Garden is a significant cache of literary criticism that traces a pivotal moment in the country s cultural history and the evolution of Frye s thinking at various stages of his career These essays are evidence of Frye s brilliance and cemented his reputation as Canada s and the world s foremost literary critic *Aestheticism and the Canadian Modernists* Brian Trehearne,1989-09-01 Trehearne observes that in most cases the Aesthetic influence was sustained through the entire career of the poets whose work he examines Although later affected by the Modernists their works continued to be shaped and distinguished by an early Aesthetic training In the case of A J M Smith for example his initial thematic and stylistic Aestheticism affects his mature critical pronouncements John Glassco who was influenced by the Aesthetic and Modernist ideas throughout his career created a unique form of Aesthetic modern poetry Trehearne s new readings of major and minor Canadian poets make Aestheticism and the Canadian Modernists a central text in the assessment of Canadian literary history from a contemporary point of view *Multispecies Storytelling in Intermedial Practices* Ida Bencke,Jørgen Bruhn,2022-03-08 Multispecies Storytelling in Intermedial Practices is a speculative endeavor asking how we may represent relay and read worlds differently by seeing other species as protagonists in their own rights What other stories are to be invented and told from within those many tongued chatters of multispecies collectives Could such stories teach us how to become human otherwise Often the human is defined as the sole creature who holds language and consequently is capable of articulating representing and reflecting upon the world And yet the world is made and remade by ongoing and many tongued conversations between various organisms reverberating with sound movement gestures hormones and electrical signals Everywhere life is making itself known heard and understood in a wide variety of media and modalities Some of these

registers are available to our human senses while some are not Facing a not so distant future catastrophe which in many ways and for many of us is already here it is becoming painstakingly clear that our imaginaries are in dire need of corrections and replacements How do we cultivate and share other kinds of stories and visions of the world that may hold promises of modest yet radical hope If we keep reproducing the same kind of languages the same kinds of scientific gatekeeping the same kinds of stories about our place in nature we remain numb in the face of collapse Multispecies Storytelling in Intermedial Practices offers steps toward a self critical multispecies philosophy which interrogates and qualifies the broad and seemingly neutral concept of humanity utilized in and around conversations grounded within Western science and academia Artists activists writers and scientists give a myriad of different interpretations of how to tell our worlds using different media and possibly gives hints as to how to change it too

Public Poetics Bart Vautour, Erin Wunker, Travis V. Mason, Christl Verduyn, 2015-06-18 Public Poetics is a collection of essays and poems that address some of the most pressing issues of the discipline in the twenty first century The collection brings together fifteen original essays addressing public poetry and poetics from the situated space of Canada while simultaneously troubling the notion of the nation as a stable term It asks hard questions about who and what count as publics in Canada Critical essays stand alongside poetry as visual and editorial reminders of the cross pollination required in thinking through both poetry and poetics Public Poetics is divided into three thematic sections The first contains essays surveying poetics in the present moment through the lens of the public private divide systematic racism in Canada the counterpublic feminist poetics and Canadian innovations on postmodern poetics The second section contains author specific studies of public poets The final section contains essays that use innovative renderings of poetics as a means of articulating alternative communities and practices Each section is paired with a collection of original poetry by ten contemporary Canadian poets This collection attends to the changing landscape of critical discourse around poetry and poetics in Canada and will be of use to teachers and students of poetry and poetics

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is

no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

CanLit Across Media Jason Camlot, Katherine McLeod, 2019-12-12 The materials we turn to for the construction of our literary pasts the texts performances and discussions selected for storage and cataloguing in archives shape what we know and teach about literature today The ways in which archival materials have been structured into forms of preservation in turn impact their transference and transformation into new forms of presentation and representation Exploring the production of culture through and outside of the archives that preserve and produce CanLit as an entity CanLit Across Media asserts that CanLit arises from acts of archival critical and creative analysis Each chapter investigates challenges and provokes this premise by examining methods of unarchiving Canadian and Indigenous literary texts and events from the 1950s to the present Engaging with a remediated archive or unarchiving allows the authors and editors to uncover how the materials that document past acts of literary production are transformed into new forms and experiences in the present The chapters consider literature and literary events that occurred before live audiences or were

Canadian Literature in English W. J. Keith, 2006 When Canadian Literature in English was first published by Longman in 1985 it was described in the Modern Language Review as a standard reference work on the subject and the best critical account of its subject that we possess so far The book was released in London and New York as such things were done at the time but never distributed particularly well in Canada where it faded rapidly from view W J Keith writing in the Preface to the Revised Edition admits his first inclination was to embark on a total rewrite of the Longman edition On further consideration however Keith came to realize that the 1985 publication was completed at the close of a major phase in the Canadian literary tradition and that the remarkable flowering that began to manifest itself in

the middle of the twentieth century had run its course by the beginning of the new millennium That being the case Keith would argue that a number of writers who had already achieved considerable stature further developed their reputations in the period 1985 2005 but only a few extended them Keith is also quick to admit that he has chosen to ignore utterly the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde bpnichol Anne Carson at the other in favour of those authors whose style lends itself to the simple pleasure of reading and to that end he dedicates his history to all those including the general reading public whose endangered status is much lamented in the Polemical Conclusion who recognize and celebrate the dance of words *The Routledge Companion to Ecopoetics* Julia Fiedorczuk, Mary Newell, Bernard Quetchenbach, Orchid Tierney, 2023-09-29 The Routledge Companion to Ecopoetics offers comprehensive coverage of the vital and growing movement of ecopoetics This volume begins with a general introduction to the field followed by six sections Perspectives broad overviews engaging fields such as biosemiosis kinship praxis and philosophical approaches Experiments formal innovations developed by poets in response to planetary crises Earth and Water explorations of poetic entanglement with planetary chemical and biological systems Waste Toxicity Precarity poetics addressing the effects of pollution and climate change Environmental Justice and Activism examinations of poetry as an engine of political and cultural change Region and Place an international array of traditional and contemporary geographically focused responses to ecosystems and environmental conditions and Subjectivities Affects Sexualities investigations of gender ethnicity and race as they intersect with ecological concerns Each section includes an overview and summary addressing the specific essays in the section These previously unpublished essays represent a wide variety of nationalities backgrounds perspectives and critical approaches exploring the interdisciplinary field of ecopoetics Contributions from leading scholars working across the globe make The Routledge Companion to Ecopoetics a landmark textbook and reference for a variety of researchers and students
