choreographer s life and follows her quest to find what became of her mother s 1927 Japanese pen pal who wrote the red velvet letters This intimate coming of age story is more fact than fiction Red Velvet Underground Freda Love Smith, 2015-09-21 Not only a rock memoir and recipe book but also a poignant work of personal self discovery and the challenges yet joys of parenting Huffington Post Part memoir part cookbook and all rock and roll Red Velvet Underground

tells the story of how musician Freda Love Smith's indie rock past grew into her family and food-centric present. Smith, born in Nashville and raised in Indiana, is best known as the drummer and co-founder of bands such as the Boston-based Blake Babies, Antenna, and the Mysteries of Life. Red Velvet Underground is loosely framed around cooking lessons Smith gave to her eldest son, Jonah, before he left for college. Smith compares her son's experiences to her own meeting Juliana Hatfield and starting the Blake Babies, touring in Evan Dando's hand-me-down station wagon and crashing with Henry Rollins, who introduced the band to local California fare. All while plumbing the deeper meanings behind the role of food, cooking, and family. Interspersed throughout these stories are forty-five flexitarian recipes, mostly but not exclusively vegetarian, such as red pepper cashew spread, spinach and brazil nut pesto, and vegan strawberry cream scones. Throughout the book, Smith reveals how food, in addition to music, has evolved into an important means for creativity and improvisation. Red Velvet Underground is an engaging exploration of the ways food and music have informed identity through every stage of one woman's life. These are sweet, unsentimental scenes from the ever-evolving life of a woman of many shifting and balancing roles: mother, wife, drummer, student, teacher, friend, daughter, food enthusiast. It's all tied together with tantalizing recipes that have been lovingly improvised and tweaked into a life-affirming doneness. Juliana Hatfield, musician.

The Deeds of Pope Innocent III James M. Powell, 2004-03 The Deeds of Pope Innocent III, composed before 1210 by an anonymous member of the papal curia, provides a unique window into the activities, policies, and strategies of the papacy and the curia during one of the most important periods in the history of the medieval church.

The Tacky South Katharine A. Burnett, Monica Carol Miller, 2022-06-15 As a way to comment on a person's style or taste, the word tacky has distinctly southern origins, with its roots tracing back to the so-called tackies who tacked horses on South Carolina farms prior to the Civil War. The Tacky South presents eighteen fun, insightful essays that examine connections between tackiness and the American South, ranging from nineteenth-century local color fiction and the television series *Murder, She Wrote* to red velvet cake and the ubiquitous influence of Dolly Parton. Charting the gender, race, and class constructions at work in regional aesthetics, The Tacky South explores what shifting notions of tackiness reveal about US culture as a whole and the role that region plays in addressing national and global issues of culture and identity.

Europa Triumphans J. R. Mulryne, Helen Watanabe-O'Kelly, Margaret Shewring, Sarah Knight, 2010-02 A landmark in the study of early modern Europe, this two-volume collection makes available for the first time a selection of the most important texts from court and civic festival books. Festival entertainments were presented to mark such occasions as royal and ducal entries to capital cities, dynastic marriages, the birth and christening of heirs, religious feasts, and royal and ducal funerals. *Europa Triumphans* represents the chronological and trans-European range of the court and civic festival. These festivals are considered not simply as texts but as events and are introduced by groups of scholars, each with a specialist knowledge of the political, social, and cultural significance of the festival and of the iconography, spectacle, music, dance, voice, and gesture in which they were expressed. To demonstrate the geographic spread

and political significance of festivals and to illustrate the range of aesthetic languages they deploy the festivals included in these two volumes are grouped in the following sections Henri III Genoa Poland Lithuania The Netherlands The Protestant Union La Rochelle Scandinavia and The New World These texts provide many valuable insights into the variety of political systems and historical circumstances that formed them Beautifully produced with 148 black and white and 23 colour illustrations Europa Triumphans represents an invaluable reference source for the study of early modern Europe It presents texts both in transcription and translated into English and is supplemented with introductory essays and commentaries Europa Triumphans is co published by Ashgate and the Modern Humanities Research Association in conjunction with the AHRB Centre for the Study of the Renaissance at the University of Warwick UK *Audience* Jeffrey K. Rohrs, 2013-11-11
