Listening to Children Read Aloud Gay Su Pinnell, 1995 Conducted as part of the 1992 Integrated Reading Performance Record IRPR a study investigated the oral reading proficiency of a subgroup of students participating in the 1992 reading assessment conducted by the National Assessment of Educational Progress NAEP Subjects 1 136 fourth graders read aloud one passage and were audiotaped as they responded to a series of questions about habits and attitudes related to both instructional and recreational reading Subjects also completed measures of fluency and comprehension Major findings were that 1 much can be learned and documented about children s abilities by listening to them read aloud 2 55% of the subjects were considered to be fluent but only 13% could be described as consistently reading with appropriate phrasing and with at least minimal expressiveness 3 oral reading fluency demonstrated a significant relationship with reading comprehension 4 fluent reading appeared to be related to certain literacy activities 5 57% of the students were at least 96% accurate in their oral reading of the passage 6 61% of the students read the passage at a rate of at least 100 words per minute and 7 accuracy and rate displayed some relationship to reading fluency Contains 11 tables and two figures of data Appendixes present the interview guide and a description of the procedures and methods of the IRPR RS

Reading Circles, Novels and Adult Reading Development Sam Duncan, 2012-02-23 Adult literacy teachers are constantly searching for effective engaging and distinctly adult ways to develop adult emergent reading and for at least the past two hundred years adults have formed themselves into reading circles to read and discuss novels on a weekly or monthly basis Why then are reading circles rarely used or studied in formal adult literacy provision This book explores adult reading development novel reading and reading circles in the context of a wider examination of reading pedagogies and practices in the English speaking world It discusses reading as both an individual and a communal act and investigates the relationship between literature and literacy development practice and pedagogy including a reassessment of the controversial approaches of reading aloud and phonics for adults Sam Duncan reviews a case study of an adult reading circle in a large London further education college and identifies the wider implications for the teaching and learning of adult emergent reading for the use and understanding of reading circles and for how we understand the novel reading experience more broadly *Power Up Your Read-Alouds*

Andrea Paganelli, 2019-07-16 Capture the hearts minds and attention of your digital age listeners using read aloud experiences that engage technology I wish my learners would be as excited about reading as they are about technology is a lament frequently sung by those who seek to support reading development There is no debate that reading is fundamental and that reading aloud strongly supports lifelong reading engagement Technology however is ubiquitous in our society and engagement with it is essential for our success Reading and technology are therefore in competition for learners attention but by combining reading and technology through use of read aloud facilitators can create engaging digital read aloud programs to enhance the learning experience Digital read aloud can be used with multiple age groups in a variety of settings

and with differing degrees of expense and technology complexity Understanding that these myriad options can be overwhelming however Andrea Paganelli offers detailed information on the background implementation evaluation and sustainability of technology infused read aloud for reading support persons school librarians public librarians instructional librarians teachers and professors Her ideas span multiple ages and subjects and include practical examples designed to engage both educators and readers

The Performance of Reading Peter Kivy,2008-04-15 The Performance of Reading argues that there are distinct analogies between silent reading and artistic performance and so fashions the new role of the reader as performer An original and insightful exploration of the act of reading by the leading scholar in the field Discusses the history of reading and the transitions from reading aloud to reading silently and the changing role of literature as communal active experience to a more private endeavor
