**Critical Multicultural Education** Christine E. Sleeter, 2024 This volume collects Christine Sleeter's core work focusing on critical multicultural education situating culture and identity within an analysis of power and racism Multicultural education arose in the context of the Civil Rights Movement and in its inception shared with that movement a focus on eradicating both interpersonal and systemic racism The problem this book takes up is that over time many people have come to understand and enact multicultural education in ways that evade grappling directly with racism This dilution has happened for several reasons including White teachers rearticulations of multicultural education as getting along or learning to be colorblind and neoliberal reforms that have reduced it to a celebration of cultural diversity while maintaining silence about racism This volume includes ten of Sleeter's articles that

explicitly locate multicultural education within critical understandings of race racism and colonialism offering both theoretical and practical discussions of what that means A deeply researched contextualized and nuanced account of multicultural education H Richard Milner IV Vanderbilt University This beautiful and intersectional volume needs to be required reading in every school of education Robin DiAngelo coauthor of Is Everyone Really Equal This book is an important intervention on the side of racial justice in education Wayne Au editor Rethinking Schools Supporting Students' Intellectual Freedom in Schools: The Right to Read Sachdeva, Danielle E.,Hull, Samantha L.,Kimmel, Sue C.,Whitaker, Westry A.,2023-12-21 In today s developing view of education a disquieting trend looms the erosion of students right to choose what they read This erosion fueled by an alarming surge in censorship attempts casts a shadow over the very essence of intellectual exploration Recent years have witnessed an unprecedented number of challenges aimed at restricting access to books targeting themes that embrace human diversity inclusivity and the tapestry of life itself As educators administrators and scholars grapple with this critical juncture Supporting Students Intellectual Freedom in Schools The Right to Read serves as a comprehensive resource they can turn to for support and knowledge This book is a call to action resonating with teachers school librarians administrators and scholars who refuse to let censorship erode the foundations of education As censorship attempts proliferate its chapters offer fortification providing educators at all levels with the tools to safeguard students intellectual freedom From the hallowed halls of academia to the vibrant classrooms of K 12 the insights within these pages shape curricula conversations and a collective commitment to nurturing minds that thrive on diversity and inquiry In a world clamoring for unwavering advocates of intellectual freedom Supporting Students Intellectual Freedom in Schools is not just a solution it is a declaration of resolute solidarity in the pursuit of knowledge and the unassailable right to read
