publisher for your work Written by two multi award winning authors this is a comprehensive manual for established and aspiring novelists alike **Circus of Dreams** John Walsh,2022-04-07 Something extraordinary happened to the UK literary scene in the 1980s In the space of eight years a generation of young British writers took the literary novel into new realms of setting subject matter and style challenging and almost eclipsing the Establishment writers of the 1950s It began with two names Martin Amis and Ian McEwan and became a flood Julian Barnes William Boyd Graham Swift Salman Rushdie Jeanette Winterson and Pat Barker among them The rise of the newcomers coincided with astonishing changes in the way books were published and the ways in which readers bought them and interacted with their authors Suddenly authors of serious fiction were like rock stars fashionable sexy creatures shrewdly marketed and feted in public The yearly bunfight of the Booker Prize became a matter of keen public interest Tim Waterstone established the first of a chain of revolutionary bookshops London publishing houses became the playground of exciting visionary entrepreneurs who introduced new forms of fiction magical realist feminist post colonial gay to modern readers Independent houses began to spend ostentatious sums on author advances and glamorous book launches It was nothing short of a watershed in literary culture And its climax was the issuing of a death sentence by a fundamentalist leader whose hostility to Western ideas of free speech made him literally the world's most lethal critic Through this exciting hectic period the journalist and author John Walsh played many parts literary editor reviewer interviewer prize judge and TV pundit He met and interviewed numerous literary stars attended the best launch parties and digested all the gossip and scandal of the time In *Circus of Dreams* he reports on what he found first with wide eyed delight and then with a keen eye on what drove this glorious era The result is a unique hybrid of personal memoir oral history literary investigation and elegy for a golden age **Novel Style** Ben Masters,2017-12-15 We live in a time of linguistic plainness This is the age of the tweet and the internet meme the soundbite the status the slogan Everything reduced to its most basic components Stripped back Pared down Even in the world of literature where we might hope to find some linguistic luxury we are flirting with a recessionary mood Big books abound but rhetorical largesse at the level of the sentence is a shrinking economy There is a prevailing minimalist sensibility in the twenty first century Novel Style is driven by the conviction that elaborate writing opens up unique ways of thinking that are endangered when expression is reduced to its leanest possible forms By re examining the works of essential English stylists of the late twentieth century Anthony Burgess Angela Carter Martin Amis as well as a newer generation of twenty first century stylists Zadie Smith Nicola Barker David Mitchell Ben Masters argues for the ethical power of stylistic flamboyance in fiction and demonstrates how being a stylist and an ethicist are one and the same thing A passionate championing of elaborate writing and close reading Novel Style illuminates what it means to have style and how style can change us *A Lady of Good Family* Jeanne Mackin,2015-06-02 From the author of *The Beautiful American* comes a richly imagined beautifully written novel about historical figure Beatrix Farrand one of the first female landscape architects Raised among wealth and privilege during

America's fabled Gilded Age a niece of famous novelist Edith Wharton and a friend to literary great Henry James Beatrix Farrand is expected to marry and marry well But as a young woman traveling through Europe with her mother and aunt she already knows that gardens are her true passion How this highborn woman with unconventional views escapes the dictates of society to become the most celebrated female landscape designer in the country is the story of her unique determination to create beauty and serenity while remaining true to herself Beatrix's journey begins at the age of twenty three in the Borghese Gardens of Rome where she meets beguiling Amerigo Massimo an Italian gentleman of sensitivity and charm a man unlike any she has known before
