Illustrations by Joe Lee

Heritage Books, Inc.

Redcoats Yankees And Allies

Christopher Hibbert

Redcoats Yankees And Allies:

Redcoats, Yankees and Allies Brenton C. Kemmer, 1998 Illustrated by Joe Lee The vital Lake George Lake Champlain corridor always a strategic link between New England and Canada is the geographical setting of this study of the uniforms and clothing of British and Yankee soldiers and their Native America **The Battle of Lake George** William R. Griffith, 2021-06-21 In the early morning of September 8 1755 a force of French Regulars Canadians and Indians crouched unseen in a ravine south of Lake George Under the command of French general Jean Armand Baron de Dieskau the men ambushed the approaching British forces sparking a bloody conflict for control of the lake and its access to New York s interior Against all odds British commander William Johnson rallied his men through the barrage of enemy fire to send the French retreating north to Ticonderoga The stage was set for one of the most contested regions throughout the rest of the conflict Historian William Griffith recounts the thrilling history behind the first major British battlefield victory of the French and Indian War Yankee Doodle and the Redcoats Susan Provost Beller, 2007-07-31 Using excerpts from diaries letters newspaper articles and other primary sources tells of the everyday lives of the soldiers who fought the Revolutionary War for both the British and for the colonies **America's Military Adversaries** John C. Fredriksen, 2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history *British Military Long Arms in Colonial America* Bill Ahearn, Robert Nittolo, 2018-05-21 *British Military Long Arms in Colonial America* By Bill Ahearn and Robert Nittolo In *British Military Long Arms in Colonial America* Bill Ahearn and Robert Nittolo explore the story of the various long arms used during this point in history Covering a vast time period Ahearn and Nittolo first illustrate the long arms as tools to help create British rule in Colonial America and continue their explorations to the war that cost Britain their American empire *British Military Long Arms in Colonial America* is an educational and informative guide that will provide an enlightening account to the curious readers and historians alike **George Washington and the Half-King Chief Tanacharison** Paul R. Misencik, 2014-05-16 *George Washington and the Half King Chief Tanacharison* details the events in western Pennsylvania

that precipitated the French and Indian War It describes the interpersonal relationship between 22 year old inexperienced but self assured George Washington and the 54 year old wily Iroquois Chief Tanacharison which led to as Horace Walpole quipped Washington firing a volley in the backwoods of America that set the world on fire The book explores the history of the French and English rivalry for the trans Allegheny territory and its impact on the Indians in the area It shows how Washington and Tanacharison each sought to influence the other to gain support for their respective agendas Washington wanted the Indians to endorse Virginia s claim to the Ohio territory while Tanacharison wanted a war between England and France so that the Iroquois could maintain their dominance over the Ohio Indians The book describes in detail the sequence of events through which the crafty half king manipulated Washington into starting the war he wanted and by his actions implicated Washington in nothing less than a cold blooded murder Redcoats and Rebels Christopher Hibbert,2002 A full scale popular history of the American War of Independence **Cumulated Index to the Books** ,1999 Redcoats' Revenge David Fitz-Enz,David G. Fitz-Enz,2008 What if on September 11 1814 the United States had lost the close run battle that Winston Churchill called the most decisive of the War of 1812 With a victory at Plattsburgh would the British have eventually been able to regain control of their former colonies Only one fleeting moment on Lake Champlain might have been needed to forever alter the young country s history and return it to the grip of King George III Redcoats Revenge brings the most successful field commander in history the Duke of Wellington to North America in 1814 A coalition of eight European countries has recently defeated Napoleon With the emperor s threat to England eradicated Wellington releases the most powerful military juggernaut for service in the Western Hemisphere His audacious plan sends him and his avenging veteran redcoats plunging straight south from Lake Champlain toward New York City In Washington the streets crackle with tension at the news of British ships on the Chesapeake The White House is promptly evacuated and the capital left undefended when a diversionary force approaches the city and chokes off Baltimore President James Madison must now decide which of his generals is capable of successfully facing off with the Iron Duke No friend of the tyrannical Maj Gen Andrew Jackson Madison finally agrees that he may be the only commander with any hope of matching Wellington Redcoats Revenge is a vivid montage of the personalities and battles real and quite possible of the War of 1812 With its clever and compelling premise this exciting alternate history will enthrall readers and reveal just how close the United States was to becoming a British colony once again The Peculiar Circumstances of this Army' Andrew Stephen Farry,2006 **Схватка за Америку. Триумф белой лилии** Илья Топчий,2025-04-06 2013 1754 1758 Fort Niagara Patricia Kay Scott,William Edward Utley,2023-08-27 Fort Niagara is located at the northern mouth of the Niagara River about twelve miles from Niagara Falls This scenic river and world famous tourist area which is now shared by the United States and Canada was Iroquois territory in the 18th century being fought over by France and England Fort Niagara The British Occupation 1759 1796 dramatically portrays how the British Army took Fort Niagara from the French and Indians in 1759 and held it for thirty seven years while

Indian French British and American warriors and diplomats vied for control of the Niagara River and its portage route into the Great Lake. If the men who garrisoned Fort Niagara joined up to see the world they probably didn't anticipate being stationed at this isolated frontier post. It is doubtful that few if any of the thousands who served at Fort Niagara recalled their time there as the best part of their military life even as one British officer wrote home that it wasn't as bad as he had expected. Some died at the fort in raids out of the fort or by accidents in the icy cold and volatile waters of the Great Lakes. Others thinking they were on their way home for a welcomed leave were unexpectedly rerouted to Boston in 1775 and fought in the battles of Lexington and Concord, Bunker Hill and other famous battles of the Revolution. This second book about Fort Niagara by Patricia Kay Scott and William E. Utley carries on the history presented in *Fort Niagara: the Key to the Indian Oceans and the French Movement to Dominate North America* published in 2019. **American Book Publishing Record**, 1999.

The Greatest Fury William C. Davis, 2020-10-06 Davis's accounts of small fights won by hot blood and cold steel are thrilling. *The Wall Street Journal*. From master historian William C. Davis the definitive story of the Battle of New Orleans, the fight that decided the ultimate fate not only of the War of 1812 but the future course of the fledgling American republic. It was a battle that could not be won. Outnumbered farmers, merchants, backwoodsmen, smugglers, slaves and Choctaw Indians, many of them unarmed, were up against the cream of the British army, professional soldiers who had defeated the great Napoleon and set Washington D.C. ablaze. At stake was nothing less than the future of the vast American heartland from the Gulf Coast to the Great Lakes as the ragtag American forces fought to hold New Orleans, the gateway of the Mississippi River and an inland empire. Tipping the balance of power in the New World, this single battle irrevocably shifted the young republic's political and cultural center of gravity and kept the British from ever regaining dominance in North America. In this gripping, comprehensive study of the Battle of New Orleans, William C. Davis examines the key players and strategy of King George's Red Coats and Andrew Jackson's makeshift army. A master historian, he expertly weaves together narratives of personal motivation and geopolitical implications that make this battle one of the most impactful ever fought on American soil. *The Cumulative Book Index*, 1999.

Red Coats & Grey Jackets Donald E. Graves, 1996-07-25 the definitive analysis of the battle of Chippawa. Donald Graves establishes its historical background, describes the opposing armies, brings them into battle and assesses the results without wasting a word, yet his account of the battle combines high colour and exact detail. You find yourself alternately in the generals' boots and the privates' brogans in all the smoke, shock and uproar of a short-range stand-up fire fight. John Elting, author of *Swords Around a Throne: Napoleon's Grande Armée*. **Finest Hour** Tim Clayton, Philip R. Craig, 2002-02-12. This book recreates the tensions and uncertainties of the events of 1940. **Yankee Doodle and the Redcoats** Susan Provost Beller, 2003-01-01. Using excerpts from diaries, letters, newspaper articles and other primary sources, tells of the everyday lives of the soldiers who fought the Revolutionary War for both the British Army and for the colonies. *Subject Guide to Books in Print*, 2001. **Chicago** Lloyd Lewis, 1929.

Whispering the Secrets of Language: An Emotional Quest through **Redcoats Yankees And Allies**

In a digitally-driven earth where screens reign great and immediate connection drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within phrases usually move unheard. However, set within the pages of **Redcoats Yankees And Allies** a interesting fictional value pulsing with fresh emotions, lies an extraordinary quest waiting to be undertaken. Written by a skilled wordsmith, that enchanting opus encourages readers on an introspective journey, softly unraveling the veiled truths and profound influence resonating within the fabric of each word. Within the emotional depths of this emotional review, we shall embark upon a honest exploration of the book is key subjects, dissect its fascinating publishing model, and succumb to the strong resonance it evokes serious within the recesses of readers hearts.
