Jewish Displaced Persons in Italy 1943-1951 Chiara Renzo, 2023-08-04 This book focuses on the experiences of thousands of Jewish displaced persons (DPs) who lived in refugee camps in Italy between the liberation of the southern regions in 1943 and the early 1950s waiting for their resettlement outside of Europe. It explores the Jewish DPs' daily life in the refugee camps and what this experience of displacement meant to them. This book sheds light on the dilemmas the Jewish DPs faced when reconstructing their lives in the refugee camps after the Holocaust and how this challenging process was deeply influenced by their interaction with the humanitarian and political actors involved in their rescue, rehabilitation, and resettlement. Relating to the peculiar context of post-fascist Italy and the broader picture of the postwar refugee crisis, this book reveals overlooked aspects that contributed to the making of an incredibly diverse and lively community in transit, able to elaborate new paradigms of home, belonging, and family.

FDR and the Jews Richard Breitman, Allan J. Lichtman, 2013-03-19 A contentious debate lingers over whether Franklin Delano Roosevelt turned his back on the Jews of Hitler's Europe. FDR and the Jews reveals a concerned leader whose efforts on behalf of Jews were far greater than those of any other world figure, but whose moral leadership was tempered by the political realities of depression and war.

Jewish Forced Labor in Romania, 1940-1944 Dallas Michelbacher, 2020-05-05 This study of the Antonescu regime's forced labor system offers precious insights to historians and social scientists alike. Dennis Deletant, author of *Ion Antonescu: Hitler's Forgotten Ally*, Between Romania's entry into World War II in 1941 and the ouster of dictator Ion Antonescu three years later, over 105,000 Jews were forced to work in internment and labor camps, labor battalions, government institutions, and private industry. Particularly for those in the labor battalions, this period was characterized by extraordinary physical and psychological suffering, hunger, inadequate shelter, and dangerous or even deadly working conditions. And yet, the situation that arose from the combination of Antonescu's paranoias and the peculiarities of the Romanian system of forced labor organization meant that most Jewish laborers survived.

Jewish Forced Labor in Romania explores the ideological and legal background of this system of forced labor, its purpose, and its evolution. Author Dallas Michelbacher examines the relationship between the system of forced labor and the Romanian government's plans for the solution to the Jewish question. In doing so, Michelbacher highlights the key differences between the Romanian system of forced labor and the well-documented use of forced labor in Nazi Germany and neighboring Hungary.

Jewish Forced Labor in Romania explores the internal logic of the Antonescu regime and how it balanced its ideological imperative for antisemitic persecution with the economic needs of a state engaged in total war whose economy was still heavily dependent on the skills of its Jewish population.

Dark Times, Dire Decisions Jonathan Frankel, 2005-05-19 The newest volume of the annual *Studies in Contemporary Jewry* series features essays on the varied and often controversial ways Communism and Jewish history interacted during the 20th century. The volume's contents examine the relationship between Jews and the Communist movement in Poland, Russia, America, Britain, France, the Islamic world, and Germany.

The Warsaw Ghetto in American Art and Culture Samantha Baskind, 2018-02-15 On the eve of Passover April 19

1943 Jews in the Warsaw Ghetto staged a now legendary revolt against their Nazi oppressors Since that day the deprivation and despair of life in the ghetto and the dramatic uprising of its inhabitants have captured the American cultural imagination The Warsaw Ghetto in American Art and Culture looks at how this place and its story have been remembered in fine art film television radio theater fiction poetry and comics Samantha Baskind explores seventy years worth of artistic representations of the ghetto and revolt to understand why they became and remain touchstones in the American mind Her study includes iconic works such as Leon Uris's best selling novel *Mila 18* Roman Polanski's Academy Award winning film *The Pianist* and Rod Serling's teleplay *In the Presence of Mine Enemies* as well as accounts in the *American Jewish Yearbook* and the *New York Times* the art of Samuel Bak and Arthur Szyk and the poetry of Yala Korwin and Charles Reznikoff In probing these works Baskind pursues key questions of Jewish identity What links artistic representations of the ghetto to the Jewish diaspora How is art politicized or depoliticized Why have Americans made such a strong cultural claim on the uprising Vibrantly illustrated and vividly told *The Warsaw Ghetto in American Art and Culture* shows the importance of the ghetto as a site of memory and creative struggle and reveals how this seminal event and locale served as a staging ground for the forging of Jewish American identity Jacob H. Schiff Naomi Wiener Cohen, 1999 A study emphasizing the role that Jacob Schiff played as the preeminent leader of American Jewry at the turn of the century

Propaganda and Persecution Renée Poznanski, 2024-01-23 Renée Poznanski's magisterial history of the French Resistance during World War II offers a comprehensive exploration of the most significant issue in that period's social imaginary the Jewish question With extraordinary nuance she analyzes the discourse around Jews and Judaism that pervaded the Resistance's propaganda and debates while closely examining the fate of Jews under Vichy and after Poznanski argues that Jews in France suffered a double persecution one led by the Vichy government the other imposed by the Nazis Marginalization and exclusion soon led to internment and deportation to terrifying places Meanwhile a propaganda war developed between the Resistance and the official voice of Vichy Poznanski draws on a breathtaking array of sources especially clandestine publications and French language BBC transmissions to show how the Resistance both fought and accommodated the deeply entrenched antisemitism within French society Her close readings of propaganda texts against public opinions probe ambiguities and silences in Resistance writing about the persecution of the Jews and in parallel the numerous and detailed denunciations that could be read in the Jewish clandestine press This extensive synthesis extends to the post Liberation period during which the ongoing persecution of Jews in Europe and North Africa would be portrayed as secondary to the suffering of the nation The winner of the 2009 Henri Hertz Prize by the Chancellerie des Universités de Paris *Propaganda and Persecution* makes major contributions to the study of the Resistance and of antisemitism Lenn J Schramm's English translation brings Poznanski's dynamic prose to life **American Jewish Archives**, 1983 **Labor in Retreat** Youngsoo Bae, Y?ng-su Pae, 2001-09-27

Offers a fresh perspective on the origins of business unionism **Vilnius between Nations, 1795-2000** Theodore R. Weeks, 2015-12-04 The inhabitants of Vilnius the present day capital of Lithuania have spoken various languages and professed different religions while living together in relative harmony over the years The city has played a significant role in the history and development of at least three separate cultures Polish Lithuanian and Jewish and until very recently no single cultural linguistic group composed the clear majority of its population Vilnius between Nations 1795 2000 is the first study to undertake a balanced assessment of this particularly diverse city Theodore Weeks examines Vilnius as a physical entity where people lived worked and died as the object of rhetorical struggles between disparate cultures and as a space where the state attempted to legitimize a specific version of cultural politics through street names monuments and urban planning In investigating these aspects Weeks avoids promoting any one national narrative of the history of the city while acknowledging the importance of national cultures and their opposing myths of the city's identity The story of Vilnius as a multicultural city and the negotiations that allowed several national groups to inhabit a single urban space can provide lessons that are easily applied to other diverse cities This study will appeal to scholars of Eastern Europe urban studies and multiculturalism as well as general readers interested in the region **The Disentanglement of Populations** J. Reinisch, E. White, 2011-01-26 An examination of population movements both forced and voluntary within the broader context of Europe in the aftermath of the Second World War in both Western and Eastern Europe The authors bring to life problems of war and post war chaos and assess lasting social political and demographic consequences *The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945: Volume III* Geoffrey P. Megargee, Joseph R. White, Mel Hecker, 2018-04-21 Accounts of significant sites in Hungary Vichy France Italy and other nations part of the multi volume reference praised as a staggering achievement Jewish Daily Forward This third volume in the monumental seven volume encyclopedia prepared by the Jack Joseph and Morton Mandel Center for Advanced Holocaust Studies at the United States Holocaust Memorial Museum offers a comprehensive account of camps and ghettos in or run by Croatia Hungary Italy Romania Bulgaria Slovakia and Vichy France including North Africa Each entry discusses key events in the history of the ghetto living and working conditions activities of the Jewish Councils Jewish responses to persecution demographic changes and details of the ghetto's liquidation Personal testimonies help convey the character of each ghetto while source citations provide a guide to additional information Documentation of hundreds of smaller sites previously unknown or overlooked in the historiography of the Holocaust make this an indispensable reference work on the destroyed Jewish communities of Eastern Europe **The Jews of North America** Multicultural History Society of Ontario, 1987 The Jews of North America based on the latest research by fifteen historians and scholars from Canada Israel and the United States is the first book to focus on the ethnic totality of the American and Canadian Jewish experience The book blends a rich array of interrelated themes into a composite whole that is central to an understanding of North American Jewish history The emphasis on

continuity of tradition in these essays counters the prevailing myth of discontinuity which promotes the notion of the great sense of separation Jews felt from the world we have lost The volume also provides an interesting comparative dimension by examining the similarities and dissimilarities of the American Jewish immigrant experience in both Canada and the United States From Kaifeng to Shanghai Roman Malek, 2017-07-05 The collection presents the proceedings of the international colloquium held in Sankt Augustin in 1997 and additional materials The articles are written in English German or Chinese with English abstracts The volume includes a general index with glossary **The United States and the Rise of Tyrants** Lawrence E. Gelfand, John Day Tully, 2019-10-29 Nationalist dictatorships proliferated around the world during the interwar years of the 1920s and 1930s Policymakers in Washington D C reasoning that non Communist regimes were not necessarily a threat to democracy or national interests found it expedient to support them People living under these governments associated the United States with their oppressors with long term negative consequences for U S policy American policymakers were primarily concerned with fostering stability in these countries The dictatorships eager to maintain political order and create economic growth looked to American corporations and bankers whose heavy investments cemented the need to support the regimes Through an examination of consular records in nine countries the author describes the logistics and consequences of these relationships *The Greater German Reich and the Jews* Wolf Gruner, Jörg Osterloh, 2015-01-01 Between 1935 and 1940 the Nazis incorporated large portions of Europe into the German Reich The contributors to this volume analyze the evolving anti Jewish policies in the annexed territories and their impact on the Jewish population as well as the attitudes and actions of non Jews Germans and indigenous populations They demonstrate that diverse anti Jewish policies developed in the different territories which in turn affected practices in other regions and even influenced Berlin s decisions Having these systematic studies together in one volume enables a comparison based on the most recent research between anti Jewish policies in the areas annexed by the Nazi state The results of this prizewinning book call into question the common assumption that one central plan for persecution extended across Nazi occupied Europe shifting the focus onto differing regional German initiatives and illuminating the cooperation of indigenous institutions

Jewish Films in the United States, 1976 Includes feature films Yiddish films Newsreels U S Army Stock Films related to Israel Television shows Israeli documentaries religious films and organizational films **Holocaust: Hitler, Nazism and the "racial state"** David Cesarani, Sarah Kavanaugh, 2004 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933 -1945: Volume II Geoffrey P. Megargee, Martin Dean, 2012-05-04 Stands without doubt as the definitive reference guide on this topic in the world today Holocaust and Genocide Studies This volume of the extraordinary encyclopedia from the United States Holocaust Memorial Museum offers a comprehensive account of how the Nazis conducted the Holocaust throughout the scattered towns and villages of Poland and the Soviet Union It covers more than 1 150 sites including both open and closed ghettos Regional essays outline the patterns of ghettoization in nineteen German

administrative regions Each entry discusses key events in the history of the ghetto living and working conditions activities of the Jewish Councils Jewish responses to persecution demographic changes and details of the ghetto s liquidation Personal testimonies help convey the character of each ghetto while source citations provide a guide to additional information Documentation of hundreds of smaller sites previously unknown or overlooked in the historiography of the Holocaust make this an indispensable reference work on the destroyed Jewish communities of Eastern Europe A very detailed analysis and history of the events that took place in the towns villages and cities of German occupied Eastern Europe A rich source of information Library Journal Focuses specifically on the ghettos of Nazi occupied Eastern Europe stands without doubt as the definitive reference guide on this topic in the world today This is not hyperbole but simply a recognition of the meticulous collaborative research that went into assembling such a massive collection of information Holocaust and Genocide Studies No other work provides the same level of detail and supporting material Choice *Genocide in the Carpathians* Raz Segal, 2016-05-18 Genocide in the Carpathians presents the history of Subcarpathian Rus a multiethnic and multireligious borderland in the heart of Europe This society of Carpatho Ruthenians Jews Magyars and Roma disintegrated under pressure of state building in interwar Czechoslovakia and during World War II from the onslaught of the Hungarian occupation Charges of foreignness and disloyalty to the Hungarian state linked antisemitism to xenophobia and national security anxieties Genocide unfolded as a Hungarian policy and Hungarian authorities committed mass robbery deportations and killings against all non Magyar groups in their efforts to recast the region as part of an ethnonational Greater Hungary In considering the events that preceded the German invasion of Hungary in March 1944 this book reorients our view of the Holocaust not simply as a German drive for continent wide genocide but as a truly international campaign of mass murder related to violence against non Jews unleashed by projects of state and nation building Focusing on both state and society Raz Segal shows how Hungary s genocidal attack on Subcarpathian Rus obliterated not only tens of thousands of lives but also a diverse society and way of life that today from the vantage point of our world of nation states we find difficult to imagine
