Phenomenal Stories Quarterly, Vol. 1, No. 1, Winter 2018 • Special Collectors' Edition Shawn M. Tomlinson, 2018-12-09. I have collected many many pulps over the years but at the back of my mind I always hoped to edit one. My first job as editor of two trade newspapers deluded me. I created a presentation and went to the publisher. He listened but he never spoke about it. I worked at many newspapers and magazines but no one was interested. I founded a few magazines: *The Antediluvian Levee*, *The Game's Afoot*, *Different Deaths*, *Ride of the Horsemen* etc. I then tried to start the kind of magazine you hold. It didn't work then though I just didn't have time to do it. Finally in late 2018 I started working on it pulling writers and artists together doing some preliminary designs etc. The first few issues came together so fast that I pressed on. I didn't hesitate but got the first issue into print as soon as possible. This book is a collection of nearly everything that appeared in the four issues of *Phenomenal Stories* Volume 1. There's also a best of collection magazine titled *Lost Carcosa* available.

Drawing upon Gunn's lifetime of work in the field these introductions include analyses of the individual works and the fields in which they were written.
