## **Reden Über Deutschland:**

**Zwölf Reden über die Beredsamkeit und deren Verfall in Deutschland** Adam Heinrich Müller (Ritter von Nitterdorf), 1920      Über Deutschland C. H. Moore, 2013-09-03 *Über Deutschland* A Reader on German Affairs is a collection of articles and essays from various German sources that can be used by students learning the German language The book contains a variety of extracts from public speeches official reports essays newspaper articles and interviews The text offers general knowledge and information on German affairs and public life These subjects of interests cover the social political legal economic and cultural scene in the German republic Some chapters contain English sentences that the student can use as an exercise in translating to German Each of the chapters includes a vocabulary list while an appendix at the end of the book contains a wider word list The book also presents a general view of the structure of government of Germany The selection can be used by students learning advanced German The text is designed to build the student's vocabulary and give him a balanced perspective of German affairs      **Seelenarbeit an Deutschland** , 2016-08-09 The last decade has undoubtedly been the most controversial in the long literary career of Martin Walser This volume presents a review of this career going far beyond short lived arguments to present an insightful overview of much of his work It considers not only major aspects of his writing covering both his literary beginnings and the most recent works but also different previously neglected features of his persona and his writing namely his activity as a university teacher and his art criticism In addition fruitful comparisons are made with other writers such as Proust Grass and Uwe Johnson At the same time recent controversies are also considered with major attention being paid to Walser's public speeches and those works of fiction which have been seen by some as demanding the end of German self recriminations over the Nazi past This volume is unique in that much space is devoted to both sides of the argument It will provide stimulating reading to all those interested in Germany and German literature      *A Nation of Victims?* Helmut Schmitz, 2007 The re emergence of the issue of wartime suffering to the fore of German public discourse represents the greatest shift in German memory culture since the Historikerstreit of the 1980s The international attention and debates triggered by for example W G Sebald's *Luftkrieg und Literatur* G nter Grass's *Im Krebsgang* J rg Friedrich's *Der Brand* testify to a change in focus away from the victims of National Socialism to the traumatic experience of the perpetrator collective and its legacies The volume brings together German English and Israeli literary and film scholars and historians addressing issues surrounding the representation of German wartime suffering from the immediate post war period to the present in literature film and public commemorative discourse Split into four sections the volume discusses the representation of Germans as victims in post war literature and film the current memory politics of the Bund der Vertriebenen the public commemoration of the air raids on Hamburg and Dresden and their representation in film photography historiography and literature the impact and reception of W G Sebald's *Luftkrieg und Literatur* the representation of flight and expulsion in contemporary writing the problem of empathy in

representations of Germans as victims and the representation of suffering and National Socialism in Oliver Hirschbiegel's film *Der Untergang* *The Language of Silence* Ernestine Schlant, 2004-11-23 Focusing on individual authors from Heinrich Boll to Gunther Grass Hermann Lenz to Peter Schneider *The Language of Silence* offers an analysis of West German literature as it tries to come to terms with the Holocaust and its impact on postwar West German society Exploring postwar literature as the barometer of Germany's unconsciously held values as well as of its professed conscience Ernestine Schlant demonstrates that the confrontation with the Holocaust has shifted over the decades from repression circumvention and omission to an open acknowledgement of the crimes Yet even today a language of silence remains since the victims and their suffering are still overlooked and ignored Learned and exacting Schlant's study makes an important contribution to our understanding of postwar German culture *From Hitler to Heimat* Anton Kaes, 1989 Examines changing attitudes among Germans as evident in films of the modern German era leading away from guilt and atonement and seeking national identity

*New Critical Perspectives on Martin Walser* Frank Pilipp, 1994 Critical essays on contemporary German novelist Martin Walser born 1927 is one of the most prolific contemporary German novelists and one with a place in world literature His work provides an astute critical commentary in novelistic form on postwar Germany The present volume comprises essays by eleven Walser experts on various aspects of his writings with concentration on the novels of the last 15 years books such as *Runaway Horse* 1978 *The Inner Man* 1979 *The Swan Villa* 1980 *Letter to Lord Liszt* 1982 and *In Defense of Childhood* 1991 Parallels and influences discussed in these studies include Schiller Richardson Hofmannsthal Kafka Thomas Mann Marcel Proust Updike Brecht and Walter Kempowski *Uniting Germany* Pekka Kalevi Hamalainen, 2019-03-18 This is an account of the dramatic events leading to the reunification of Germany The author looks into the complex intertwining of popular action national politics and international moves that culminated in the historic events of 1989 After providing a brief historical background the author analyzes the sequence of events in East Germany the interplay between East German discontent and Bonn's policies and Chancellor Kohl's role in mobilizing domestic and international support for reunification Paying special attention to the attitudes and actions of other powers particularly Russia the author provides a detailed look at the decisive negotiations with Gorbachev that cleared the way for German reunification The book combines action on the streets with cabinet politics and the challenge of balancing domestic priorities with international concerns *Germany Divided* A. James McAdams, 2020-12-08 *Germany Divided* remains one of the most thought provoking and comprehensive interpretations of the forty year relationship between East and West Germany and of the problems of contemporary German unity In this politically controversial and analytically sophisticated account A. James McAdams dissects the complex process by which East and West German leaders moved over the years from first pursuing the ideal of German unity to accepting what they believed to be the inescapable reality of division and then finally to meeting the challenges of an unanticipated reunification This new edition contains an epilogue in which McAdams considers some of the political and economic

problems faced by eastern and western Germans as they entered their fourth year of living together      **Cultural Link**

**Kanada, Deutschland** David Gethin John, 2003 Das Buch ist der erfolgreichen Geschichte eines akademischen Austauschs gewidmet Es dokumentiert die Magister und Doktorarbeiten mit denen mehr als 100 Studierende einen doppelten Studienabschluss erlangten einen deutschen und einen nordamerikanischen Titel Die Beiträge reflektieren persönliche Erfahrungen entwickeln innovative Konzepte interkulturellen Lehrens und Lernens analysieren linguistische und gesellschaftliche Aspekte des Kulturkontakts Intertextualität Austauschprozesse sowie Kooperation und Partnerschaft für große kulturelle Inszenierungen      **Alternative für Deutschland: The AfD** Thomas Klikauer, 2020-02-21 Right wing populism has been on the rise in Europe and elsewhere Germanys foremost populist party is called Alternative for Germany AfD Founded in 2013 and entering Germanys federal parliament in 2017 the AfD increasingly moved towards right wing extremism Today the party is Germanys most successful nationalistic party Following the populist playbook the AfD started off with a simple neoliberal and anti Europe message but soon moved towards the extreme right By 2017 the AfDs ultra nationalistic wing had successfully outmanoeuvred the partys moderate and neoliberal leader Frauke Petry Written from the standpoint of openness pluralism liberalism and democracy this book examines the AfDs rise to fame its successes and the partys ideological links dating back to German Nazism of the 1930s The author illuminates the partys ideological and institutional links to present day Neo Nazis its close associations to the right wing street movement Pegida the recruitment of right wing extremists and former Neo Nazis into its parliamentary ranks its xenophobic anti Muslim racist and anti Semitic ideologies and its relationship to the neo fascist Identity Movement A historical overview positions the AfD within Germanys political landscape The work engages with the make up of AfD voters and electoral successes the partys relationship to anti-Semitism and its dreams of re-establishing a mythical Aryan Volksgemeinschaft Close attention is paid to the AfDs demagogic and nationalistic leader Bjoern Hoecke as well as the partys admiration for the radical right of neighbouring Austria A final chapter examines the fascist character of the AfD as measured against Umberto Eco's fourteen elements of Ur Fascism Three questions are posed Will the AfD lead to the end of German democracy Is Germany moving towards another Third Reich Is there another Hitler in the making      After 1989 Ralf Dahrendorf, 1997-10-13 The essays assembled in this volume are a thoughtful and lively commentary on Europe after the revolution of 1989 Must revolutions fail Certainly the open society has its own problems not least that of citizens in search of meaning The Good Society has to square the circle of prosperity civility and liberty Social science can help us understand what needs to be done and intellectuals have a responsibility to initiate and accompany change All this raises questions for Europe which extend far beyond the all too narrow confines of the European Union      ... Catalogue of Printed Books British Museum. Department of Printed Books, 1901      Starting from Language Nina Schallenberg, 2021-01-01 1985 u. erte Joseph Beuys in der Reihe Reden über das eigene Land Deutschland an den Münchner Kammerspielen dass er sein Werk von der Sprache aus entwickelt habe Er verstand die Sprache den

bildnerischen Gestaltungsmitteln ebenfalls als plastisches Material durch das jede Einzelne und jeder Einzelne körperlich intellektuell und kommunikativ an der Neuordnung der Gesellschaft teilhaben können Seine Auseinandersetzung mit Sprache reicht vom Schweigen bis zur stundenlangen Diskussion von animalisch klingenden Lauten bis zu präzisen Begriffserörterungen und verrät seltenen Schriften Entsprechend gliedern sich die Kapitel in die Themen Schweigen Laute Begriffe Schrift Geheimnis Legende und Sprechen Ausstellung und Katalog versammeln Skulpturen Zeichnungen Installationen Filme Plakate und Dokumente aus den Beständen der Nationalgalerie der Sammlung Marx des Kupferstichkabinetts und der Kunstbibliothek der SMB

**The First World War and German National Identity** Jan Vermeiren, 2016-07-18 An innovative study of the impact of the wartime alliance between Imperial Germany and Austria-Hungary on German national identity

Host Bibliographic Record for Boundwith Item Barcode 30112072131219 and Others, 1846

*The German Melting Pot* W. Zank, 1998-08-10 From medieval times until today Germany has been a cocktail of very different peoples and cultural groups The components of the cocktail have changed but not Germany's character as such The many cultural divides have often led to conflict once even to genocide but surprisingly often cooperation or at least peaceful coexistence has been the characteristic feature Against the background of a graphic historical survey the author analyzes the factors which have made cooperation possible or conversely have produced conflicts

Classical Rhetoric and the German Poet Anna Carrdus, 2017-12-02 This study relates theory to the details of poetic practice it presents Opitz Burger and Eichendorff as representatives of their times and demonstrates how they adapt the classical arts to their particular talents and beliefs All three poets are shown at work within a tradition flexible enough to persist even into the present The author shows how the influence of rhetoric on German poetry did not vanish in the mid 18th century as is widely supposed The first chapter briefly compares theoretical statements by Martin Opitz and the 20th century poet Peter Rühmkorf it uses the comparison to introduce two main arguments that classical rhetoric and poetics exert a persistent though constantly changing influence on the composition of German poetry and that the theoretical precepts and natural talent are mutually interdependent These arguments are developed through the examination of works by three German poets taken from periods of major literary change Opitz is representative of the Baroque Burger of the Sturm und Drang and Eichendorff of Romanticism Three main chapters reconstruct the working method of each poet applying his own theory and that of near contemporaries to detailed analysis of one of two of his poems This procedure illustrates how each poet adapts rhetorical and poetic traditions to his own personal talent and to the literary preoccupations of his time

The Search for Normality Stefan Berger, 2003-09-01 The Historikerstreit of the 1980s has ended inconclusively amidst heated debates on the nature and course of German national history The author follows the debates beyond the unexpected reunification of the country in 1990 and analyzes the most recent trends in German historiography Reunification he observes has brought in its wake an urgent

search for the normality of the nation state For anyone interested in the development of the national master narrative in more recent German historiography this book will provide an essential guide through the multitude of historical debates surrounding the nation state
