## **Renewal For The 21st Century Church:**

Renewal for the 21st Century Church Waldo J. Werning, 1988      *Re* Jervis Djokoto, 2021-10-11 For almost the entire period of its existence the Church has fought to stay spiritually alive Now we face a faith crisis of global proportions particularly for our youth who are meant to lead us in the future *Re New A Case for Spiritual Renewal in the 21st Century* explores the critical need for examination and spiritual renewal at all levels This renewal will repair the leakages in our wells filling us afresh with the life of Christ and of His Spirit which will then overflow to transform the world This is the Renew Movement In the first book of the *Re New* series Pastor Jervis Djokoto explains the urgent call to action for all spiritual leaders and Christians to launch a spiritual revolution grounded in Christ and the power of the Holy Spirit Discover how you can join in at a Renewal Hub to spark the journey for you as an individual and your entire Church community **REVIEWS** As the Western Church is in decline and the Global Church is exploding the question before us is how does renewal take place in both contexts long term This book is one of many being written by the next generation of global Christian scholars that is so encouraging and needed right now Jervis has brought together biblical insight robust theological reflection has used his personal journey to give a strong way to move forward in the power of the Holy Spirit in both directions This conversation is key for us as we try to see the kingdom of God grow especially in globally influencing multicultural cities like Toronto where I serve Dr JON THOMPSON Senior Pastor Sanctus Church Canada and author of *Convergence* Why Jesus needs to be more than our Lord and Savior to thrive in a post Christian world Churches in the Global north are in a period of spiritual decline as believers get pulled into formal religion or abandon the faith all together But Jervis Djokoto a Canadian millennial pastor and Doctoral student of Ghanaian descent is out to change that In a hope filled compelling fashion Djokoto's *Re New A Case for Spiritual Renewal in the 21st Century Church* argues that the same experiential Spirit centered communal and embodied movement of God that shifted the center of Christianity to the global south is available to all countries and communities Joel 2 speaks of the Holy Spirit being poured out on all flesh That means in these last days there are renewal catalysts everywhere being moved by God to personal revitalization Djokoto shares his personal story of transformation and then invites other change agents to join him in local networking hubs that prioritize spirituality over structures and have a willingness to wait as long as it takes for the Spirit to come The result will be a creative contextualized gospel where Jesus the ultimate cure reverses the signs of sickness in our culture Here is a clarion call to be taken very seriously JAMES PENNER Lethbridge based speaker sociologist and lead author of *Hemorrhaging Faith Why and When Canadian Young Adults Are Leaving Staying and Returning to Church* In his call for spiritual renewal Pastor Jervis is not offering a new formula but instead is suggesting we slow down and pay attention to the work the Spirit has been doing all along Jervis makes his point via a survey of church history theology and global Christianity Spiritual vitality has consistently emerged as God works through the church's weakness and frailty This book rings true because it emerges from the author's own spiritual

journey as he has learned to listen and discern the voice of the Spirit REV DAN SHEFFIELD pastor church planter adjunct lecturer at Tyndale Seminary and author of The Multicultural Leader

**Renewing a Modern Denomination** Andy Goodliff, 2021-01-19 This book is an exploration of the renewal of the Baptist Union of Great Britain in the 1990s the only historic UK denomination which grew in this period It was an exciting time with plenty of denominational activity and engagement both theological and institutional The book tells this story focusing on the particular individuals involved and the wide ranging discussions centered around mission and identity ministry associating and ecumenism It argues that there were competing visions emerging from two different streams of thought which whilst not divisive caused tension At the end of the decade structural changes were introduced with hope for the new millennium but the book contends that opportunities were missed for a more deeply theological renewal

Randolph, 2008-07-01

Deep faith meets high tech here in The Renewal of Preaching in the Twenty first Century A communications revolution is sweeping through the churches leaving some on fire and others burned out This work shows what makes the difference for church leaders and communities who are using new media to advance Christian preaching Join them by recovering the great tradition and expanding it through creative use encouraged by artists and filmmakers as well as preachers and professors This work explores ways to maximize the promise of preaching and confront the perils leading to the renewal of church and society Beginning with review of the situation today we proceed step by step through the preparation and presentation of the sermon leading to transformation The sermon in the local parish is seen as the microcosm of the macrocosm that is the communication of God s good news The Protestant Church in the Netherlands: Church Unity in the 21st Century Arjan

Synan, 2011-02-01 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally

sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America

**The Prodigal Church** Brandon McGinley, 2020-06-23 Brandon McGinley argues that the Church is making a grave error in acquiescing to secularism just as it is falling into disrepute Indeed now is the Church's moment to reclaim not just our roots but the very reality of Christ's grace and peace and kingship in the world

**Mission as God's Spiral of Renewal** Ross, Kenneth R., 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotland's experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian
