positions with vigor while remaining open to opposing ideas Some Problems of Philosophy 1910 was intended by James to serve both as a historical overview of metaphysics and as a systematic statement of his philosophical beliefs Though unfinished at his death it fully demonstrates the psychological insight and literary vividness James brought to philosophy Among the essays included are the anti imperialist Address on the Philippine Question On Some Mental Effects of the Earthquake a candid personal account of the 1906 California disaster and The Moral Equivalent of War a call for the redirection of martial energies to peaceful ends as well as essays on Emerson the role of university in intellectual life and psychic research LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries
