Republicans Negroes And Progressives In The South 1912 1916

Boris Heersink, Jeffery A. Jenkins

Republicans Negroes And Progressives In The South 1912 1916:

Republican Party Politics and the American South, 1865-1968 Boris Heersink, Jeffery A. Jenkins, 2020-03-19 In *Republican Party Politics and the American South 1865 1968* Heersink and Jenkins examine how National Convention politics allowed the South to remain important to the Republican Party after Reconstruction and trace how Republican organizations in the South changed from biracial coalitions to mostly all white ones over time Little research exists on the GOP in the South after Reconstruction and before the 1960s *Republican Party Politics and the American South 1865 1968* helps fill this knowledge gap Using data on the race of Republican convention delegates from 1868 to 1952 the authors explore how the whitening of the Republican Party affected its vote totals in the South Once states passed laws to disenfranchise blacks during the Jim Crow era the Republican Party in the South performed better electorally the whiter it became These results are important for understanding how the GOP emerged as a competitive and ultimately dominant electoral party in the late twentieth century South

California Progressivism Revisited William F. Deverell, Tom Sitton, 2023-09-01 California was perhaps the most important locus for the development of the Progressive reform movement in the decades of the twentieth century These twelve original essays represent the best of the new scholarship on California Progressivism Ranging across a spectrum that embraces ethnicity gender class and varying ideological stances the authors demonstrate that reform in California was a far broader more complicated phenomenon than we have previously understood Since the 1950s scholars have used California Progressivism as a model case study for explaining early twentieth century social and political reform nationwide But such a model which ignored issues of class race and gender simplified a political movement that was in fact quite complex In revising the monolithic interpretation of reform and reformers this volume provides a better understanding of the sweeping reform impulses that had such a profound effect on American political and social institutions during this century Equally important the issues examined here offer significant insights into problems that the entire country must tackle as we approach the new century California was perhaps the most important locus for the development of the Progressive reform movement in the decades of the twentieth century These twelve original essays represent the best of the new scholarship on California Progressivism Ranging across

Fighting Bob La Follette Nancy C. Unger, 2003-06-19 Robert Fighting Bob La Follette 1855 1925 was one of the most significant leaders of American progressivism Nancy Unger integrates previously unknown details from La Follette's personal life with important events from his storied political career revealing a complex man who was a compelling mixture of failure and accomplishment tragedy and triumph Serving as U S representative from 1885 to 1891 governor of Wisconsin from 1901 to 1906 and senator from Wisconsin from 1906 to his death in 1925 La Follette earned the nickname Fighting Bob through his uncompromising efforts to reform both politics and society especially by championing the rights of the poor workers women and minorities Based on La Follette family letters diaries and other papers this biography covers the personal events that shaped the public man In particular Unger explores La Follette's

relationship with his remarkable wife feminist Belle Case La Follette and with his sons both of whom succeeded him in politics The La Follette who emerges from this retelling is an imperfect yet appealing man who deserves to be remembered as one of the United States most devoted and effective politicians **From Jim Crow to Civil Rights** Michael J.

Klarman,2004-02-05 A monumental investigation of the Supreme Court s rulings on race From Jim Crow To Civil Rights spells out in compelling detail the political and social context within which the Supreme Court Justices operate and the consequences of their decisions for American race relations In a highly provocative interpretation of the decision s connection to the civil rights movement Klarman argues that Brown was more important for mobilizing southern white opposition to racial change than for encouraging direct action protest Brown unquestioningly had a significant impact it brought race issues to public attention and it mobilized supporters of the ruling It also however energized the opposition In this authoritative account of constitutional law concerning race Michael Klarman details in the richest and most thorough discussion to date how and whether Supreme Court decisions do in fact matter *Gender and Jim Crow, Second Edition*

Glenda Elizabeth Gilmore,2019-01-09 This classic work helps recover the central role of black women in the political history of the Jim Crow era Glenda Elizabeth Gilmore explores the pivotal and interconnected roles played by gender and race in North Carolina politics from the period immediately preceding the disfranchisement of black men in 1900 to the time black and white women gained the vote in 1920 Gilmore argues that while the ideology of white supremacy reordered Jim Crow society a generation of educated black women nevertheless crafted an enduring tradition of political activism In effect these women served as diplomats to the white community after the disfranchisement of their husbands brothers and fathers Gilmore also reveals how black women s feminism created opportunities to forge political ties with white women helping to create a foundation for the emergence of southern progressivism In addition *Gender and Jim Crow* illuminates the manipulation of concepts of gender by white supremacists and shows how this rhetoric changed once women black and white gained the vote *Gender and Jim Crow*

Glenda Elizabeth Gilmore,2013-04-01 Glenda Gilmore recovers the rich nuances of southern political history by placing black women at its center She explores the pivotal and interconnected roles played by gender and race in North Carolina politics from the period immediately preceding the disfranchisement of black men in 1900 to the time black and white women gained the vote in 1920 *Gender and Jim Crow* argues that the ideology of white supremacy embodied in the Jim Crow laws of the turn of the century profoundly reordered society and that within this environment black women crafted an enduring tradition of political activism According to Gilmore a generation of educated African American women emerged in the 1890s to become in effect diplomats to the white community after the disfranchisement of their husbands brothers and fathers Using the lives of African American women to tell the larger story Gilmore chronicles black women s political strategies their feminism and their efforts to forge political ties with white women Her analysis highlights the active role played by women of both races in the political process and in the emergence of

southern progressivism In addition Gilmore illuminates the manipulation of concepts of gender by white supremacists and shows how this rhetoric changed once women black and white gained the vote

Let the People Rule: Theodore Roosevelt and the Birth of the Presidential Primary Geoffrey Cowan,2016-01-11 The best new discussion of the primary system Jill Lepore author of These Truths In 1912 Theodore Roosevelt came out of retirement to challenge William Howard Taft for the Republican nomination TR seized on the campaign theme Let the People Rule a cry echoed in today s elections and through the course of his run helped create thirteen new primaries Though he won most of the primaries party bosses proved too powerful and Roosevelt walked out of the convention to create his own Bull Moose Party only to make the shocking political calculation to ban black delegates from his new coalition In Let the People Rule Geoffrey Cowan takes readers inside the dramatic campaign that changed American politics forever

Realigners Timothy Shenk,2022-10-18 One of The Wall Street Journal s best political books of 2022 An eye opening new history of American political conflict from Alexander Hamilton to Alexandria Ocasio Cortez These days it seems that nobody is satisfied with American democracy Critics across the ideological spectrum warn that the country is heading toward catastrophe but also complain that nothing seems to change At the same time many have begun to wonder if the gulf between elites and ordinary people has turned democracy itself into a myth The urges to defend the country s foundations and to dismantle them coexist often within the same people How did we get here Why does it feel like the country is both grinding to a halt and falling to pieces In Realigners the historian Timothy Shenk offers an eye opening new biography of the American political tradition In a history that runs from the drafting of the Constitution to the storming of the Capitol Shenk offers sharp pen portraits of signal characters from James Madison and Charles Sumner to Phyllis Schlafly and Barack Obama The result is an entertaining and provocative reassessment of the people who built the electoral coalitions that defined American democracy and a guide for a time when figures ranging from Alexandria Ocasio Cortez to MAGA minded nationalists seek to turn radical dreams into political realities In an era when it seems democracy is caught in perpetual crisis Realigners looks at earlier moments in which popular majorities transformed American life We ve had those moments before And if there s an escape from the doom loop that American politics has become it s because we might have one again

The American South William James Cooper (Jr.),Thomas E. Terrill,2009-01-16 In The American South William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South s unanticipated role in the 2008 presidential primaries

Republicans, Negroes, and

Progressives in the South, 1912-1916 Paul D. Casdorph, 1981

Confederate General R.S. Ewell Paul D.

Casdorph, 2014-07-15 Richard Stoddert Ewell is best known as the Confederate General selected by Robert E Lee to replace Stonewall Jackson as chief of the Second Corps in the Army of Northern Virginia Ewell is also remembered as the general who failed to drive Federal troops from the high ground of Cemetery Hill and Culp's Hill during the Battle of Gettysburg Many historians believe that Ewell's inaction cost the Confederates a victory in this seminal battle and ultimately cost the Civil War During his long military career Ewell was never an aggressive warrior He graduated from West Point and served in the Indian wars in Oklahoma Kansas New Mexico and Arizona In 1861 he resigned his commission in the U S Army and rushed to the Confederate standard Ewell saw action at First Manassas and took up divisional command under Jackson in the Shenandoah Valley Campaign and in the Seven Days Battles around Richmond A crippling wound and a leg amputation soon compounded the persistent manic depressive disorder that had hindered his ability to make difficult decisions on the battlefield When Lee reorganized the Army of Northern Virginia in May of 1863 Ewell was promoted to lieutenant general At the same time he married a widowed first cousin who came to dominate his life often to the disgust of his subordinate officers and he became heavily influenced by the wave of religious fervor that was then sweeping through the Confederate Army In Confederate General R S Ewell Paul D Casdorph offers a fresh portrait of a major but deeply flawed figure in the Confederate war effort examining the pattern of hesitancy and indecisiveness that characterized Ewell's entire military career This definitive biography probes the crucial question of why Lee selected such an obviously inconsistent and unreliable commander to lead one third of his army on the eve of the Gettysburg Campaign Casdorph describes Ewell's intriguing life and career with penetrating insights into his loyalty to the Confederate cause and the Virginia ties that kept him in Lee's favor for much of the war Complete with riveting descriptions of key battles Ewell's biography is essential reading for Civil War historians

New Orleans Dockworkers Daniel Rosenberg, 1988-01-01 This book investigates the conditions which led to a remarkable instance of interracial solidarity known as half and half an expression used to identify the cooperation and cohesion among 10 000 Black and white dockworkers during the early twentieth century Through interracial agreements which divided work and union leadership equally between Blacks and whites dockworkers reduced the workload and pace imposed by shipping firms and formed the basis for the general dock strike of 1907 described as one of the most stirring manifestations of labor solidarity in American history Rosenberg explores the phenomenon of half and half within the context of progressive segregation as employers encouraged competition between and division of the races Rosenberg also probes the nature of longshore work dockworkers views of Jim Crow and industrial unionist trends as well as the conclusions drawn by dockers after the levee race riots of the 1890s the working of the white and negro races on terms of equality has been the fruitful source of most of the trouble on the New Orleans levee

Falfurrias Dale Lasater, 1985-04-04 Like many pioneer western cattlemen Ed C Lasater was confident optimistic and an aggressive user of bank credit This

history of the South Texas rancher and dairyman paints a vivid picture of frontier agriculture in an era that featured some of the region and the nation's most progressive and most trying times Lasater born near Goliad in 1860 purchased extensive landholdings in South Texas in the late nineteenth century In 1904 he founded the town of Falfurrias The author a grandson of Ed C Lasater describes the settlers arrival near the Loma Blanca the area's principal landmark and the pioneering efforts of the families who moved to the developing region Falfurrias describes not only the development of Lasater's agricultural interests which included the world's largest herd of Jersey milk cows and a creamery whose brand name butter is still sold in the region today Lasater was also active in politics combating the early signs of bossism in South Texas counties He ran for governor on the Progressive ticket in 1912 and served as an appointee in the U S Food Administration in 1917 *The Race Card* Tali Mendelberg, 2017-10-09 Did George Bush's use of the Willie Horton story during the 1988 presidential campaign communicate most effectively when no one noticed its racial meaning Do politicians routinely evoke racial stereotypes fears and resentments without voters awareness This controversial rigorously researched book argues that they do Tali Mendelberg examines how and when politicians play the race card and then manage to plausibly deny doing so In the age of equality politicians cannot prime race with impunity due to a norm of racial equality that prohibits racist speech Yet incentives to appeal to white voters remain strong As a result politicians often resort to more subtle uses of race to win elections Mendelberg documents the development of this implicit communication across time and measures its impact on society Drawing on a wide variety of research including simulated television news experiments national surveys a comprehensive content analysis of campaign coverage and historical inquiry she analyzes the causes dynamics and consequences of racially loaded political communication She also identifies similarities and differences among communication about race gender and sexual orientation in the United States and between communication about race in the United States and ethnicity in Europe thereby contributing to a more general theory of politics Mendelberg's conclusion is that politicians including many current state governors continue to play the race card using terms like welfare and crime to manipulate white voters sentiments without overtly violating egalitarian norms But she offers some good news implicitly racial messages lose their appeal even among their target audience when their content is exposed West Virginia Otis K. Rice, Stephen W. Brown, 2010-09-12 An essential resource for scholars students and all lovers of the Mountaineer State From bloody skirmishes with Indians on the early frontier to the Logan County mine war the story of West Virginia is punctuated with episodes as colorful and rugged as the mountains that dominate its landscape In this first modern comprehensive history Otis Rice and Stephen Brown balance these episodes of mountaineer individualism against the complexities of industrial development and the growth of social institutions analyzing the events and personalities that have shaped the state To create this history the authors weave together many strands from the past and present Included among these are geological and geographical features the prehistoric inhabitants exploration and settlement relations with the Indians the

land systems and patterns of ownership the Civil War and the formation of the state from the western counties of Virginia the legacy of Reconstruction politics and government industrial development labor problems and advances and cultural aspects such as folkways education religion and national and ethnic influences For this second edition the authors have added a new chapter bringing the original material up to date and carrying the West Virginia story through the presidential election of 1992 Otis K Rice is professor emeritus of history and Stephen W Brown is professor of history at West Virginia Institute of Technology Women and the Republican Party, 1854-1924 Melanie Susan Gustafson, 2001-10-15 Acclaimed as

groundbreaking since its publication *Women and the Republican Party 1854 1924* explores the forces that propelled women to partisan activism in an era of widespread disfranchisement and provides a new perspective on how women fashioned their political strategies and identities before and after 1920 Melanie Susan Gustafson examines women s partisan history against the backdrop of women s political culture Contesting the accepted notion that women were uninvolved in political parties before gaining the vote Gustafson reveals the length and depth of women s partisan activism between the founding of the Republican Party whose abolitionist agenda captured the loyalty of many women and the passage of the Nineteenth Amendment Her account also looks at the complex interplay of partisan and nonpartisan activity the fierce debates among women about how to best use their influence the ebb and flow of enthusiasm for women s participation and the third parties that fused the civic world of reform organizations with the electoral world of voting and legislation **Emancipation**

Betrayed Paul Ortiz, 2005-03-29 In this penetrating examination of African American politics and culture Paul Ortiz throws a powerful light on the struggle of black Floridians to create the first statewide civil rights movement against Jim Crow Concentrating on the period between the end of slavery and the election of 1920 *Emancipation Betrayed* vividly demonstrates that the decades leading up to the historic voter registration drive of 1919 20 were marked by intense battles during which African Americans struck for higher wages took up arms to prevent lynching forged independent political alliances boycotted segregated streetcars and created a democratic historical memory of the Civil War and Reconstruction Contrary to previous claims that African Americans made few strides toward building an effective civil rights movement during this period Ortiz documents how black Floridians formed mutual aid organizations secret societies women s clubs labor unions and churches to bolster dignity and survival in the harsh climate of Florida which had the highest lynching rate of any state in the union African Americans called on these institutions to build a statewide movement to regain the right to vote after World War I African American women played a decisive role in the campaign as they mobilized in the months leading up to the passage of the Nineteenth Amendment The 1920 contest culminated in the bloodiest Election Day in modern American history when white supremacists and the Ku Klux Klan violently and with state sanction prevented African Americans from voting Ortiz s eloquent interpretation of the many ways that black Floridians fought to expand the meaning of freedom beyond formal equality and his broader consideration of how people resist oppression and create new social movements illuminate a

strategic era of United States history and reveal how the legacy of legal segregation continues to play itself out to this day

Public Workers in Service of America Frederick W. Gooding Jr., Eric S. Yellin, 2023-08-15 From white collar executives to mail carriers public workers meet the needs of the entire nation Frederick W Gooding Jr and Eric S Yellin edit a collection of new research on this understudied workforce Part One begins in the late nineteenth and early twentieth century to explore how questions of race class and gender shaped public workers their workplaces and their place in American democracy In Part Two essayists examine race and gender discrimination while revealing the subtle contemporary forms of marginalization that keep Black men and Black and white women underpaid and overlooked for promotion The historic labor actions detailed in Part Three illuminate how city employees organized not only for better pay and working conditions but to seek recognition from city officials the public and the national labor movement Part Four focuses on nurses and teachers to address the thorny question of whether certain groups deserve premium pay for their irreplaceable work and sacrifices or if serving the greater good is a reward unto itself Contributors Eileen Boris Cathleen D Cahill Frederick W Gooding Jr William P Jones Francis Ryan Jon Shelton Joseph E Slater Katherine Turk Eric S Yellin and Amy Zaroni *West Virginia History* ,1982

Republicans Negroes And Progressives In The South 1912 1916 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Republicans Negroes And Progressives In The South 1912 1916 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Republicans Negroes And Progressives In The South 1912 1916 has opened up a world of possibilities. Downloading Republicans Negroes And Progressives In The South 1912 1916 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Republicans Negroes And Progressives In The South 1912 1916 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Republicans Negroes And Progressives In The South 1912 1916. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Republicans Negroes And Progressives In The South 1912 1916. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Republicans Negroes And Progressives In The South 1912 1916, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Republicans Negroes And Progressives In The South 1912 1916 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Republicans Negroes And Progressives In The South 1912 1916 Books

1. Where can I buy Republicans Negroes And Progressives In The South 1912 1916 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
