though you're way past menopause you want another child and that even though your breasts make tracks in the mud you still want a lover and that even though your hands shake there are still things that you didn't get to do like going to the Olympics and bringing home the gold things you want to do that you will do Then see what you're capable of And you'll be perfectly sane Senility temporary insanity it's all bull Old folks know exactly what they're doing One of the good parts about being an old fart is that you have a license to be loony tunes to live the wild way you didn't have the balls for before At 90 you see your dignity's gone the way of dirty diapers and your life is heading the same way fast You have nothing to lose except the moment From *A Different Woman* by Joan Kip My relationship with Seth is I tell him my great experiment He calls me on every one of my tightly held protections and his pleasure in meeting my body is matched by my own freedom to respond Ours is a relationship with no hidden agenda no commitments Our occasional evenings of uncomplicated delight are the intertwining of two desires who touch down and embrace one another knowing they will meet again sometime somewhere And while sex is not absent from our meetings it is rather my compelling ache to be touched and held and to touch and hold that pulls me back each time to Seth Like the newly born whose being depends upon the enfolding presence of a parent those of us who are now so old glow more warmly when we too may share our tenderness Still Going Strong counters demeaning stereotypes of little old ladies by offering positive empowering views of women over fifty It is a hopeful voice that speaks to any woman facing her own future

Text to Reader Theo D'haen, 1983-01-01 Text to Reader seeks to find a critical approach that links a novel's form to its socio-cultural context Combining elements from Iser's reception aesthetics speech act theory and Goffman's frame analysis this book starts from the assumption that a reader has certain conventional expectations with regard to a novel and then goes on to examine how violations of these expectations rule the reader's relationship to the novel The theory sketched in the first chapter is then in four subsequent chapters applied to *The French Lieutenant's Woman* by the English author John Fowles *Letters* by the American John Barth *Libro de Manuel* by the Argentinean Julio Cortázar and *De Kapellekensbaan* by the Flemish novelist Louis Paul Boon The particular form each of these novels takes is analyzed as correlative to that novel's communicative function This book will be of interest to comparatists students of English and American literature and the literatures of Latin America and the Low Countries

The Poems of Robert Browning: Volume Six John Woolford, Daniel Karlin, Joseph Phelan, 2022-06-30 *The Ring and the Book* published serially in 1868-9 is one of the most daring and innovative poems in the English language The story is based on the trial of an Italian nobleman Guido Franceschini for the murder of his wife Pompilia in Rome in 1698 Browning's discovery of the old yellow book a bundle of legal documents and letters relating to the trial on a second hand market stall in Florence sparked an imaginative engagement with this sordid tale of domestic cruelty adultery and greed which grew through four years of arduous labour into an epic peopled not by gods and warriors but by concrete recognizably human beings Fusing the technique of the dramatic monologue the form he had made his own with the grandeur of classical epic and the vivid realism

of the modern novel Browning created a unique hybrid form that allowed him not only to bring to life an entire historical period but also to reflect on the process of artistic creation itself the forging of the golden ring of the poem from the pure crude fact of its historical original This edition comprising volumes 5 and 6 in the acclaimed Longman Annotated English Poets edition of Browning's poems does full justice to the scope and depth of Browning's achievement The headnote in volume 5 gives an authoritative account of the poem's composition publication sources and reception making use of hitherto unpublished letters and textual material In addition to giving readers help where needed with historical and linguistic comprehension the notes track Browning's formidable range of allusion from the most erudite to the most vulgar The appendices in volume 6 present a selection from the original sources a list of variants from extant proofs and key passages from Browning's fascinating and revealing correspondence with one of the earliest readers of the poem Julia Wedgwood The aim is to enable readers not just to understand the poem as an object of study but to take pleasure in its abounding intellectual and emotional energies
