It features clear easy to follow Maori English and English Maori sections with the Maori and English alphabets at the top of each page all the words a learner is likely to encounter including contemporary usage and modern terms a section of themed word lists including days of the week months of the year numbers cities of New Zealand colours emotions actions parts of the body in the classroom and on the marae      **Illustrated Māori dictionary**, 2022

In compiling this dictionary A W Reed set out to entertain as well as educate. Its succinct entries encompass modern and traditional M ori language and customs as do the fine illustrations by Roger Hart. These M ori to English definitions delve into a variety of associated meanings and derivations providing interest for either beginning or more advanced speakers of te reo. The new Illustrated M ori Dictionary preserves the retro feel of the 1965 original including its early adoption of macrons to mark long vowels and indication of transliterated words. The text has been updated to reflect modern scholarship and language use. Not only a handy reference work this corrected facsimile edition represents a classic of Kiwi publishing.
