Winter Tara Sosa,2019-11-11 She threw on armor While I lost any shred of what I once was Fuck love That s what we both said What we both meant We felt it bone deep Core deep Soul deep And then we started to feel other things Or at least I did I thought she did too But she didn t Because if she did She wouldn t have broken my heart Shattered me into nothingness Turned me into something I don t recognize We both said it Fuck love Too bad the universe didn t listen Because I fell for the girl The girl who only wants to be my friend The girl who doesn t want to love me back She destroyed me And instead of walking away letting it go burying the hurt deep I decided to burn my whole world to the ground He let me see the real him And I completely lost the real me Fuck love That s what we both said What we both meant We felt it bone deep Core deep Soul deep And then Jackson Raines made me start to feel other things Things I didn t want to feel Things I never wanted to feel again Thing I have never felt So I lied I ran I shattered Him Me And then I became numb We both said it Fuck love It hurts It kills It destroys It makes you believe in lies Too bad we didn t listen We fell And we fell apart He tried to burn the whole world to the ground to survive And me We ll just have to wait and see **Church Abuse of Clergy** Gene

Fowler,2020-03-09 Imagine receiving a shocking email from a church member stating that you the pastor have mishandled church funds and that you should resign for the good of the congregation Soon you discover that the church member sent the email to many other church members Additional lies will follow until the fateful day comes when the members vote to fire you or the bishop dismisses you or you resign for sheer survival You are experiencing church abuse of clergy which is the topic of this book Clergy will gain an entirely new understanding of church abuse of clergy that afflicts many pastors and their loved ones by reading this book The view of church abuse of clergy being presented is a new paradigm that challenges older explanations of the church abuse This book shows that clergy must begin collaborating in order to discover effective solutions to the church abuse of clergy problem Clergy must become empowered to confront the church at all levels and

support one another in the face of church abuse of clergy A very toxic ministry situation exists throughout the United States and internationally which must be challenged *Skunk Hollow* Charles Brackner,2012-02-22 This is a story that could happen to anyone but maybe only the lucky ones While vacationing in the mountains of southern Virginia I stumbled upon one of the riches gold deposit in this country This is a story of wealth friendships family and lots of luck After making the discovery of the gold We discovered there was lots of other treasures there also Such as large quartz slabs with gold veins running thru them and a very rare positive meteorite We discovered the meteorite causes our bodies to rejuvenate We felt and looked younger All of our aches and pains were gone It is a story of fulfilling some of the ideas that has been in my mind but I didn't know how these ideas could be put forward until I had the means to do them I think you will enjoy hearing about the silo houses the bridge and how we keep our discoveries quite You will enjoy the characters in this book You might recognize yourself or you can relate to most of them The ending is not a surprise but the way you would like for your lives story to end

An Imitation of Life Karma Eastwick,2016-06-11 In New York City Broadway actor Mars Manchester faces two dilemmas one professional the other personal Although the handsome and talented thespian is discreet yet openly gay when it comes to his family friends and agent he knows his sexual orientation could have a negative impact on landing roles in other mediums Now that he's starting to branch off into movie and television work he worries some producers might hesitate to hire a gay man as a romantic lead if word ever got out So when Mars lands the role of Wave Benson a new gay character on the long running daytime soap opera *Destiny's Storm* a controversial role that could prove challenging and rewarding and shift his career into high gear he remains fearful that he could get typecast like so many other actors in the business And when it comes to his personal life Mars battles to hold his feelings in check when he falls hopelessly in love with his roommate another actor by the name of Reed Keeting Unfortunately there's one major stumbling block Reed is straight And to make matters even worse the man has an annoying girlfriend who not only senses Mars's secret crush on her lover but delights in making his life miserable at every opportunity Yet when conversations lead Mars to believe his sexy roommate is perhaps not as straight as he appears he can't help recalling his last relationship one with another straight man that ended in utter disaster Will Mars ever find the courage to follow his heart and explore the possibilities of a fulfilling relationship with Reed or will he remain miserable allowing one bad love affair to dictate his future Or will his storyline on *Destiny's Storm* which often seems an imitation of his personal life give him added encouragement to seek happiness once and for all especially when Reed also snags a coveted role on the soap to play his gay lover Daytime soaps will never be the same
