A Theological Examination of Symbolism in Ezekiel with Emphasis on the Shepherd Metaphor Joel K. T. Biwul,2013-12-14 This book addresses one of the ever aching problems of human society failed leadership in secular and sacred domains It points out from Ezekiel's use of symbolism and shepherd motif what society stands to suffer and or lose under a bad human leadership structure and bad governance This plays out in the book's x ray of the characteristics of sheep needing a shepherd Dr Biwul contends that Ezekiel used symbolic sign acts to indict both Israel's bad and imperfect human shepherds as well as the Babylonian exiles as being responsible for their plight for not upholding

the norms of Deuteronomic theology Particularly he argues forcefully from Ezekiel s shepherd motif that a major factor responsible for the exile of Israel as a covenant community is the massive failure of its bad and imperfect human shepherds who did not possess the requisite shepherding qualities inherent in Yahweh as chief shepherd of Israel Biwul therefore draws particular attention to the reality of Ezekiel s use of the recognition formula when Yahweh acts at last to restore his people This is rooted in the theological eschatological motif which would come to its full reality in the anticipated eschatological community when Yahweh would shepherd his people

The Vulgarization of Christ's Church Ronnie W. Rogers,2017-04-14 This book seeks to clarify and demonstrate the incalculable and injurious influence that progressive education has had and is having upon preaching thinking Christianly and the local church Progressive education began at the turn of the twentieth century replacing classical education with what is purportedly a science based education which necessarily results in scientism This seismic shift in public education has not only affected what we learn but how we think In order to enable the church to detect progressivism s deleterious sway and protect herself by being equipped with the progressive revelation of God and thereby counter the influence of progressive education of man I seek to highlight some of the underlying intolerable essentials of progressive education In the companion book to this one *The Equipping Church Somewhere Between Fundamentalism and Fluff* I explain the biblical model for the local church and how to build such a church
