Reel Characters Great Movie Character Actors:

Reel Characters Jordan R. Young, 1986 Beyond the Stars: Stock characters in American popular film Paul Loukides, Linda K. Fuller, 1990 The third of five volumes of new scholarship on American movie conventions The 19 essays explore cinematic representations of such material items as food weapons clothing tools technology and art and literature Not illustrated No index Paper edition unseen 13 95 Annotation copyright by Book News Inc Portland OR *Actresses of a Certain Character* Axel Nissen, 2007 Information presented regarding birth death film credits and analyzes each player's unique talents signature roles and career development Representative range of backgrounds character types and career experiences including actresses such as Agnes Moorehead Thelma Ritter Beulah Bondi Sara Allgood and Jessie Ralph among others A fascinating tour through Hollywood's big studio era and the lives of its characters Provided by publisher **Below the Stars** Kate Fortmueller, 2021-07-13 Despite their considerable presence in Hollywood extras and working actors have received scant attention within film and media studies as significant contributors to the history of the industry Looking not to the stars but to these supporting players in film television and recently streaming programming *Below the Stars* highlights such actors as precarious laborers whose work as freelancers has critically shaped the entertainment industry throughout the twentieth and twenty first centuries By addressing ordinary actors as a labor force Kate Fortmueller proposes a media industry history that positions underrepresented and quotidian experiences as the structural elements of the culture and business of Hollywood Resisting a top down assessment Fortmueller explores the wrangling of labor unions and guilds that advocated for collective action for everyday actors and helped shape professional norms She pulls from archival research in person interviews and firsthand observation to examine a history that cuts across industry boundaries and situates actors as a labor group at the center of industrial and technological upheavals with lasting implications for race gender and labor relations in Hollywood *Of Gods and Monsters* John T. Soister, 2015-09-18 While Universal's *Dracula* and *Frankenstein* both 1931 have received the most coverage of any of the studio's genre releases it is the lesser known films that have long fascinated fans and historians alike Starting with *The Last Warning* a 1929 movie released as both a silent and a talkie Universal provided a decade of films that entertained audiences and sometimes frustrated critics Each of Universal's horror science fiction and twisted mystery films receives an in depth essay for each film The focus is first on the background to the making of the movie and its place in the Universal catalog A detailed plot synopsis with critical commentary follows Filmographic data for the film conclude the entry Universal's *The Shadow* short film series is covered in an appendix Many rare illustrations and movie posters are also included **Nancy Reagan** James G. Benze, 2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband's casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James

Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office s closed doors unafraid to take on Donald Regan or Oliver North He documents her clear influence on presidential appointments links her quirky penchant for astrology to her show business past and traces the creation of the Just Say No program to her years in Sacramento showing that it far exceeded the public relations motivation that her detractors claimed Benze reveals how living on a public stage exacerbated the problems in the Reagans relationship with their children which went from bad to worse during the White House years He also covers Nancy Reagan s post Washington life including her vigilant care of the president as he struggled with Alzheimer s disease and her subsequent advocacy of stem cell research that put her at odds with the GOP While Ronald Reagan was the star performer of his presidency his wife glided elegantly at his side as an accomplished co star Benze s book strikes a balance between the images of adoring helpmate and manipulative manager showing us the woman behind the stereotypes and offering a more objective understanding of her place in the history of presidential wives

International Dictionary of Films and Filmmakers:

Reel Inequality Nancy Wang Yuen, 2016-12-12 When the 2016 Oscar acting nominations all went to whites for the second consecutive year OscarsSoWhite became a trending topic Yet these enduring racial biases afflict not only the Academy Awards but also Hollywood as a whole Why do actors of color despite exhibiting talent and bankability continue to lag behind white actors in presence and prominence Reel Inequality examines the structural barriers minority actors face in Hollywood while shedding light on how they survive in a racist industry The book charts how white male gatekeepers dominate Hollywood breeding a culture of ethnocentric storytelling and casting Nancy Wang Yuen interviewed nearly a hundred working actors and drew on published interviews with celebrities such as Viola Davis Chris Rock Gina Rodriguez Oscar Isaac Lucy Liu and Ken Jeong to explore how racial stereotypes categorize and constrain actors Their stories reveal the day to day racism actors of color experience in talent agents offices at auditions and on sets Yuen also exposes sexist hiring and programming practices highlighting the structural inequalities that actors of color particularly women continue to face in Hollywood This book not only conveys the harsh realities of racial inequality in Hollywood but also provides vital insights

from actors who have succeeded on their own terms whether by sidestepping the system or subverting it from within Considering how their struggles impact real world attitudes about race and diversity *Reel Inequality* follows actors of color as they suffer strive and thrive in Hollywood *Beulah Bondi* Axel Nissen,2021-05-12 Best known for her roles in *Mr Smith Goes to Washington* *It s a Wonderful Life* and *Make Way for Tomorrow* Beulah Bondi 1889 1981 had a 60 year long acting career and an interesting on screen life Despite starting her professional acting career at 30 she made her mark on the film industry as a character actress Before making a name for herself on screen she worked at the Stuart Walker stock company and performed on Broadway This biography is the first to unpack Bondi s life before and throughout her film career This work also explores Bondi s early family life in Indiana with a Jewish underwear salesman and a Presbyterian poet for parents
