

Refugees Anarchy Organization

Lyndsey Stonebridge

Refugees Anarchy Organization:

Notable American Women Barbara Sicherman, Carol Hurd Green, 1980 Modeled on the Dictionary of American Biography this set stands alone but is a good complement to that set which contained only 700 women of 15 000 entries The preparation of the first set of *Notable American Women* was supported by Radcliffe College It includes women from 1607 to those who died before the end of 1950 only 5 women included were born after 1900 Arranged throughout the volumes alphabetically entries are from 400 to 7 000 words and have bibliographies There is a good introductory essay and a classified list of entries in volume three

Networks of Refugees from Nazi Germany, 2016-08-01 This volume focuses on coalitions and collaborations formed by refugees from Nazi Germany in their host countries Exile from Nazi Germany was a global phenomenon involving the expulsion and displacement of entire families organizations and communities While forced emigration inevitable meant loss of familiar structures and surroundings successful integration into often very foreign cultures was possible due to the exiles ability to access and or establish networks By focusing on such networks rather than on individual experiences the contributions in this volume provide a complex and nuanced analysis of the multifaceted interacting factors of the exile experience This approach connects the NS exile to other forms of displacement and persecution and locates it within the ruptures of civilization dominating the twentieth and twenty first centuries Contributors are Dieter Adolph Jacob Boas Margit Franz Katherine Holland Birgit Maier Katkin Leonie Marx Wolfgang Mieder Thomas Schneider Helga Schreckenberger Swen Steinberg Karina von Tippelskirch J rg Thunecke Jacqueline Vansant and Veronika Zwerger

[Canada's Refugee Policy](#) Gerald E. Dirks, 1977

Placeless People Lyndsey Stonebridge, 2018-11-10 In 1944 the political philosopher and refugee Hannah Arendt wrote Everywhere the word exile which once had an undertone of almost sacred awe now provokes the idea of something simultaneously suspicious and unfortunate Today s refugee crisis has its origins in the political and imaginative history of the last century Exiles from other places have often caused trouble for ideas about sovereignty law and nationhood But the meanings of exile changed dramatically in the twentieth century This book shows just how profoundly the calamity of statelessness shaped modern literature and thought For writers such as Hannah Arendt Franz Kafka W H Auden George Orwell Samuel Beckett Simone Weil among others the outcasts of the twentieth century raised vital questions about sovereignty humanism and the future of human rights *Placeless People* argues that we urgently need to reconnect with the moral and political imagination of these first chroniclers of the placeless condition

Refugee Imaginaries Emma Cox, 2019-11-01 Charts new directions for interdisciplinary research on refugee writing and representation Places refugee imaginaries at the centre of interdisciplinary exchange demonstrating the vital new perspectives on refugee experience available in humanities research Brings together leading research in literary performance art and film studies digital and new media postcolonialism and critical race theory transnational and comparative cultural studies history anthropology philosophy human geography and cultural politics The refugee has emerged as one of the key

figures of the twenty first century This book explores how refugees imagine the world and how the world imagines them It demonstrates the ways in which refugees have been written into being by international law governmental and non governmental bodies and the media and foregrounds the role of the arts and humanities in imagining historicising and protesting the experiences of forced migration and statelessness Including thirty two newly written chapters on representations by and of refugees from leading researchers in the field Refugee Imaginaries establishes the case for placing the study of the refugee at the centre of contemporary critical enquiry **Constructive Anarchy** Jeff Shantz, 2016-05-23 Constructive Anarchy the result of more than a decade of direct study within a variety of anarchist projects provides the most wide ranging and detailed analysis of current anarchist endeavours The compelling discussions of anarchism and union organising anti poverty work and immigrant and refugee defence represent truly groundbreaking undertakings from a rising scholar of contemporary anarchism Organised to illustrate the development of the diversity of anarchist strategies and tactics over time the book begins with a discussion of alternative media projects before turning attention to anarchist involvement in broader community based movements Case studies include a discussion of anarchists and rank and file workplace organising anarchist anti borders struggles and No One Is Illegal movements in defence of immigrants and refugees since 9 11 and anarchist free schools and community centres Jeff Shantz s analysis demonstrates serious and grounded practices rooted in anarchist organising practices that may draw on previous traditions and practices but also innovate and experiment The varied selection of case studies allows the author to compare groups that are geared primarily towards anarchist and radical subcultures with anarchist involvement in more diverse community based coalitions an approach that is otherwise lacking in the literature on contemporary anarchism **Refugees** Dorothy Thompson, 1938 A call to alarm about the world s mounting refugee crisis **Americans and the Holocaust** Daniel Greene, Edward Phillips, 2021-11-30 This edited collection of more than one hundred primary sources from the 1920s 1930s and 1940s including newspaper and magazine articles popular culture materials and government records reveals how Americans debated their responsibility to respond to Nazism It includes valuable resources for students and historians seeking to shed light on this dark era in world history The Making of the Modern Refugee Peter Gatrell, 2013-09-13 The Making of the Modern Refugee is a comprehensive history of global population displacement in the twentieth century It takes a new approach to the subject exploring its causes consequences and meanings History the author shows provides important clues to understanding how the idea of refugees as a problem embedded itself in the minds of policy makers and the public and poses a series of fundamental questions about the nature of enforced migration and how it has shaped society throughout the twentieth century across a broad geographical area from Europe and the Middle East to South Asia South East Asia and sub Saharan Africa Wars revolutions and state formation are invoked as the main causal explanations of displacement and are considered alongside the emergence of a twentieth century refugee regime linking governmental practices professional

expertise and humanitarian relief efforts This new study rests upon scholarship from several disciplines and draws extensively upon oral testimony eye witness accounts and film as well as unpublished source material in the archives of governments international organisations and non governmental organisations The Making of the Modern Refugee explores the significance that refugees attached to the places they left behind to their journeys and to their destinations in short how refugees helped to interpret and fashion their own history

American Cassandra: The Life of Dorothy Thompson

Peter Kurth, 2019-08-09 Dorothy Thompson 1893 1961 was America's first internationally famous female foreign correspondent Born outside of Buffalo New York she graduated from Syracuse University in 1914 and honed her writing and interviewing skills in the women's suffrage movement before heading for Europe as a freelance journalist Reporting from Vienna Budapest and Berlin during the rise of Nazism she was the first western journalist to be expelled from Germany by Adolf Hitler after denigrating him in a profile Her later columns in the Ladies Home Journal and radio broadcasts for CBS published as Listen Hans made her next to Eleanor Roosevelt the most influential woman in the United States Thompson was married three times her second marriage was to the American novelist Nobel Prize winner and alcoholic Sinclair Lewis her third and happiest to Czech artist Maxim Kopf She also had several lesbian relationships Avidly interested in everything from sustainable farming to the fine arts she divided her later years between New York City and her farm in Barnard Vermont A skillful exploration of the life and personality of the formidable foreign correspondent New York Times readers will be pleased to meet a fascinating driven and indomitable woman who richly deserves this fine biography Thomas Griffith New York Times Sensationally good Kurth's vividly detailed and dramatic portrayal of Thompson's life fully compensates for the memoirs she planned but never lived to write Here was a one of a kind incarnation of energy honesty and commitment a woman we must not forget USA Today Kurth guides us through the tumultuous complexities of the time the rise of Nazism in Germany isolationism in America the Second World War the establishment of Israel and other issues that Thompson took over as her personal battleground His daunting task is to show us a mind at work and he pulls it off Washington Post In a day of dime a dozen pundits jabbering on the talk shows Thompson's diligence and influence are worth recalling Mr Kurth's compulsively readable account allows us to re-live an age and do just that Wall Street Journal Kurth has a surprising grasp of Thompson's emotional makeup strictly avoiding the kind of supercilious or paternalistic attitude that such a character invites in male authors His biography is insightful without being sentimental warm without being sycophantic Toronto Star An important asset of this big solid book is author Kurth's prolific use of Thompson's own words She left 150 file cases of published and unpublished writings chunks of private thoughts and musings on her three husbands and her own sexuality one would have expected her to burn Kurth has battled through this paper blizzard and emerged with a clear as ice water picture of a turbulent complex personality Baltimore Sun Peter Kurth author of the haunting Anastasia The Riddle of Anna Anderson proves once again that he is the equal of Stefan Zweig as a biographer of women His fairness his control of his

material and his eye for the revealing quotation are such that he makes us empathize with Miss Thompson even when we feel like strangling her Washington Times German Exile Politics Lewis J. Edinger, 2023-11-15 The Social Democratic Executive Committee in the Nazi Era provides a comprehensive and deeply researched account of the German Social Democratic Party's SPD resistance during one of the most turbulent periods in modern history As Germany's largest and most influential political party for decades the SPD faced the unprecedented challenge of surviving Adolf Hitler's rise to power and the subsequent outlawing of the party in 1933 This book chronicles the party's efforts to reconcile its democratic and socialist ideals with the stark realities of Nazi repression It delves into the internal struggles of its leadership who sought to balance principled opposition with cautious pragmatism and details how the SPD attempted to maintain organizational integrity amidst relentless Nazi propaganda arrests and bans on its press From the fiery defiance of Otto Wels in the Reichstag to the establishment of a Representation Abroad in Prague the narrative captures the courage divisions and ultimate dissolution of a movement fighting to uphold democracy in the face of totalitarianism Through vivid storytelling and meticulous analysis the book illuminates the moral and strategic dilemmas faced by the SPD as it confronted the Nazi regime It paints a poignant picture of a party torn between loyalty to its democratic principles and the harsh political realities of the 1930s The narrative reveals how the Nazis exploited internal divisions within the SPD using both propaganda and terror to erode the party's influence The book also explores the heartbreaking fate of the party's leaders many of whom were arrested or driven into exile and examines the broader implications of their struggle for the preservation of democracy By chronicling the SPD's resistance this volume offers a compelling reflection on the challenges of opposing authoritarian regimes and serves as a vital contribution to the study of political history during the Nazi era This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1956

The American People in the Great Depression David M. Kennedy, 2003-11-20 On October 24 1929 America met the greatest economic devastation it had ever known In this first installment of his Pulitzer Prize winning Freedom from Fear Kennedy tells how America endured and eventually prevailed in the face of that unprecedented calamity Kennedy vividly demonstrates that the economic crisis of the 1930s was more than a reaction to the excesses of the 1920s For more than a century before the Crash America's unbridled industrial revolution had gyrated through repeated boom and bust cycles consuming capital and inflicting misery on city and countryside alike Nor was the alleged prosperity of the 1920s as uniformly shared as legend portrays Countless Americans eked out threadbare lives on the margins of national life Roosevelt's New Deal wrenched opportunity from the trauma of the 1930s and created a lasting legacy of economic and social reform but it was afflicted with shortcomings and contradictions as well With an even hand Kennedy details the New Deal's

problems and defeats as well as its achievements He also sheds fresh light on its incandescent but enigmatic author Franklin D Roosevelt Marshellling unforgettable narratives that feature prominent leaders as well as lesser known citizens The American People in the Great Depression tells the story of a resilient nation finding courage in an unrelenting storm **The Unheard Stories of the Rohingyas** AKM Ahsan Ullah,Diotima Chatteraj,2023-07-27 The 2017 persecution of the Rohingyas resulted in around a million Rohingyas fleeing to Bangladesh India and Malaysia This book investigates the complex challenges of managing the large scale refugee exodus in Bangladesh and how best to resolve these challenges in the future Using a mixed method approach that includes a survey key informant interviews and numerous short case studies of persecution the authors also examine the problematic influence of the media as local depictions of Rohingya refugees often caused further tension and division in the midst of the refugee crisis The book s analysis offers a deeper understanding of the causes and drivers of identity based politics among Myanmar s Rohingya Judicial Imagination Lyndsey Stonebridge,2014-05-21 Tells the story of the struggle to imagine new forms of justice after Nuremberg New Perspectives on Kristallnacht Steven J. Ross,2019-12-15 On November 9 and 10 1938 Nazi leadership unleashed an unprecedented orchestrated wave of violence against Jews in Germany Austria and the Sudetenland supposedly in response to the assassination of a Nazi diplomat by a young Polish Jew but in reality to force the remaining Jews out of the country During the pogrom Stormtroopers Hitler Youth and ordinary Germans murdered more than a hundred Jews many more committed suicide and ransacked and destroyed thousands of Jewish institutions synagogues shops and homes Thirty thousand Jews were arrested and sent to Nazi concentration camps Volume 17 of the Casden Annual Review includes a series of articles presented at an international conference titled New Perspectives on Kristallnacht After 80 Years the Nazi Pogrom in Global Comparison Assessing events 80 years after the violent anti Jewish pogrom of 1938 contributors to this volume offer new cutting edge scholarship on the event and its repercussions Contributors include scholars from the United States Germany Israel and the United Kingdom who represent a wide variety of disciplines including history political science and Jewish and media studies Their essays discuss reactions to the pogrom by victims and witnesses inside Nazi Germany as well as by foreign journalists diplomats Jewish organizations and Jewish print media Several contributors to the volume analyze postwar narratives of and global comparisons to Kristallnacht with the aim of situating this anti Jewish pogrom in its historical context as well as its place in world history **Tropical Zion** Allen Wells,2009-01-12 A history of Sos a Dominican Republic settlement founded as a refuge for Jews fleeing Nazi Europe and an analysis of the geopolitics underlying the settlements formation **American Women during World War II** Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of

women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library *Cultural Translation and Knowledge Transfer on Alternative Routes of Escape from Nazi Terror* Susanne Korbel, Philipp Strobl, 2021-08-05 The book investigates and compares the role of artistic and academic refugees from National Socialism acting as cultural mediators or agents of knowledge between their origin and host societies By doing so it locates itself at the intersection of the recently emerging field of the history of knowledge transnational history migration exile as well as cultural transfer studies The case studies provided in this volume are of global scope focusing on routes of escape and migration to Iceland Italy the Near East Portugal and Shanghai and South Central and North America The chapters examine the hybrid ways refugees envisaged managed organized and subsequently mediated their migrations It focuses on how they dealt with their escape in their art and science The chapters ask how the emigrants located themselves did they associate with ethnic religious and or cultural affiliations specific social classes or specific parts of society and how such identifications were portrayed in their knowledge transfer and cultural translations Building on such possible avenues for research this volume aims to offer a global analysis of the multifarious processes not only of cultural translation and knowledge transfer affecting culture sciences networks but also everyday life in different areas of the world *Books for Young People* ,1929 *Organizing Anarchy* Jeffrey Shantz, 2020-01-20 *Organizing Anarchy* details the remarkable growth and diversity of anarchist organizational practice in a range of spheres of activity from community centers and social spaces to online activism to labor and workplace militancy and beyond over the first decades of the twenty first century These projects involve innovative approaches by which anarchists resist current forms of exploitation and oppression while building anarchist relations for the future post capitalist world in the present In direct action and solidarity they make anarchism real rather than a beautiful goal *Organizing Anarchy* critically examines the possibilities and problems facing attempts to build radical real world projects which seek to pose effective challenges to capitalist forms of exploitation and control The work also engages theoretical developments around these emerging political practices particularly in terms of social movement theories that tend to downplay overlook or misunderstand anarchist movements and forms of organizing
