Reaching Gods Ear:

Reaching God's Ear C. Samuel Storms, 1988 **Reaching God Speed** Joe Kovacs, 2022-01-25 The answer is surprising and what we're about to learn will wake us up to a reality most of us never knew existed The reason we're so oblivious is because we've all been operating at human speed relying on our own physical power and our five senses But there is something extremely important we've all been missing It holds the key to everything good the key to life success happiness peace of mind and understanding beyond our wildest imagination It's perhaps the best kept secret in the history of mankind and it packs a staggering invigorating message that can change your life for the better improving understanding eliminating anxiety and helping to extend your living years indefinitely All we have to do is open our eyes and ears We're all inundated with this secret at all times It's present in our favorite songs and movies the stories we tell our children and even in every commercial campaign The secret is broadcast in famous news stories including the coronavirus pandemic the sinking of the Titanic or the collapse of the World Trade Center on 9/11 It's in ordinary life activities such as breathing sleeping waking up traveling sex and getting married and changing one's name Now bestselling author and award winning journalist Joe Kovacs reveals the solution cracking the divine code that shifts our minds from operating at slow human speed and making the jump to the incredibly quick God speed Hundreds of ancient mysteries and prophecies are instantly unsealed as the master key that unlocks the mystery of everything is now in your hands God: An Anatomy Francesca Stavrakopoulou, 2022-01-25 An astonishing and revelatory history that re-presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous A rollicking journey through every aspect of Yahweh's body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author's close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before **Magnetizing** Terri Levine, 2013-02-07 When you use the principles of magnetizing you don't simply let life happen to you You decide what you want and then by using the principles of magnetizing you bring what you want right to you It's how we create our own reality

I Told My Soul to Sing Kristin LeMay, 2012-10-01 Emily Dickinson is an unlikely patron saint for all who seek or wrestle

with God Looking closely at twenty five poems this intimate portrait and personal reflection shows how Dickinson can guide us through belief and doubt alike toward God Many have thought that Dickinson one of America s greatest poets rejected religion Yet the poems that unfold her soul can inspire ours offering fresh answers to ultimate questions about life and death faith and doubt Jesus and God In chapters on belief prayer mortality immortality and beauty Kristin LeMay traces the dimensions of Dickinson s spiritual life and tells the story of her own search for God between the lines of the poems that Dickinson called hymns Praise for I Told My Soul to Sing Exuberant and captivating A shimmering jewel of a book Dinty W Moore Through her deep engagement with Dickinson s poems by turn prayers partners revelations songs LeMay has written a book that is in Dickinson s words the Heart s portrait every Page a Pulse every page a kind of faith Sarah Sentilles author of *Breaking Up with God A Love Story* Part spiritual autobiography part homage to Dickinson s inexhaustible poetic genius and part exuberant close readings of the astonishing poems in which she wrestles with questions of faith and belief I Told My Soul to Sing is a valuable study of the poet s heterodox imagination LeMay does not shackle Dickinson to a procrustean bed of doctrine and piety dilute the poet s astringent ironies or flatten the provocative ambiguities She has a gift for choosing unfamiliar poems from the canon and for judiciously quoting and interpreting them A smart seriously playful winning and readable commentary on a quintessentially elusive thorny and linguistically daring American poet Herbert Leibowitz editor Parnassus Poetry in Review LeMay s implied reader is someone attracted to religious faith but even an atheist can enjoy this book s provocative illuminations of spiritual longing fear and anger in which questions cut deeper than answers Mark Halliday poet author of *Keep This Forever* and *Stevens and the Interpersonal* A brilliant analysis of the bond between life and poetry written with sensitivity and talent Fran ois Bovon Frothingham Professor of the History of Religion Emeritus Harvard Divinity School

The ^AArt of Poetry Shira Wolosky,2008-09-19 The Art of Poetry offers a step by step introduction to skills for reading poetry working progressively from smaller units to larger ones It introduces the reader to great lyric poets in the English and American tradition and offers a vision of poetry as dynamic historical and culturally engaged In fourteen chapters the author explores such fundamental poetic topics as word choice syntax imagery the sonnet conventions meter and rhythm providing examples of each

The Art of Poetry Shira Wolosky,2008-09-19 In The Art of Poetry Shira Wolosky provides a dazzling introduction to an art whose emphasis on verbal music wordplay and dodging the merely literal makes it at once the most beguiling and most challenging of literary forms A uniquely comprehensive step by step introduction to poetic form The Art of Poetry moves progressively from smaller units such as the word line and image to larger features such as verse forms and voice In fourteen engaging beautifully written chapters Wolosky explores in depth how poetry does what it does while offering brilliant readings of some of the finest lyric poetry in the English and American traditions Both readers new to poetry and poetry veterans will be moved and enlightened as Wolosky interprets work by William Shakespeare John Donne William Blake William Wordsworth Emily Dickinson Robert Frost Sylvia Plath and others The book includes a superb

two chapter discussion of the sonnet's form and history and represents the first poetry guide to introduce gender as a basic element of analysis In contrast to many existing guides which focus on selected formal aspects like metrics or present definitions and examples in a handbook format The Art of Poetry covers the full landscape of poetry's subtle art while showing readers how to comprehend a poetic text in all its dimensions Other special features include Wolosky's consideration of historical background for the developments she discusses and the way her book is designed to acquaint or reacquaint readers with the core of the lyric tradition in English Lively accessible and original The Art of Poetry will be a rich source of inspiration for students general readers and those who teach poetry [More Precious Than Gold](#) Sam

Storms,2009-02-04 In his third book of daily meditations Sam Storms urges readers to not just enter into God's Word but to take the next step toward knowing him and his Word better And the book of Psalms Storms believes is a great place to start because Psalms is so popular and so very relevant to our experiences today In More Precious Than Gold Storms combines years of life experience and his biblical and theological training to bring readers 50 brief daily meditations that are both stylistically accessible and theologically substantive Each meditation includes a historical or theological reflection on the psalm in context a story that brings it alive and creative tools to support the key idea Storms also interweaves the words of such luminaries as Charles Spurgeon Jonathan Edwards and John Piper to help readers better understand the concepts that are featured throughout Psalms worship prayer joy forgiveness steadfast love mercy sin's consequences the law of the Lord and our relationship with our enemies Like the Psalter Storms doesn't shy away from the tough issues Instead he encourages readers to experience through these daily meditations what he and generations of Christians have found to be true that the whole of the Christian faith is about lifting God higher and magnifying his name even during difficult times **Becoming a**

Woman of Prayer Cynthia Heald,2014-02-27 Prayer Is Our Response to God's Invitation So often we think of prayer as something we do to break through to God to get His attention and to get Him to listen to us But intimacy with God is His idea He has taken the initiative and prayer is His gift to us It is an opportunity for us to respond to His invitation to intimacy by calling crying and singing to Him Prayer is our response to the One who has called out to us and desires to be in a relationship with us In Becoming a Woman of Prayer Cynthia Heald will encourage you to respond to God's invitation to deeper intimacy with Him **The Pilgrim's Prayerlife** Pilgrim Preacher,2025-05-20 The Pilgrim's Prayer Life by Pilgrim

Preacher is a powerful and practical guide for anyone seeking to deepen their Christian prayer life Rooted in Scripture and rich with insight this book explores how to pray as a Christian build a daily prayer habit and experience true spiritual growth through consistent focused communion with God Whether you're new to prayer or looking to refresh your devotion The Pilgrim's Prayer Life offers a comprehensive devotional guide that teaches biblical prayer principles strengthens your walk with Christ and transforms your personal prayer time into a deeper relationship with God If you're searching for a Christian prayer book that's both inspiring and practical this is it **God's Eye View** Tommy Tenney,2008-07-13 In God's Eye View

Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly time bound viewpoint. The higher we go the smaller our problems seem. Tenney also teaches the Principle of Magnification. The closer you get to something the bigger it appears. In other words worship not only shrinks our problems it also magnifies God in our lives and to others. Worship doesn't really change our problems it just minimizes their influence over us as we focus on God. He doesn't promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be. In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb. The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard. God's eye view is higher than man's. Higher than a bird's eye view higher than a man's eye view is God's eye view. *Keeping Christ in Ministry*, *A Prayer Warrior's Guide to Spiritual Battle* John Bornschein, 2016-04-27 We are in the middle of a spiritual war and prayer is our most powerful weapon. So why do we often treat it like a last resort? Why do we struggle to prioritize our prayer life? God wants us to speak to Him to draw closer to Him to gain His wisdom and understanding and even to change the world through our prayers. *A Prayer Warrior's Guide to Spiritual Battle* edited by John Bornschein the vice chairman of the National Day of Prayer Task Force and an executive member of the National Prayer Committee explores the depth and power of a praying life. Contributors discuss obstacles to prayer include inspirational stories and provide resources to help everyone gain a greater understanding of this powerful tool God has given us. *When God Weeps* Joni Eareckson Tada, 2010-06-22 A must read for anyone who has ever asked God Why me? It's easy to trust God when things are going our way and the world makes sense. But when suffering strikes especially seemingly senseless suffering we are filled with doubt and stunned by events spiraling beyond our control. In the midst of suffering we often question the very foundation of our faith our belief in the God who says he loves us. Since our trust and obedience rest on God's character the questions that life's tragedies force us to face are difficult even frightening. Who is God? Can he really be trusted? What are his purposes in the face of suffering? If he can stop suffering why doesn't he? Joni Eareckson Tada a woman who has lived in a wheelchair for more than thirty years and Steve Estes a pastor and one of Joni's closest friends explore the answers. *When God Weeps* is not so much a book about suffering as it is about God. It tackles tough questions about heaven and hell horrors and hardships and why God allows suffering in this life. Through a panoramic overview of what the Bible says about suffering the authors make clear who God is why he permits so much heartache and pain and how it is we can trust him. With both a practical edge and heartfelt warmth *When God Weeps* offers dependence on his love and mercy in spite of our doubts fears longings and questions. *Hypatia* Charles Kingsley, 1894 *The Disciple*, 1887 **Fraser's Magazine for Town and Country**, 1853 **Paul's Prayers** VI Wilson, 2005-05 *Emma's Orphans* Loree Lough, 2013-03-05 Emma Wright knows the loneliness of being an orphan. Maybe that's why her Maryland home seems to attract children left

parentless by accident or by the recent Civil War It is hard to care and provide for them on a nurse s salary and finding Christian homes for them requires more wisdom than Emma possesses on her own As strong and independent as she seems Emma dreams of the day a strong Christian husband will share her burden and she thinks her prayers might be answered when she meets the handsome carpenter Nate O Neil But though the war is over Nate is still fighting a battle inside himself How can he offer himself to a fine woman like Emma when he still bears the guilt of past deeds While Emma and Nate wrestle with their problems the seven children in Emma s care decide to take matters into their own hands

James Missiologically Abeneazer G. Urga, Jessica A. Udall, Edward L. Smither, 2025-02-18 What can James teach us about mission While books on a New Testament theology of mission abound most of them focus only on certain tried and true books and passages while often ignoring the contribution of the General Epistles In Reading Hebrews Missiologically and Reading 1 Peter Missiologically we began to address this gap in missiological scholarship and we seek to continue in the same vein in this work on the book of James Reading James Missiologically explores the missionary dimensions of the Epistle of James through three parts the missionary motive is the reason behind missionary efforts the why the missionary message reveals what missionaries communicate the what and the missionary methods outline strategies for mission the how The global contributors examine James s profound call to action among the poor and inspire believers toward holistic engagement with the world as doers of the word not hearers only Jas 1 22 ESV
