spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God s Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others
