My Religion: Reel Or Real? Benjamin A. Vima, 2013-09 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Faith I wanted to examine whether the religion I practice personally was real or reel tTrue or false gGenuine or false aAuthentic or artificial hHeartfelt or routine fFruitful or poisonous oOriginal or counterfeit sSingle hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the genuineness of my religious holdings and practices Though I began 10ten years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing one s own faith This is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion

 Reta Halteman Finger,2007 Though community has become a common byword in the contemporary Western church the
 practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting
 because we no longer come together Reta Halteman Finger finds a solution to this modern problem by learning from the
 ancient Mediterranean Christian culture of community In the earliest Jerusalem church in holding the responsibility for
 preparing and serving communal meals women were given a place of honor With the table fellowship and goods sharing of
 the early church Luke says there were no needy persons among them Acts 4 34 Finger thoroughly examines this agape meal
 tradition challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the
 communal sharing lasted for hundreds of years longer than previously assumed Of Widows and Meals begins a discussion of
 need in community that can revolutionize the contemporary church s interaction with the world at large **The Spirit**
