Reaching For The Invisible God:

Reaching for the Invisible God Philip Yancey, 2009-05-18 Why does God feel so distant so often and how do I bridge the gap Does your hunger for God often seem more frustrating than satisfying Have you sensed a disturbing disparity between God's promises and life's realities Have you seen God's promises work but you've stumbled and want to believe again Award winning author Philip Yancey articulates the fundamental questions that confront us all How do I relate to a God who is invisible when I'm never quite sure he's there Reaching for the Invisible God offers deep satisfying insights to the questions you're sometimes afraid to ask Honest and deeply personal here is straight talk on Christian living for the reader who wants more than pat answers to life's imponderables Ultimately Yancey shifts the focus from your questions to the One who offers himself in answer A brilliant book It is both profound and simple the best blend in my view Simple is neither shallow nor simplistic The sections on doubt and God's absence are classics Rick Warren pastor and author The Purpose Driven Life

Reaching for the Invisible God Study Guide Philip Yancey, Brenda Quinn, 2001-11 With this study guide individuals and groups can now join author Philip Yancey in encountering and establishing a relationship with the invisible God The guide helps readers step beyond traditional questions and follow Yancey on a spiritual journey that reconciles faith with honesty and finds its way through not around the tough questions to a deeper relationship with God **Reaching for the Invisible God Study Guide** Philip Yancey, 2009-12-15 How do I relate to a God who is invisible when I'm never quite sure he's there Philip Yancey Life with God doesn't always work like we thought High expectations slam against the reality of personal weaknesses and unwelcome surprises And the God who we've been told longs for our company may seem remote emotionally unavailable Is God playing games What can we count on him for This relationship with a God we can't see hear or touch how does it really work The Reaching for the Invisible God Study Guide gives you a path in your personal quest for answers Dovetailing with Philip Yancey's book Reaching for the Invisible God the twelve sessions are your opportunity to journey toward insights that affirm and dignify your most pressing questions even the ones you may have found it hard to ask Get ready to experience the challenges and rewards of relating to God as he is not as you've thought he is Yancey shifts your focus from questions to the One who offers himself in answer the God who invites you to reach for him and find Includes Bible readings Discussion questions Personal reflections and applications Tips for group leaders Summary excerpts from Reaching for the Invisible God *We in the Shadow* Michael D. Riley, 2023-04-04 For centuries the belief that God was directly engaged in our individual lives has comforted untold numbers of people but today that belief is being challenged by many within the community of faith The randomness of violence innocent suffering and inexplicable evil has pushed believers to question whether God is personal in any meaningful way How can we believe that God is involved in our daily lives when so often God appears deaf to our prayers and indifferent to our broken world We in the Shadow explores how or in what way God may be personal Unless this question can somehow be thoughtfully and practically answered faith will be viewed as an

option only for those who skim over the incomprehensibly cruel surfaces of life with eyes closed and fingers stuck firmly in their ears

Church: Why Bother? Philip Yancey, 2010-08-03 Insights from Philip Yancey's personal pilgrimage away from and back to the church what made him walk away and what drew him back Why are there so many more professing Christians than churchgoing Christians Is it because something is wrong with the church In his candid thought provoking manner award winning author Philip Yancey reveals the reasons behind his own journey back from skepticism to wholehearted participation in the church This book Weighs the church's human failings against its compelling worth as the body of Christ Looks into what God may have in mind for His church Discusses how the church can reach beyond its walls and into the communities and lives around it to be more than just Sunday worship Yancey does not whitewash the church's faults He sets them against the overwhelming balance of its strengths its heart for God its care for the hurting its outreach to the lost and its value as family and community This book is for anyone who's ever wondered Why bother with church

Meet the Bible Philip Yancey, Brenda Quinn, 2010-05-11 The story of the Bible starts with the simple statement In the beginning God created From that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you're not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day's reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible's many narratives the high points and the low points the good characters and the bad as well

as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings

Sermons and Discourses, 1885 **Endangered Nature** Dr. Pawan Kumar, 2015-08-24 The book *Endangered Nature* Tales in Indian Context authored by Dr Pawan Kumar are some untold stories on the nature These stories have their characters from villages of India depicts the suffering of animals birds trees and environment Dr Pawan Kumar is a young emerging writer of India who has published many stories and essays in renowned magazines of India and abroad He has given multiple talks and conducted many radio programs on his work He already has published four books about his stories essays and novels Mankind has made irreversible dents on Mother Nature and has gone astray in fulfilling obligations and responsibilities toward her The trees are being cut down natural water reservoirs are being destroyed and environment has become polluted bringing the global warming at its climax Many species are endangered now Elephant tusks animal skins

their skeletons and teeth are being smuggled through human network across the globe Killings of animals are on the rise These innocent animals who are voiceless suffer immensely by these inhumane and barbarian acts to fulfill mankind's food or monetary gains These animals have the same emotions feelings and sentiments as human beings have They love their family and they mourn in their loss of their near or dear ones as we do The irony is these animals can't go to the courts to seek justice These stories remind us that we can't escape from our wrong doings toward Mother Nature as we can't escape from the court of the Almighty

CHANGE MY HEART O LORD DR. JENNY P DEVA MD, 2014-12-17 Changing our hearts through prayer changes things and truly moves the hand of God We often hear other believers sharing about this God's timing is not ours to command If we do not start the fire with the first strike of our match we must try again God does hear our prayer but He may not answer it at the precise time we have appointed in our minds He will reveal Himself to our seeking hearts though not necessarily when and where we may expect The offence causing me to turn away may be spiritual I had imagined that once within His fold I would never again suffer from the stinging winds of temptation Yet it is best for me the way it is for when I endure temptation His grace is magnified my own character matures and heaven seems sweeter at the end of the day There is one thing you can do that can accelerate your spiritual growth more than almost any other thing Learn to take correction from the Spirit of God and from His people Remember that next time someone corrects you Love that person and thank him or her for being concerned for you and helping to speed up your spiritual progress If you'll do that you'll come out ahead every time

The Bible Jesus Read Philip Yancey, 2010-05-18 Take a pilgrimage through some of the most challenging and rewarding parts of the Old Testament with bestselling author Philip Yancey Because it is often daunting many Christians approach Old Testament carefully Or avoid it altogether But each of the books of the Old Testament the Bible Jesus read contains an essential part of the story of grace The more we comprehend the Old Testament Yancey writes the more we comprehend Jesus In *The Bible Jesus Read* Yancey challenges the perception that the New Testament is more important than the Old Writing with keen insight into the human condition and God's provision for it he sets off on a personal journey through the parts we most like to keep at arm's length Job Deuteronomy Psalms Ecclesiastes and the Prophets and he asks us to bring our own questions concerns and our openness to the wonders of God We may discover that this set of writings that comprise the Old Testament is at once as mystifying and strangely satisfying as life itself that it's worth the effort it takes to read and wrestle with Because reading the Scriptures that Jesus so revered gives us a profound new understanding of Christ the Cornerstone of the new covenant

Luther's Theology of the Cross Dennis Ngien, 2018-06-11 Luther was fundamentally a preacher pastor a care taker of souls whose ingenuity lies in his usage of the biblical message as a source of pastoral encouragement This book seeks to capture the often overlooked pastoral side of the Reformer through an examination of his sermons on John's gospel The sermons on John show the intrinsic close and causal link between doctrine and consolation They are an exercise of his vocation as a pastor or more precisely as a theologian of the cross who seeks to inculcate the

good news of justification by faith in his people leading them to experience it within the dialectic of law and gospel St John said Luther is the master in the article of justification Luther s theological method namely his theology of the cross permeates and governs the exposition of the text and all major themes of his theology Christology Trinity and soteriology appear in his exegesis of John **Metropolitan Pulpit and Homiletic Monthly** ,1922 *Preacher and Homiletic Monthly* ,1922 **The Homiletic Review** ,1922
