Reefer Warrior:

Reefer Warrior K. Hawkeye Gross, 1998-01-01 This is the outrageous story of how Hawkeye went from flying combat missions in Vietnam to smuggling dope by the boat and plane load into the U S from Colombia His amusing reflections of his adventures and misadventures offer a vivid and accurate portrayal of the drug smuggling world of the late 1960s and 1970s with its colorful cast of war heroes dealers middlemen and addicts

A Warrior's Heart Tim Mehl, 2017-02-12 A Warrior's Heart is the spiritual autobiography of Tim G Mehl In it he shares about his struggles with ADD ADHD as a child in a time when schools and parents did not know how to handle a child with these issues This along with a difficult home life created feelings of self worthlessness and a low self esteem that led him toward the hippie movement of the 60s His story takes you through those hippie years along with the beginning of drug use and eventually dropping out of high school to enlist in the United States Navy He goes into great detail of the verbal abuse he sustained by his father as well as the serious respiratory illness of his mother who passed away just five days before his fifteen birthday When suicide seemed to be the only answer for his pain and hurt he found the love of God on the very day that he decided to kill himself He shares the incredible things that the Lord did in him for him and through him which eventually led him to become a peace officer with almost a thirty year law enforcement career He shares stories of God's protection even when he wasn't walking his Christian witness Near death experiences and how God protected him and kept him safe on the streets throughout his career as well as during his 10 year assignment working undercover Tim also shares his healing from the wounds and scars left by his feelings of failure rejection and worthlessness that penetrated deep into his heart By learning to forgive and receive forgiveness Tim takes you through his discovery of understanding and knowing God as his heavenly Father who has never rejected him or thought of him as a failure or worthless Becoming an ordained minister in 2004 God is using Tim and his wife Myrth in various areas of ministry within their church I have no doubt whatsoever that there are young people out there who are going through some of the exact things that I went through If this book about my testimony can reach just one person for Jesus Christ then everything that I ever went through was worth it I'd do it all over again if just one person comes to know Jesus as Lord and Savior

Marijuana Boom Lina Britto, 2020-03-24 Before Colombia became one of the world's largest producers of cocaine in the 1980s traffickers from the Caribbean coast partnered with American buyers in the 1970s to make the South American country the main supplier of marijuana for a booming US drug market fueled by the US hippie counterculture How did Colombia become central to the creation of an international drug trafficking circuit Marijuana Boom is the story of this forgotten history Combining deep archival research with unprecedented oral history Lina Britto deciphers a puzzle Why did the Colombian coffee republic a model of Latin American representative democracy and economic modernization transform into a drug paradise and at what cost

Rainbow Warriors Maite Mompo, 2014-10-20 Following the lives of the three ships with the name Rainbow Warrior this book written by a long serving Greenpeace activist tells the inside stories of life on

board and recounts some of the ship's most exciting adventures and actions. It is at once a narrative of real life on board a history of some of the most famous vessels in the world and also a history of Greenpeace itself which goes beyond the oceans and touches on many aspects of the organization's work. In the end though it aims to bring out the personal stories and firsthand accounts of the ship's adventures, tales from the high seas full of action and daring but also of humanity and great compassion. Starting with the early life of Greenpeace and the bombing of the Rainbow Warrior I by the French secret service through to the imprisonment of the Arctic 30 by the Russians the stories are brought to life with photos from the Greenpeace archives, maps and nautical charts. The most symbolic items belonging to the ship's historical inventory are also included. Maite Mompo has been a Greenpeace activist for over ten years. With the sea in her blood she started on a small boat the Zorba and then moved on to crew for the Arctic Sunrise, Esperanza and Rainbow Warrior. Spending half her year at sea she has sailed from pole to pole, taken part in numerous actions and has put herself between the harpoon and the whale.

Reefer and Rifleman: a Tale of the Two Services John Percy Groves, 1887 **Drug Wars** Curtis Marez, 2004. Inaugurated in 1984 America's War on Drugs is just the most recent skirmish in a standoff between global drug trafficking and state power. From Britain's nineteenth century Opium Wars in China to the activities of Colombia's drug cartels and their suppression by U.S. backed military forces today conflicts over narcotics have justified imperial expansion, global capitalism and state violence even as they have also fueled the movement of goods and labor around the world. In *Drug Wars* cultural critic Curtis Marez examines two hundred years of writings, graphic works, films and music that both demonize and celebrate the commerce in cocaine, marijuana and opium providing a bold interdisciplinary exploration of drugs in the popular imagination. Ranging from the writings of Sigmund Freud to pro drug lord Mexican popular music, gangsta rap and Brian De Palma's 1983 epic *Scarface* *Drug Wars* moves from the representations and realities of the Opium Wars to the long history of drug and immigration enforcement on the U.S. Mexican border and to cocaine use and interdiction in South America, Middle Europe and among American Indians. Throughout Marez juxtaposes official drug policy and propaganda with subversive

images that challenge and sometimes even taunt government and legal efforts As Marez shows despite the state's best efforts to use the media to obscure the hypocrisies and failures of its drug policies be they lurid descriptions of Chinese opium dens in the English popular press or Nancy Reagan's Just Say No campaign marginalized groups have consistently opposed the expansion of state power that drug traffic has historically supported Curtis Marez is assistant professor of critical studies at the University of Southern California School of Cinema Television **Rattlin, the Reefer** Frederick Marryat, 1870

The Herd Register of the American Guernsey Cattle Club, 1929 **In Pursuit of Giants** Matt Rigney, 2017-04-04

For millennia the great fish marlin, bluefin tuna, and swordfish have reigned over the world's oceans and awed human beings. Naturalists, photographers, sportfishermen, and writers from Zane Grey to Ernest Hemingway have been inspired by their beauty, power, and sheer size. But like much other marine life today, these fish face perilous reductions in their populations due to destructive and illegal fishing, inept fisheries management practices, and dramatic changes in ocean ecology including those wrought by climate change. *In Pursuit of Giants* is a moving elegy and a call to arms for the protection of these creatures, as well as a five-year 75,000-mile global adventure story that takes author Matt Rigney on a quest to discover how once thriving species are now threatened. Rigney's pilgrimage to encounter these giants takes him from the sportfishing mecca of Cabo San Lucas to the Great Barrier Reef, from New Zealand to Nova Scotia, Japan, and the Mediterranean, as he joins commercial and sport fishermen, marine biologists, fish farming pioneers, and ocean activists to investigate the dangers these species face and the various efforts being made or not to protect them.
