Hart,2005 Larry Hart writes a Pentecostal charismatic systematic theology in an easily accessible style engaging the reader throughout the text in a personal and pastoral manner Renewal Theology: God, the world & redemption John Rodman Williams,1988 Be Renewed Willem van Vlastuin,2014-02-19 Personal renewal or sanctification belongs to the heart of the Christian life and is becoming more important in our present day culture

Listening to Scripture and in conversation with a variety of theologians from the protestant tradition the author presents an up to date concept for a theology of personal renewal In this concept the spiritual union with Christ *unio mystica cum Christo* is taken as the starting point in order to consider the way in which renewal obtains form in relation to God our neighbour ourselves and the world To place this concept into a historical perspective van Vlastuin begins his study with an investigation of Luther and Calvin s theology concerning the relationship between the union with Christ and personal renewal The concept is developed within the current theological debate with particular reference to the eschatological character of the Christian life An important issue concerns the measure of renewal especially in relation to the sinful heart of the believer In this context the author also deals with the question of sanctification as a position or a process and the relation between the two In addition the relationship between the Holy Spirit and the human soul in the process of renewal is discussed Another important issue concerns the abiding significance of the law and the way in which it functions in the Christian life The exploration of several theological positions leads to a modern concept by which to understand law The study concludes with an investigation of the relationship between the eschatological Christian life in this present life and the complete revelation of the eschaton

The Routledge Handbook of Pentecostal Theology Wolfgang Vondey,2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this

growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject. Comprising over forty chapters written by a team of international contributors, the Handbook is divided into five parts: Contextualizing Pentecostal Theology, Sources, Theological Method, Doctrines and Practices, Conversations and Challenges. These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith. Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism, divine healing, or eschatology, unique practices such as spiritual warfare and worship, and less discussed issues such as social justice and gender, each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement. The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies, World Christianity, and Theology, as well as scholars working in contemporary Religious Studies.

The Theology of Amos Yong and the New Face of Pentecostal Scholarship Wolfgang Vondey, Martin Mittelstadt, 2013-06-15. In *The Theology of Amos Yong and the New Face of Pentecostal Scholarship*, Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology. These diverse topics are pursued through the complementary perspectives that together shape Yong's methodology, pneumatology, pentecostalism, and the possibility of renewal. The contributors invite a more thorough reading of Yong's work and propose a more substantial engagement with the new face of Pentecostal scholarship. Contributors include Andrew Carver, Jacob D. Dodson, Jeff Hittenberger, Mark Mann, Martin William Mittelstadt, L. William Oliverio Jr., David A. Reed, Tony Richie, Christopher A. Stephenson, Steven M. Studebaker, Paraskev, Eve Tibbs, and Wolfgang Vondey.
