Reaching Generation Next Effective Evangelism In Today's Culture:

Reaching Generation Next Lewis A. Drummond, 2002-10-01 Evangelism is at the core of Christianity. It is a life and death matter both for the salvation of individuals and for the continuing growth of the church. Although the message of the gospel never changes, its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture. *Reaching Generation Next* is the perfect guide on how to effectively proclaim the gospel in today's postmodern culture. Both theological and practical, it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize. Veteran evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith. While providing a basic theology of evangelism and stressing the important role of leadership, the book's primary theme is that every believer must become an evangelist. *Reaching Generation Next* is a great resource for evangelism training classes. Each chapter concludes with discussion questions. Also included are sections on spiritual awakening movements, evangelizing the disabled, and surveys for churches and individuals.

Evangelism Today Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes, our methods for communicating it need to adjust to an ever-changing audience. *Evangelism Today* helps believers, whether individually or in groups, share their faith in a culturally relevant way. This book draws on insights from dozens of evangelists, church leaders, and educators to reveal present and future trends of evangelism in America. It explores whether evangelism is still needed and in what form, what the local church's role should be, and where the biggest evangelistic opportunities are emerging. Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book.

Discipling The Next Generation Dr. David "Dell" Castro, 2021-05-08 The challenge that Victory Outreach International (VOI) is facing at this present time is the transitioning of new leadership. VOI started in the turmoil of the sixties when young people of the United States were confused and searching for identity and purpose in life. They were protesting and demonstrating their ideologies on campuses and in communities throughout the nation. In 1967, in the black ghettos of the country, came the greatest urban riots of American history.

Scholarship on Fire Beau K. Brewer, 2021-11-12 *Scholarship on Fire: A History of the Chair of Fire and Southern Baptist Evangelism in Theological Education* takes a step back into early twentieth-century Texas Baptist history and observes the unveiling of the crown jewel of the Southern Baptist Convention: the Southwestern Baptist Theological Seminary and the events that led the forward-thinking architect of theological education, Benajah Harvey B. H. Carroll, to the creation of the world's first endowed chair of evangelism and professorship of evangelism at his newly formed Texas seminary. This book carries the reader through a 112-year history of an academic chair and professorship that both educated men and women in the art of personal and mass evangelism and provided the necessary evangelistic spirit to forge the fervent pioneering soul-winning denominational spirit that has thrust

Southern Baptists to the forefront of evangelistic advancement since their inception in 1845 Studying the auspicious beginnings of evangelism taught in theological education will delve into the lives of the men who have taught Christians to reach their neighbors for Christ Jesus The Chair of Fire has impacted all seminaries and Christian schools around the world because of the inclusion of evangelism in theological education **Invitation to Evangelism** Timothy K.

Postmodernism Bobby Brewer, 2001-11 Like most people when I first heard about postmodernism I thought it was absolutely the most ridiculous and ludicrous worldview I had ever encountered Initially it sounded like just another meaningless mind game hatched by some intellectual types hidden away in an ivory tower

somewhere However I ve quickly learned that postmodernism is a reaction to the most profound spiritual and philisophical crises of our time and very indicative of the spiritual status of contemporary North America After discovering the implications of a postmodern worldview I was frustrated to discover that the vast majority of ministry resources especially in the areas of church growth and evangelism were not geared towards reaching a postmodern culture During this same period over a burger and fries some teen agers from my church asked me What exactly is postmodernism and what should we be doing about it Minus the cheeseburger and fries this book answers these two pertinent questions □□ □□□ □□ □□ □□ □□,2006
