**Reading for Difference** Melissa Barth, Thomas McLaughlin, James A. Winders, 1993 *Gender, Race, and Class in Media* Bill Yousman, William E Yousman, Lori Bindig Yousman, Gail Dines, Jean McMahon Humez, 2020-07-24 Incisive analyses of mass media including such forms as talk shows MTV the internet soap operas television sitcoms dramatic series pornography and advertising enable this provocative new edition of Gender Race and Class in Media to engage students in critical mass media scholarship Issues of power related to gender race and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions including the political economy of media production textual analysis and media consumption Throughout Gender Race and Class in Media examines the mass media as economic and cultural institutions that shape our social identities especially in regard to gender race and class **Reading the Short Story** Anna Wing-bo Tso, Scarlett Lee, 2019-10-31 Beginning with a brief history and evolution of the short story genre alongside an overview of the key short story writers and an explanatory chapter of literary criticism this book aims to give readers insight into the works by canonical British Irish and American authors including Edgar Allan Poe James Joyce Flannery O Connor and more Applying close reading skills and critical literary approaches to twelve selected short stories in English this work conducts comparative analyses to reveal the interrelationships between the texts the authors the readers and the sociocultural contexts Developed and tested in literature classes at university over several semesters this book addresses key issues topics and trends in the short story genre A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within Vanessa Lovelace, 2024-05-29 The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their

beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for their views *A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within* analyzes select biblical narratives including Noah's curse in Genesis 9 Sarah and Hagar in Genesis 16 and 21 Mother in Israel in Judges 5 and Jezebel Phoenician Princess and Queen of Israel in 1 and 2 Kings This analysis demonstrates how these narratives were first used by ancient biblical writers to include some and exclude others as members of the nation of Israel and then appropriated by White supremacists in the antebellum era and the early twentieth century to do the same in America The book analyzes the simultaneously intersecting and interconnecting dynamics among race gender class and sexuality and biblical narratives to construct boundaries between us versus them particularly the politicization of motherhood to deny certain groups inclusion Culturally and Socially Responsible Assessment Catherine

S. Taylor, Susan Bobbitt Nolen, 2022 This book addresses a problem that affects the work of all educators how traditional methods of assessment undermine the capacity of schools to serve students with diverse cultural and social backgrounds and identities Anchored in a commonsense notion of validity this book explains how current K 12 assessment practices are grounded in the language experiences and values of the dominant White culture It presents a timely review of research on bias in classroom and large scale assessments as well as research on how students level of engagement influences their performances The author recommends practices that can improve the validity of students assessment performances by minimizing sources of bias using culturally responsive assessment tools and adopting strategies likely to increase students engagement with assessment tasks This practical resource provides subject specific approaches for improving the cultural and social relevance of assessment tools and offers guidance for evaluating existing assessment instruments for bias language complexity and accessibility issues Book Features Research based recommendations for improving assessment fairness validity and cultural social relevance Practices that have been shown to improve the effectiveness of classroom assessments in supporting student learning Concrete examples of how to create culturally relevant assessment tasks that target valued learning goals in language arts mathematics social studies and science classrooms Appendixes that provide tools educators can use to improve grading practices **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20
