Repatriations From Austria In 1945 Report Of An Inquiry:

The Repatriations from Austria in 1945 Anthony Cowgill, Thomas Brimelow, Christopher Booker, 1990-01-01

Austria in the First Cold War, 1945-55 G. Bischof, 1999-08-12 At the height of the first Cold War in the early 1950s the Western powers worried that occupied Austria might become Europe's Korea and feared a Communist takeover The Soviets exploited their occupation zone for maximum reparations American economic aid guaranteed Austria's survival and economic reconstruction Their military assistance turned Austria into a secret ally of the West Austrian diplomacy played a vital role in securing the Austrian treaty in bilateral negotiations with Stalin's successors in the Kremlin demonstrating the leverage of the weak in the Cold War **Supermac** D R Thorpe, 2010-09-09 Great grandson of a crofter and son in law of a Duke Harold Macmillan 1894 1986 was both complex as a person and influential as a politician Marked by terrible experiences in the trenches in the First World War and by his work as an MP during the Depression he was a Tory rebel an outspoken backbencher opposing the economic policies of the 1930s and the appeasement policies of his own government Churchill gave him responsibility during the Second World War with executive command as Viceroy of the Mediterranean After the War in opposition Macmillan was one of the principal reformers of the Conservatives and after 1951 back in government served in several important posts before becoming Prime Minister after the Suez Crisis Supermac examines key events including the controversy over the Cossacks repatriation the Suez Crisis You've Never Had It So Good the Winds of Change the Cuban Missile Crisis and the Profumo Scandal The culmination of thirty five years of research into this period by one of our most respected historians this book gives an unforgettable portrait of a turbulent age Shortlisted for the Orwell Prize

Jasenovac Concentration Camp Andriana Kužnar, Stipe Odak, Danijela Lucić, 2023-04-21 This book presents state of the art discussions around the concentration camp Jasenovac Initially one of the largest camps of the Second World War Jasenovac became a symbol of supra national unity during the Yugoslav period and in the 1990s re emerged as a contested symbol of narrational victimhood By analyzing some of the most controversial topics related to the Second World War in south eastern Europe the Holocaust the genocide of Serbs and Roma the issues of political prisoners and state sponsored crimes censorship during Communist Yugoslavia the use of memory in war propaganda and representation of tragedies in museums and art the book allows for a greater understanding of the development of intergroup violence in the former Yugoslavia It will be of interest to scholars and students of history genocide studies memory studies and sociology as well as professionals working in the field of conflict resolution and reconciliation The Tragedy of Bleiburg and Viktring, 1945 Florian Rulitz, 2016-03-07 The atrocities and mass murders committed by Josip Broz Tito's Partisan units of the Yugoslav Army immediately after the Second World War had no place in the conscience of Socialist Yugoslavia More than once the annual Croatian commemoration of the Bleiburg victims was subject to attacks carried out by the socialist Yugoslav state Abroad in the West on Austrian soil the Yugoslav secret service UDBA did not shy away from murdering the protagonist of

the Croatian memory culture Nicola Martinovic as late as 1975 The official history was aligned with a firm interpretational paradigm that called for a glorification of the anti fascist people s liberation resistance With the breakup of Yugoslavia and its socialist regime in 1991 the identity establishing accounts of contemporary witnesses which had mainly been cherished in exile circles abroad increasingly reached public awareness in Croatia and Slovenia In the 1990s Croatia witnessed the emergence of a memory that had been suppressed by the socialist Yugoslav regime namely the Bleiburg tragedy The situation in Slovenia was similar in terms of identity and remembrance culture Among the Slovenes the communist crimes committed during the turmoil are known as the drama of Viktring or the Viktring tragedy named after the largest refugee camp of the Slovenes Reports on the communist postwar crimes and on the countless discoveries of mass gravesites have also begun circulating in the media of the German speaking world in the last few years Florian Rulitz s meticulously researched book now available for the first time in English provides a corrective to the historical memory that had been previously accepted as truth Rulitz focuses on two essential questions First did the so called final encirclement battles indeed occur in Carinthia in the Ferlach Hollenburg Viktring and Dravograd Poljana Bleiburg areas resulting in military victories for the Yugoslav Army Second were the battles after the capitulation fought by the refugees with the aim of reaching the British controlled areas in Carinthia To answer these questions Rulitz presents a detailed reconstruction of those days in May 1945 He furthermore considers the question of the murders on Austrian territory which were hushed up in Partisan literature and presented as casualties of the final military operations This groundbreaking study will interest scholars and students of modern European history

Tito and the Rise and Fall of Yugoslavia Richard West, 2012-11-15 Few figures have dominated a nation s destiny as much as Marshal Tito of former Yugoslavia For nearly thirty years he held together mutually hostile religious groups in a deeply divided country but his death in 1980 rekindled centuries old hatreds and by 1992 Yugoslavia ceased to exist In this revealing biography Richard West questions the full impact of Tito s reign of power and his implicit responsibility for the ensuing violent bloody war in Bosnia Excellent I recommend his book for those who already know about Yugoslavia and want food for thought about the future David Owen Sunday Times Admirable Carefully researched and extremely readable Literary Review A passionate book in which West s historical sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of subsequent events Fergus Pyle Irish Times Masterly Glasgow Herald

The Long Road Home Ben Shephard, 2011-02-22 At the end of World War II long before an Allied victory was assured and before the scope of the atrocities orchestrated by Hitler would come into focus or even assume the name of the Holocaust Allied forces had begun to prepare for its aftermath Taking cues from the end of the First World War planners had begun the futile task of preparing themselves for a civilian health crisis that due in large part to advances in medical science would never come The problem that emerged was not widespread disease among Europe s population as anticipated but massive displacement among those who had been uprooted from home and country during the

war Displaced Persons as the refugees would come to be known were not comprised entirely of Jews Millions of Latvians Poles Ukrainians and Yugoslavs in addition to several hundred thousand Germans were situated in a limbo long overlooked by historians While many were speedily repatriated millions of refugees refused to return to countries that were forever changed by the war a crisis that would take years to resolve and would become the defining legacy of World War II Indeed many of the postwar questions that haunted the Allied planners still confront us today How can humanitarian aid be made to work What levels of immigration can our societies absorb How can an occupying power restore prosperity to a defeated enemy Including new documentation in the form of journals oral histories and essays by actual DPs unearthed during his research for this illuminating and radical reassessment of history Ben Shephard brings to light the extraordinary stories and myriad versions of the war experienced by the refugees and the new United Nations Relief and Rehabilitation Administration that would undertake the responsibility of binding the wounds of an entire continent Groundbreaking and remarkably relevant to conflicts that continue to plague peacekeeping efforts The Long Road Home tells the epic story of how millions redefined the notion of home amid painstaking recovery

The History of the Galician Division of the Waffen SS Michael James Melnyk, 2017-05-26 The second volume of the definitive history of the 14th Waffen Grenadier Division der SS Ukrainische Nr 1 The lavishly illustrated concluding volume of the division's history features chapters on its reformation deployment against Communist backed partisans in Slovakia the forced march to Slovenia anti partisan action against Tito's partisans in Slovenia and its committal for the final time on the Eastern Front against the Red Army in Austria It concludes with an investigation into the Division's escape from repatriation a subject which has long been the subject of contention amongst historians This volume also deals with internment and ends with its unique post war fate including new information about the secret role of MI6 in training former members of the Division for secret espionage activities behind the Iron Curtain Drawing on an unsurpassed collection of material accumulated over decades of research the author offers unique photographic sections on all aspects of the Division's history including uniform details together with much hitherto unseen material featuring recent document discoveries new veteran testimonies and detailed information on every aspect of the Division

The Impact of European Institutions on the Rule of Law and Democracy Matej Avbelj, Jernej Letnar Cernic, 2020-04-30 Since 2010 the European Union has been plagued by crises of democracy and the rule of law which have been spreading from Central and Eastern Europe CEE catching many by surprise This book argues that the professed success of the 2004 big bang enlargement mirrored the Potemkin villages erected in the new Member States on their accession to Europe Slovenia is a prime example Since its independence and throughout the accession process Slovenia has been portrayed as the poster child of the New Europe This book claims that the widely shared narrative of the Slovenian EU dream is a myth In many ways Slovenia has fared even worse than its contemporary constitutionally backsliding CEE counterparts The book's discussion of the depth and breadth of the democratic crises in Slovenia should contribute to a

critical intellectual awakening and better comprehension of the real causes of the present crises across the other CEE Member States which threaten the viability of the EU and Council of Europe projects It is only on the basis of this improved understanding that the crises can be appropriately addressed at national transnational and supranational levels

Prisoners of War Bob Moore, 2022-04-14 The Second World War between the European Axis powers and the Allies saw more than twenty million soldiers taken as prisoners of war While this total is inflated by the unconditional surrender of all German forces in Europe on 8 May 1945 it nonetheless highlights the fact that captivity was one of the most common experiences for all those in uniform even more common than frontline service Despite this and the huge literature on so many aspects of the war prisoner of war histories have remained a separate and sometimes isolated element in the wider national chronicles of the conflict constructed in the post war era Prisoners of every nationality had their own narratives of military service and captivity While it is impossible to encompass their collective histories let alone the individual experiences of all twenty million prisoners in a single volume Bob Moore uses a series of case studies to highlight the key elements involved and to introduce analyse and refine some of the major debates that have arisen in the existing historiography The study is divided into three broad sections captivity in Eastern and Western Europe during the war itself comparative studies of specific categories of prisoners and the repatriation and reintegration of prisoners after the war Russia's War Richard Overy, 1998-08-01 A penetrating and compassionate book on the most gigantic military struggle in world history The New York Times Book Review An extraordinary tale Overy's engrossing book provides extensive details of the slaughter brutality bitterness and destruction on the massive front from the White Sea to the flank of Asia Chicago Tribune The Russian war effort to defeat invading Axis powers an effort that assembled the largest military force in recorded history and that cost the lives of more than 25 million Soviet soldiers and civilians was the decisive factor for securing an Allied victory Now with access to the wealth of film archives and interview material from Russia used to produce the ten hour television documentary Russia's War Richard Overy tackles the many persuasive questions surrounding this conflict Was Stalin a military genius Was the defense of Mother Russia a product of something greater than numbers of tanks and planes of something deep within the Russian soul *Croatia Under Ante Pavelic* Robert B. McCormick, 2014-09-23 Ante Pavelic was the leader of the fascist party of Croatia the Usta e who on Adolf Hitler's instruction became the leader of Croatia after the Nazi invasion of 1941 Pavelic was an extreme Croatian nationalist who believed that the Serbian people were an inferior race he would preside over a genocide that ultimately killed an estimated 390 000 Serbs during World War II Croatia under Ante Pavelic provides the full history of this period with a special focus on the United States role in the post war settlement Drawing on previously unpublished documents Robert McCormick argues that President Harry S Truman's Cold War priorities meant that Pavelic was never made to answer for his crimes Today the Usta e remains difficult legacy within Croatian society partly as a result of Pavelic's political life in exile in South America This is a new account of US foreign policy towards one of the Second World

War's most brutal dictators and is an essential contribution to Croatian war time history **Documents on British Policy Overseas** Great Britain. Foreign and Commonwealth Office, 1991-12 This volume covers British reaction to increasing Soviet domination of much of Eastern Europe in the aftermath of Potsdam and attempts by British policy makers to assess the Soviet Union's power and intentions in the early stages of the Cold War It also charts Britain's relations with Tito's regime in Yugoslavia and British efforts to ensure the future stability and independence of a non communist Greece **Die Massaker**

der Wehrmacht zusammengestellt aus Wikipediaseiten und publiziert von DrGoogelberg, 2012-06-11 Massaker Vergewaltigungen Kriegsverbrechen Die Wehrmacht war die Spitze des Nazi Staates Sie hielten den Nazis die Front Hinter der Front wurden von der deutschen Wehrmacht ungeheuerliche Kriegsverbrechen begangen D rfer wurden niedergemacht Massaker wurden begangen Willig folgte die Wehrmacht dem selbsternannten Strategen ihrem F hrer bis in den Untergang Erst als alles zu sp t war formierte sich eine Minderheit unter den Wehrmachtsoffizieren zu einer Widerstandsbewegung Die Mehrheit hielt dem kleinen Wichser aus Braunau die Treue die Fahne und die Front Nicht immer stand ein direkter Befehl oder die Angst vor Strafe dahinter Die meisten Gener le Offiziere und Soldaten st rten sich nicht an der grenzenlosen Dummheit Kulturlosigkeit und Selbstgef lligkeit Hitlers und seiner Verbrecherbande in den Ministerien Zusammenge stellt aus Wikipediaseiten und publiziert von Dr Googelberg **Displaced Persons-Forschung in Deutschland und**

Österreich Nikolaus Hagen, Markus Nesselrodt, Philipp Strobl, Marcus Velke-Schmidt, 2021-12-23 Die Geschichte der Displaced Persons DPs ist so aktuell wie lange nicht Seit ihrer Entstehung in den 1980er Jahren hat sich die Displaced Persons Forschung in Deutschland und sterreich stark ausdifferenziert Ihr Forschungsfeld erstreckt sich weit ber die engen Grenzen der DP Lager hinaus Es ist daher an der Zeit f r eine Bestandsaufnahme der internationalen DP Forschung zu Beginn des 21 Jahrhunderts Der vorliegende Band demonstriert die erfolgreiche deutsch sterreichische Zusammenarbeit auf diesem Gebiet Die Autorinnen und Autoren beleuchten neben klassisch historischen unter anderem psychologische ethnologische p dagogische und mediale Aspekte des Neuanfangs der Displaced Persons in aller Welt Fallstudien zum Leben nach dem berleben zur fr hen Suche nach NS Verbrechen und zu einzelnen Lagern runden den Band ab

Prisoners-of-War and Their Captors in World War II Bob Moore, Kent Fedorowich, 1996-11 Examines the experiences of individual prisoners of war looking in particular at alleged war crimes and ensuing claims for compensation levelled against the Japanese and at British treatment of Italian POWs The book provides an overview and synthesis of the most heated debates in the field *The Gulf War 1990-91 in International and English Law* Peter Rowe, 2005-10-05 There is no doubt that international law was of major importance during the Gulf conflict of 1990 91 Military and other actions were repeatedly justified through reference to international law and disputes about interpretation were frequent This book provides a definitive legal analysis of the conflict with reference both to international and to English law Some have been tempted to argue that international law is an ineffective means of controlling the activities of a state and its armed forces from the fact

that there were no war crimes trials of the leaders of Iraq or of any other state International law does however provide a set of norms either agreed to by individual states through the ratification of or accession to a treaty or b which apply to all states by the operation of customary international law and other secondary sources This book determines these norms in order to judge the manner in which individual states recognized the binding nature of them in the conduct of their operations The contributors include lawyers from each of the three British armed services **The Literary Review** ,1990 **Pure Soldiers Or Sinister Legion** Sol Littman,2003 Between 1950 and 1955 thousands of veterans from the notorious German led Ukrainian 14th Waffen SS Galicia Division emigrated to North America with the full consent of the governments despite immigration regulations in force at the time that forbade entry to all who served in any branch of the SS The Jewish community fought a brief but futile battle to persuade those governments to deny them entry denouncing them as a sinister legion of bloodthirsty murderers war criminals who had engaged in the mass murder of thousands of innocent civilians On the other hand a well organized body of Division supporters insisted there was nothing sinister or murderous about the young men who had volunteered to serve in its ranks They declared them exceptional soldiers who obeyed the international rules of war praised them for being dedicated soldiers who harbored no hatred for Jews guarded no concentration camps and committed no crimes against humanity At issue then was the nature of the Division and its war record Were they pure soldiers as many of their supporters contended or were they to use Daniel Goldhagen s phrase among Hitler s willing executioners Pure Soldiers or Bloodthirsty Murdererstraces the 14th Waffen SS Galicia Division s fortunes from its formation in April 1943 to its surrender to the British in May 1946 from immigrant farm workers in Britain Canada and the USA to Cold War CIA assassins Along the way it attempts to shed some light on this acrimonious dispute that has continued to the present day Sol Littmanis former Canadian Director of the Simon Wiesenthal Center author of War Criminal on Trial founding editor of The Canadian Jewish News the First Director of Bnai Brith Canada s League for Human Rights and also served with the Anti Defamation League in the United States Investigation of Communist Takeover and Occupation of Hungary United States. Congress. House. Select Committee on Communist Aggression,1954 Examines communist and Soviet post WWII activities in Hungary leading to establishment of a communist government Aug 23 25 hearings were held in NYC Aug 26 and 27 hearings were held in Cleveland Ohio
