

# **A Reflection Of The Heart Of God**

**To hold a life so tight in your arms  
A life so new, held by the heart of love,  
With searching eyes wondering at the knowledge of life  
So new, so small but knowing of secrets untold to our, hearts.**

**The light of life shines through such tiny hearts  
More light than we ever can see  
And as this life grows in our nurture and love  
Our eyes see, and our hearts catch an everlasting light from above.**

**No words can ever reflect the heart of life like a small child,  
who holds it inside  
The heart to bring such joy and peace and all the things untold  
So hold this heart of truth with gentle care, watched over by  
the hand of all creation.  
No bars, no bolts, nor hidden away but a love that's fitting for  
a small life that holds the  
the heart of God!**

**Reflections** Helen Brown, 2015-07-06 My parents grew up in a time that most of us only read about in history books They saw history made many times Their generation created the advantages that we take for granted today Like us they too had to rely on the Lord Jesus for strength courage and pure grit to get through the dangers they faced each day They still managed to raise five healthy children all of whom are capable productive members of society There was a great variety of experiences throughout their lives and through these have been able to learn and grow as part of the Australian community These lessons have been passed on to not only their children but to the many people that they have come into contact with throughout their days in ministry farming and community service as well They unselfishly offered me this project I am pleased to be able to share some of their lessons with the whole wide world through this book As I presented each article I was made aware that there was an extra blessing that I could claim I have added these at the end of each contribution We their children have been very blessed to have had such wonderful parents as our role models in life My prayer is that this book may bring some insight

into what life was like in times past May it also help us all to be grateful for the determination that their generation had to give us the advantages we have today      **Relationships-Reflection of the Image of God** Crawford Clark,2016-07-25
