There is increased interest in literacy as a multimodal concept in which symbolic meaning is a central concept rather than more conventional and narrower notions of literacy The Handbook of Early Childhood Literacy is central in providing access to all these different perspectives The Handbook offers a way through the vast diversity of publications on early childhood literacy by providing comprehensive and up to date reviews of research and thinking in early childhood literacy The arrangement of chapters reflects a contemporary perspective on research into early childhood literacy Major sections include the global world of early childhood literacy childhood literacy and family community and culture the development of literacy in early childhood pedagogy and early childhood literacy and researching early childhood literacy Contributions by leading authorities focus on literacy as a socially situated and global experience one that is evolving in relation to changes in contemporary culture and technological innovation

*Bridging the Divide between Bible and Practical Theology* Denise Dombkowski Hopkins, Michael S. Koppel, 2019-01-10 This volume contributes to closing the unfortunate divide that still exists today between the so called practical and classical disciplines in seminary curricula It builds a bridge across a chasm that should not exist The chapters reflect working on the bridge through a collegial model of sustained conversation out of the contributors different disciplines within Bible and Practical Theology The authors in this volume desire to break out of academic silos that too often lead to fragmented student learning and disjointed ministry practices in the hope that the imaginations of students scholars and ministers may be stimulated in the service of holistic ministry The book is divided into two sections I Theoretical Frameworks in which the authors invite the reader to look more broadly at issues of method context geography and culture as biblical texts and practical theology are brought into dialog and II Reading Biblical Texts which explores biblical books or texts while wearing the lenses of practical theology to mine the intersections and complexities of the encounter across disciplines Whether singly or jointly authored these essays model a dynamic interactive reading of human situations and biblical texts in order to reveal their multivalent complexities

**Victorian Women and Wayward Reading** Marisa Palacios Knox, 2020-10-22 In the nineteenth century no assumption about female reading generated more ambivalence than the supposedly feminine facility for identifying with fictional characters The belief that women were more impressionable than men inspired a continuous stream of anxious rhetoric about female quixotes women who would imitate inappropriate characters or apply incongruous frames of reference from literature to their own lives While the overt cultural discourse portrayed female literary identification as passive and delusional Palacios Knox reveals increasing accounts of Victorian women wielding literary identification as a deliberate strategy Wayward women readers challenged dominant assumptions about feminine reading and by extension femininity itself Victorian Women and Wayward Reading contextualizes crises about female identification as reactions to decisive changes in the legal political educational and professional status of women over the course of the nineteenth century changes that wayward reading helped women first to imagine and then to enact
