Red Thunder John Varley, 2020-09-22 The heart pounding space race is on in this riveting SF thriller from the Hugo and Nebula Award winning author of *Red Lightning* and *Rolling Thunder* Publishers Weekly starred review As Chinese and US spacecraft compete to be the first to land on Mars a former astronaut his cousin and four teens from Florida decide to take matters into their own hands If they can quickly build their own space worthy ship using scrap metal appliances and power tools they have a chance to come from behind thanks to an inventive new power source that can propel them to the Red Planet within three days No guts no glory Varley s great strength is in his characterizations but in *Red Thunder* he also shows a strong sense of place If you are willing to simply fantasize about fleeing your office cubicle and becoming a heroic space explorer this novel will fulfill your wishes The Washington Post Fast paced Engaging characters Rocky Mountain News Full of little gems of wit and intelligence Booklist A fun filled adventure Varley matches a serious literary style with an outrageous plot and he s one of the few writers in the field who could make it work Chronicle

Red Thunder John P. Hunter, 2006-10 While cannons thundered swords flashed and the sky turned red with flame Nate Chandler and his slave friend James went about the darker business of espionage Their spy world of whispered conspiracies secret missions alone in the dead of night and narrow escapes were every bit as dangerous as the thrust of a bayonet Utilizing their wits courage and coolness under pressure the unlikely duo and a huge dog helped undo the might British army at Yorktown and win the American Revolution

Avenger William W. Johnstone, 2014-11-20 From the USA Today bestselling author of *The Devil s Legion* a gunfighter rides through a deadly gauntlet to help new friends and avenge old loves Death is not the end sometimes it s just the beginning When Frank Morgan finds there s a price on his head there s only one thing to do kill the man who put it there and if he avenges the death of his beloved doing so the sweeter the justice But the trail of revenge hides many an ambush From hired killers to hooded night riders there s no rest for the last gunfighter especially when a beautiful young trick rider needs his help Guns blazing the dust never settling vengeance comes to a showdown in a Nevada ghost town where an army of gunmen lies in wait William W Johnstone s epic westerns brilliantly pit the courage of a man alone against the rugged landscape of frontier America and weave actual historical characters and events with hoof pounding suspense
