Stevens, 1973 **Introduction to International Organizations** American Association of Law Libraries, 1996 Comprises 19 papers about how international organizations work and what they publish Covers also what is published about international organizations in what format by whom and how to access and acquire publications of international organizations **Documents of International Organizations** , 1947 *International Organizations and the Law of the Sea* Netherlands Institute for the Law of the Sea, 1987 Already in its sixth year of existence this Documentary Yearbook provides you with the only independent collection of documents related to ocean affairs the law of the sea issued each year by international organizations The Yearbook is arranged systematically thereby gives the community of scholars practitioners in ocean affairs the law of the sea much improved access to essential documentation Like the previous volumes the 1990 volume focuses on the United Nations family of international organizations on several non UN intergovernmental organizations of developing states The most important documents which were issued in the course of 1990 are reproduced in whole or in part while other relevant documents are listed An extensive index of Keywords facilitates access by the reader to the complex often interrelated matters dealt with by various organizations as well as to the information concerning individual states regions international instruments ,

Reading for History in the Damascus Document Maxine L. Grossman, 2018-12-24 Scholars tend to view the Damascus Document as a historical source but a reading of the text in light of contemporary audience oriented literary criticism finds its emphasis in the ideological construction of history and communal identity rather than in the preservation of a historical record An introduction to contemporary literary criticism is followed by a series of thematic readings focusing on historical narrative priestly imagery and gender in the covenant community Each theme is examined in terms of its potential for multiple sometimes contradictory interpretations and for its place in the larger sectarian discourse This study offers an alternative approach to the historiography of ancient Jewish sectarianism acknowledging the presence of competing claims to shared traditions and the potential for changes in textual interpretation over time or among diverse communities
