Scholten,2010-07-30 As millions continue to face a future of food poverty lessons can be learned by considering how farmer cooperatives succeeded in improving India s food security Operation Flood which revitalised the Indian dairy industry between 1970 and 1996 was the world s largest development programme however critics accused it of luring India to neocolonial dependence on European surpluses Eventually the perils of reliance on food aid were managed by proper pricing policies that both benefited rural farming families and wiped out urban milk famines In 2008 the World Bank hailed the programme s success and now promotes similar schemes in Africa A detailed understanding of India s White Revolution is therefore imperative in the context of its future use in the developing world      *Historical Dictionary of the Cooperative Movement* Jack Shaffer,1999-08-31 Provides snapshot views of the cooperative movement in all its diversity The only single source one can consult to find so much information on the different kinds of cooperatives significant figures including philosophers pioneers officials and leaders and the situation in a large number of countries With a list of acronyms an extensive chronology appendixes and a comprehensive bibliography      **Mental Health: Psycho-Social Perspective** Anubhuti Dubey,Aradhana Shukla,2021-01-01 This volume deals with the mental health issues of women in approximately all walks of life We have made our best attempts to shed light on each page of women s mental health and we are sure that we have achieved success We hope that this volume will be helpful for the researchers and mental health professionals      **Rural Development Abstracts** ,1990      **The British National Bibliography** Arthur James Wells,1968      □□□□□□□□ ,1990      **Bibliography of Agriculture with Subject Index** ,1990      *Unfinished Revolution* Kenneth E. since Fidel Castro's in Cuba Following the triumphant 1979 Nicaraguan revolution Ortega was named coordinator of the governing junta and then in 1984 was elected president by a landslide in the country's first free presidential election The future was full of promise Yet the United States was soon training equipping and financing a counterrevolutionary force inside Nicaragua while sabotaging its crippled economy The result was a decade long civil war By 1990 Nicaraguans dutifully voted Ortega out and the preferred candidate of the United States in And Nicaraguans grew poorer and sicker Then in 2006 Daniel Ortega was reelected president He was still defiantly left wing and deeply committed to reclaiming the lost promise of the Revolution Only time will tell if he succeeds but he has positioned himself as an ally of Castro and Hugo Chavez while life for many Nicaraguans is finally improving Unfinished Revolution is the first full length biography of Daniel Ortega in any language Drawing from a wealth of untapped sources it tells the story of Nicaragua's continuing struggle for liberation through the prism of the Revolution's most emblematic yet enigmatic hero **Grameen Vikas** Katar Singh, Anil Shishodia, 2018-02-12
