Renoir A Postcard:

Renoir General Publishing Company, Limited, Pierre-Auguste Renoir, Running Press Book Publishers, Running Press Miniature Editions, 1989-01-01 *Auguste Renoir* Auguste Renoir, 1999 *Renoir Paintings* Hayward Cirker, 1998-02-09 Magnificent paintings painstakingly reproduced in card form by one of the most popular Impressionists Beautiful women charming children people enjoying themselves more 24 Masterpieces: Auguste Renoir Postcard Book Hazan, Fernand, Editeur, *Postcard Book: Renoir* Godfrey Cave Associates, 1994-02-01 **In Search of La Grande Illusion** Nicholas Macdonald, 2013-11-08 This is an extended analysis of the film from different perspectives The first half is largely a discussion of the cinematic technique with key sequences analyzed shot by shot The second half approaches the film from many other angles including its history the critical reception Renoir's life and career and film theory e.g. film in relation to music A case is made that Renoir's career was inconsistent especially after *La Règle du jeu* but also during the 1930s And rather than emphasizing the humanist anti-war thrust of *La Grande Illusion* the film is approached as a work of art that is deeply expressive cinematically **Natural Selection** Gary Giddins, 2006 Long recognized as America's most brilliant jazz writer the winner of many major awards including the prestigious National Book Critics Circle Award and author of a highly popular biography of Bing Crosby Gary Giddins has also produced a wide range of stimulating and original cultural criticism in other fields With *Natural Selection* he brings together the best of these previously uncollected essays including a few written expressly for this volume The range of topics is spellbinding Writing with insight humor and a famously deft touch he offers sharp edged perspectives on such diverse subjects as Federico Fellini and Jean Renoir Norman Mailer and Ralph Ellison Marlon Brando and Groucho Marx Duke Ellington and Bob Dylan horror and noir the cartoon version of *Animal Farm* and the comic book series *Classics Illustrated* Giddins brings to criticism an uncommon ability long demonstrated in his music writing to address in very few words an entire career so that we get an in depth portrait of the artist beyond the film book or recording under review For instance Giddins offers a stunning reappraisal of Doris Day who he terms the coolest and sexiest female singer of slow ballads in film history He argues eloquently for a reconsideration of the forgotten German language novelist Soma Morgenstern In a section on comedy he offers fresh perspectives on the three great silent film stars Chaplin Keaton and Lloyd while resurrecting the legendary Jack Benny and reevaluating the controversial Jerry Lewis There is also a memorable look at Bing Crosby's film career he calls Crosby's blockbuster *Going My Way* a neglected masterpiece and a close examination of Marcel Carné's beloved *Children of Paradise* Of course Giddins also supplies excellent commentary on jazz major and underrated figures and especially the uses of jazz in film A wonderful gathering of little known treasures *Natural Selection* will broaden the perception of Gary Giddins as one of our most important cultural critics
