A Brief Guide to C. S. Lewis Paul Simpson,2013-09-19 November 2013 marks the 50th anniversary of the death of Clive Staples Jack Lewis when a memorial to him will be placed in Poet's Corner in Westminster Abbey Although perhaps best known as the author of the seven Chronicles of Narnia published between 1949 and 1954 Lewis also wrote The Pilgrim's Regress a trilogy of science fiction novels incorporating Christian themes and a large number of non fiction books about his faith accessible to Christians and non believers alike In a survey of the greatest British writers since 1945 the Times newspaper ranked Lewis eleventh ahead of Salman Rushdie Anthony Burgess and Ian Fleming A Brief Guide to C S Lewis explores Lewis's life from his reconversion to Christianity under the influence of his friend J R R Tolkien which had such a profound influence on his writing both fiction and non fiction to his marriage to American writer Joy Davidman Gresham and his battle with cancer He died on 22 November 1963 a day before the first ever episode of Dr Who a TV series with many links to his Narnia stories was shown Although this Brief Guide ranges well beyond the world of Narnia to explore other aspects of Lewis's life and his other writings it does not do so unusually among books on Lewis from the point of view of

Christian scholarship thereby assuming much knowledge of theology on the part of readers That Lewis wrote about the problems of praying is significant the specific texts he discusses and dissects are likely to be of less significance to most readers The guide provides synopses of Lewis s fiction an overview of his other writings a biography and a look at all the many different versions of his stories that have appeared In doing so it draws on recent interviews by the author with some of the many talented people who have worked on these adaptations

Reading Programs for Young Adults

Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs

The Fellowship Philip Zaleski,Carol

Zaleski,2015-06-02 C S Lewis is the 20th century s most widely read Christian writer and J R R Tolkien its most beloved mythmaker For three decades they and their closest associates formed a literary club known as the Inklings which met every week in Lewis s Oxford rooms and in nearby pubs They discussed literature religion and ideas read aloud from works in progress took philosophical rambles in woods and fields gave one another companionship and criticism and in the process rewrote the cultural history of modern times In *The Fellowship* Philip and Carol Zaleski offer the first complete rendering of the Inklings lives and works The result is an extraordinary account of the ideas affections and vexations that drove the group s most significant members C S Lewis accepts Jesus Christ while riding in the sidecar of his brother s motorcycle maps the medieval and Renaissance mind becomes a world famous evangelist and moral satirist and creates new forms of religiously attuned fiction while wrestling with personal crises J R R Tolkien transmutes an invented mythology into gripping story in *The Lord of the Rings* while conducting groundbreaking Old English scholarship and elucidating for family and friends the Catholic teachings at the heart of his vision Owen Barfield a philosopher for whom language is the key to all mysteries becomes Lewis s favorite sparring partner and for a time Saul Bellow s chosen guru And Charles Williams poet author of supernatural shockers and strange acolyte of romantic love turns his everyday life into a mystical pageant Romantics who scorned rebellion fantasists who prized reality wartime writers who believed in hope Christians with cosmic reach the Inklings sought to revitalize literature and faith in the twentieth century s darkest years and did so in dazzling style

Tolkien, Race, and Racism in Middle-earth Robert Stuart,2022-04-15 Tolkien Race and Racism in Middle earth is the

first systematic examination of how Tolkien understood racial issues how race manifests in his oeuvre and how race in Middle earth his imaginary realm has been understood criticized and appropriated by others This book presents an analysis of Tolkien s works for conceptions of race both racist and anti racist It begins by demonstrating that Tolkien was a racialist in that his mythology is established on the basis of different races with different characteristics and then poses the key question Was Tolkien racist Robert Stuart engages the discourse and research associated with the ways in which racism and anti racism relate Tolkien to his fascist and imperialist contemporaries and to twenty first century neo Nazis and White Supremacists including White Supremacy genocide blood and soil philology anti Semitism and aristocratic racism Addressing a major gap in the field of Tolkien studies Stuart focuses on race racisms and the Tolkien legendarium *J. R. R. Tolkien* Colin Duriez,2012-10-10 Long before the successful The Lord of the Rings films J R R Tolkien s creations imagination and characters had captured the attention of millions of readers But who was the man who dreamt up the intricate languages and perfectly crafted world of Middle earth Tolkien had a difficult life for many years orphaned and poor his guardian forbade him to communicate with the woman he had fallen in love with and he went through the horrors of the First World War An intensely private and brilliant scholar he spent over fifty years working on the languages history peoples and geography of Middle earth with a consistent mythology and body of legends inspired by a formidable knowledge of early northern European history and culture J R R Tolkien became a legend by creating an imaginary world that has enthralled and delighted generations This delightful and accessible biography brings him to life Colin Duriez has appeared as a commentator on DVDs of Peter Jackson s The Lord of the Rings and BBC television s The Worlds of Fantasy He is also the author of The Inklings Handbook with the late David Porter J R R Tolkien and C S Lewis The Story of Their Friendship and Tolkien and The Lord of the Rings and has contributed to definitive reference works The Tolkien Encyclopedia and a number of other tomes relating to Tolkien As If Michael Saler,2012-01-09 Many people throughout the world inhabit imaginary worlds communally and persistently parsing Harry Potter and exploring online universes These activities might seem irresponsibly escapist but history tells another story Beginning in the late nineteenth century when Sherlock Holmes became the world s first virtual reality character readers began to colonize imaginary worlds debating serious issues and viewing reality in provisional as if terms rather than through essentialist just so perspectives From Lovecraft s Cthulhu Mythos and Tolkien s Middle earth to the World of Warcraft and Second Life As If provides a cultural history that reveals how we can remain enchanted but not deluded in an age where fantasy and reality increasingly intertwine Tolkien's Mythic Meaning Quinn A. J. Gervel,2025-05-27 Perhaps you have read The Lord of the Rings multiple times because it is a captivating story Maybe you experienced an awakening through the narrative that drew you back to Middle earth again Some have chosen to relive the journey from The Shire and back again because the adventure continues to bring new unexpected clarity about life Whatever the reason the story was compelling enough for you to revisit those hundreds and hundreds of pages all over again

Tolkien's Mythic Meaning explores how and why After J R R Tolkien's The Hobbit debuted in 1937 readers were so enchanted by Bilbo's adventures they demanded more It took Tolkien over a decade to write The Lord of the Rings a monumental undertaking but one well worth the time invested to produce something he perceived readers were desperately hungry for Tolkien's Mythic Meaning demonstrates how Tolkien intentionally crafted The Lord of the Rings so that its narrative would mediate meaning to readers on a personal level deeper than words
