Dreamland Dale Brown, 2003 **Dale Brown's Dreamland** Dale Brown, 2002 *Dreamland Collection # 1* Dale Brown, 2014-08-12 *Dreamland Collection 1* has descriptive copy which is not yet available from the Publisher *Dale Brown's Dreamland: Revolution* Dale Brown, Jim DeFelice, 2009-10-06 In a volatile world America's worst nightmares can become real anywhere anytime and with no warning But there is one potent defense a top secret military facility in the Nevada desert where the high tech future of warfare is being conceived and constructed Masters of astonishing military technology that enables them to deploy almost instantaneously to any part of the Earth the Dreamland team must now stop a dangerous revolution in the making in Eastern Europe where a mysterious group of insurgents has blown up an essential pipeline thereby disrupting Europe's gas supply With NATO and the EU paralyzed by the crisis it falls to Dreamland's best and brightest to keep the world from the brink of another Cold War But the secret hand of an old enemy is pulling the strings from the shadows hoping to reap the rewards of chaos And the devastating results could erupt with intense white hot fury

Whiplash Dale Brown, Jim DeFelice, 2009-10-13 A high tech covert strike force takes aim at a nuclear armed extremist in the New York Times bestselling co author's military techno thriller The world is watching as the U S and Iran agree to lay down their swords But one man hiding in Africa holds the power to obliterate the peace Shrouded by the bloody madness of tribal warfare Iranian functionary turned fanatic Bani Aberhadji has created a vast network dedicated to unleashing a nuclear nightmare Only by chance are American agents now learning of its existence and it may already be too late The covert strike force Whiplash is armed and ready to spring into action Born from the ashes of Dreamland it possesses the most cutting edge military technology on Earth But Aberhadji's web of death is wide and well concealed and the doomsday clock is ticking

Plan of Attack Dale Brown, 2009-03-17 The destruction of a Russian air base by robotic U S warplanes has reawakened the bear and America must pay a terrible price In retaliation Russia's leader launches the most devastating military sneak attack since Pearl Harbor decimating America's strategic air forces Now an embattled U S president must choose between two horrific scenarios a cease fire on the enemy's terms or respond with every weapon in the nation's arsenal possibly triggering global thermonuclear war Disgraced and demoted to a desk job aerial warfare expert Brigadier General Patrick McLanahan saw the nightmare coming and only he can stop the relentless Russian war machine But the fight for the future must take place in the blazing skies a battlefield off limits to the discredited former commander of Air Battle Force unless McLanahan takes matters into his own hands

An Interlude In Dreamland Alan Robbins, 2005-09 Her name is Mama Nostromento and someone close to her has been murdered She may be the only one who knows why But the truth is locked inside her mind lost in a tangle of thoughts as a neurovirus ravages her memory Enterman expert in intuition and reluctant investigator of strange events is called in to find the answer and Rita St John a beautiful and very uncommon bodyguard is there to protect him It is 2050 and the worldwide communications net known as the Glob ties everyone together

But can all the technology of the near future instant information at the merest whisper help them to solve this mystery before time runs out The answer lies in a secret world hidden from outsiders under the ruins of old Coney Island It is a world of mythic forces and dark rituals that threatens to overpower even the latest high tech wizardry Because Mama Nostromento is no ordinary witness she is a banshee gatekeeper for the dead **The Devil's Fortress** Dale Brown,2024-05-28 After saving the US from a Russian nuclear attack in the bestselling Weapons of Opportunity Nick Flynn returns in what could be his most dangerous mission yet Former US Air Force officer Nick Flynn joined the clandestine Quartet Directorate to continue its long standing mission to act decisively against serious threats to the free world And with the backing of Russia s authoritarian president no threat is more deadly than that of Pavel Voronin and his mercenary Raven Syndicate Twice they have almost succeeded in bringing the United States to its knees only to be stopped at the last moment by Flynn and his team of highly trained operatives But Flynn knows it s only a matter of time before one of Voronin s plans to cripple the US bears lethal fruit And so taking the Russian oligarch permanently off the board is now his number one priority Operating undetected deep in hostile territory and fighting their way through Voronin s extraordinarily tough defenses will require every ounce of skill dedication and daring that Flynn and his small force can muster The slightest error could be fatal for all of them and ultimately for millions of Americans With the clock ticking and dangers mounting on all sides it s up to Flynn and the others to finish Voronin before it s too late In this all or nothing battle victory is the only acceptable outcome no matter how high the cost Black Wolf Dale Brown,Jim DeFelice,2010-11-30 When Russia unleashes an army of genetically enhanced assassins the Dreamland team reunites to fight back in this military techno thriller The warriors of Dreamland have moved on Some like Breanna and Zen Stockard to positions of power and influence others like Danny Freah and Nuri Lupo into Whiplash a cutting edge combination of brain and brawn Tasked by the President to handle the country s most deadly and sensitive jobs the elite SpecWarfare unit marries muscle to technological prowess But can even Whiplash stand up to a covert Russian army of genetically enhanced assassins known only as the Wolves They re said to be nearly invisible and virtually unstoppable endowed with super human strength and endurance But when Danny Freah and company are about to stumble on an even darker and deadlier secret the most ferocious Wolf of them all comes from the heart of Dreamland itself and Danny saw him die more than a decade before **Sky Hunters: X-Battalion** Jack Shane,2024-04-16 Bobby Autry is one of the best in the world at what he does An elite combat chopper pilot Autry has been tested under fire and always come out on top But his new assignment might change all that He s been tasked to lead a new unit of the elite Night Stalkers a unit that can outfly the rest of the pilots in SOAR Special Operations Air Regiment outshoot the best gunners in the SEALs or Deltas and operate as independently as the most lawless gurreillas The results an experimental unit expected to fail the X Battalion It won t be easy The pilots he has at his command are the craziest most dangerous most unpredictable men in the military men capable of thinking beyond rules and regulations but men equally capable of breaking them Autry will need every one of them if they

are to survive their first mission North Korean dictator Kim Il Sung had procured a weapon of apocalyptic destruction and all intelligence points to his willingness to use it within the next 48 hours If he deploys the weapon he will poison the entire planet with radioactive fallout The only way to stop him is with a group that can move silently strike powerfully and not worry about breaking a few rules along the way The only way to stop him X Battalion **Air Battle Force** Dale Brown,2009-03-17 In military circles it s known as Air Battle Force an air combat unit of the future under the command of aerialwarfare expert Major General Patrick McLanahan capable of launching stealthy precision guidedfirepower to anywhere on the globe within hours And now McLanahan and his warriors have their first target Driven from Afghanistan the parasitic forces of the deposed Taliban regime have decided to feed on a new host an isolated oil rich Central Asian neighbor that s ripe for the conquering The battle for control of the world s largest oil deposits has begun with unsteady alliances forming and opposing forces set to collide And now a handful of American commandos half a world away aided by McLanahan s unproven robotic warplanes will have to triumph against overwhelming numbers in a war that nobody including friendly forces at home wants them to win *Razor's Edge: A Dreamland Thriller* Dale Brown,Jim DeFelice,2012-01-31 When America is in peril America s top guns must answer the call In the Nevada desert the high tech tools of tomorrow s wars are being conceived and tested at a top secret military facility called Dreamland where the impossible becomes reality The weapon is codenamed Razor the brainchild of the brilliant minds at Dreamland a mobile chemical laser system with a range of 600 kilometers capable of downing anything that flies The destruction of an American aircraft over Northern Iraq suggests the inexplicable and unthinkable a vengeful foe now possesses the lethal technology It is a fear that draws an old warrior out of retirement and sends Dreamland s best pilots to the skies to determine what the enemy has and to help take it away from him But politics threatens to crush a covert engagement that must be won in the air and on the ground unleashing a devastating rain of friendly fire that could ultimately annihilate a nation s champions and perhaps Dreamland itself **Waking in Dreamland** Jody Lynn Nye,1998-02-01 In a strange realm Roan was the strangest of all because he always looked the same normal Dreamland was the place where sleepers in the real world went when they dreamed and the permanent residents might change their form without warning In dreams there s nothing unusual about talking to a giant rabbit who suddenly turns into a living fire hydrant without missing a beat in the conversation But Roan was always Roan And that was very bizarre But something sinister is going on in Dreamland Their constantly changing world is created by the Seven Sleepers and will continue to exist so long as at least one of the Sleepers is asleep and dreaming Now someone is out to destroy Dreamland by eliminating them And unless the nightmare plot is foiled Dreamland and its inhabitants will vanish like a blown out candle flame bringing an end to all dreams At the publisher s request this title is sold without DRM Digital Rights Management *Imagining Iraq* Suman Gupta,2011-01-19 In the run up to during and after the invasion of Iraq a large number of literary texts addressing that context were produced circulated and viewed as taking a position for or against the invasion or
