the direct activity of the Lord in their lives for their salvation The Ministry of the Word, Vol. 21, No. 10 Various Authors, 2017-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Mending Ministry of John The overall subject of John's writings which include his Gospel his Epistles and Revelation is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God's eternal economy the New Jerusalem The mending ministry of John carried out in the divine and mystical realm of the consummated Spirit is for the living out and the working out of the New Jerusalem The New Jerusalem is lived out by the believers becoming the New Jerusalem and the New Jerusalem is worked out by the believers building the New Jerusalem The New Jerusalem is the ultimate answer to the Lord's prayer in John 17 for the glorification of the Triune God through the oneness of the believers built into the Triune God This city is the City of Jehovah the city of life the holy city and the city of glory Even in the Old Testament the prophets describe this city as a person that is one with Jehovah Isaiah says They will call you the City of Jehovah 60 14 and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be Jehovah Is There 48 35 The City of Jehovah means that Jehovah is in His redeemed regenerated transformed and glorified tripartite people and that they are in Him Jehovah Is There refers to the presence of Jehovah Himself who will be united mingled and incorporated with His people to be one entity the great corporate God man The New Jerusalem is also the city of life The Christ ministered by John is for the dispensing of the Triune God as life into man's tripartite being Out of such a ministered Christ the children of God are brought forth by receiving the eternal life They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed As a result they become the testimony of Jesus the lampstands as the expression of the Triune God to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction Moreover the New Jerusalem is the holy city God's living word His breathing out as the divine breath into the believers works within them to separate them from the world and to saturate them with the divine nature to make them a holy city the corporate and ultimate Holy of Holies as the reality of Zion To live out and work out the New Jerusalem the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit the nature of God's person and by remaining in the divine fellowship to enjoy God as love the nature of God's essence and as light the nature of God's expression Furthermore the New Jerusalem is the city of glory The Lord wants to occupy every room in our being and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church The Father will be glorified when His many sons are thus filled with the Triune God To be filled with the Triune God of glory for His corporate expression the believers must cooperate with the Spirit who is daily operating in them by their allowing the

Spirit to infuse and transmit all the riches of the Triune God into them All believers need to be open to this Spirit to allow the Triune God to fill them to flow through them and to overflow out of them so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John s mending ministry is the accomplishing of the goal of God s economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New Jerusalem in eternity

A.W. Pink's Studies in the Scriptures - 1926-27, Volume 3 of 17 Arthur W Pink, 2001-09 [The Gospel magazine, and theological review. Ser. 5. Vol. 3, no. 1-July 1874](#), 1871 *The Ministry of the Word, Vol. 27, No. 03* Various Authors, 2023-05-11 This issue of The Ministry of the Word contains the first eight of the sixteen messages given during the fall 2022 term of the full time training in Anaheim California The general subject of this series of messages is Living in the Reality of the Body of Christ by Learning Christ as the Reality Is in Jesus The phrase learning Christ as the reality is in Jesus is based on Ephesians 4 20 21 The reality in Jesus refers to the actual condition of the life of Jesus that is recorded in the four Gospels The actual condition of the life of Christ who is God is His living God in the four Gospels Everything He did was in God with God by God for God through God and to God God was in His living and He was one with God The desire of God s heart is that the reality of the Body of Christ which is the reality in Jesus Eph 4 21 would be duplicated in the many members of Christ s Body by the Spirit of reality to become the reality of the Body of Christ the highest peak in God s economy He wants His God man living seen in the four Gospels to be reproduced in us To learn Christ means that we learn Christ experientially enjoyably and subjectively The One we are enjoying is the Lord as the Spirit of reality in our spirit The Spirit guides us into all the realities of God s eternal economy The Lord wants the actual condition of His life to be reproduced in each one of us as members of the Body individually as well as in us all corporately The corporate living of the perfected God man the reality of the Body of Christ is the reality that is in Jesus Every detail aspect and feature of the New Jerusalem is actually the reality in Jesus in its consummate state Thus Christ wants the life that He lived in the four Gospels duplicated and reproduced in us until we become the New Jerusalem The Lord s recovery is to build up Zion as the reality of the Body of

Christ by living out and working out the New Jerusalem To live out the New Jerusalem is to become the New Jerusalem and to work out the New Jerusalem is to build the New Jerusalem The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Abstract of Systematic Theology Rev. James Petigru Boyce, D. D., LL. D., 2017-01-10 Boyce commented on this book in this way This volume is published rather as a practical text book for the study of the system of doctrine taught in the Word of God than as a contribution to theological science But regardless of his intent this volume has indeed added to the theological science and taught many new teaches and pastors since

Matthew Henry's Commentary on the Whole Bible: Volume V-III - John Matthew Henry, *The Works of Jacobus Arminius Volume 3 - A Friendly Discussion* Jacobus Arminius, 2017-03-22 A friendly discussion between a theological college the third book in this three volume set starts to show another view on the Bible that challenges the works of John Calvin Martin Luther and others The aspect of self determinism and the role of sin in a believer's life are dominant in Arminius's thinking while the other theologians in his time were focusing on the idea of determinism in the role of Biblical theology

Systematic Theology - Volume III Charles Hodge, 1999 *The True Christian Religion* Emanuel Swedenborg, 1881 **Messenger and Visitor**, 1911 **Systematic Theology Volume III** Charles Hodge D.D., 2016-12-14 Continuing on in the final book on his mammoth work on theology Hodge finishes his thoughts on the work of Christ Salvation and the Holy Spirit He lines out the thinking and fallacies of many evangelical and Roman Catholic schools of thought while clearly explaining the Reformed way of thinking He concludes this tome with the Calvinist teachings on the final days of both the earth and humanity when they die Again laying bold arguments for the Reformed way of thinking Hodge is able to articulate clearly and Biblically this way of theological thought while giving credence to the past
