# Requiem For A Mezzo

**Stephen Pleskun**

## **Requiem For A Mezzo:**

Requiem for a Mezzo Carola Dunn, 1996-01-15 In March 1923 the Honourable Daisy Dalrymple takes a break from her writing to attend a performance of Verdi's Requiem at the Albert Hall with Scotland Yard's Detective Chief Inspector Alec Fletcher. The tickets are a gift from Muriel Westlea, Daisy's neighbor and the sister of Bettina Westlea who will be singing the mezzo role. What should be a pleasant afternoon is quickly disrupted when during the performance Bettina falls dead on stage killed by cyanide poisoning. While it is quickly determined that Bettina's on-stage glass of liqueur was laced with the poison, discovering the person responsible will not prove to be an easy task. Bettina was neither well-liked nor well-behaved, and many of her colleagues, associates, and even her family had good reason to want her dead. Daisy determined to help Detective Chief Inspector Fletcher, whether he wants help or not, decides to do some investigating on her own. But with so many suspects, the murderer may well go free. *Requiem for a Mezzo* Carola Dunn, 1996. In this third installment of her charming cozy mystery series, Carola Dunn recreates bohemian post-World War I Chelsea where the unconventional Daisy Dalrymple is up to her fashionable bob in temperamental artists, one of whom is a cunning killer. **Requiem** Elinor Remick Warren, 1965 Requiem, for Soprano and Mezzo-soprano Solo, Two Mixed Choruses and Orchestra, 1963/65 György Ligeti, 1965 *Requiem* Giuseppe Verdi, 1993 **The Cambridge Companion to Verdi** Scott L. Balthazar, 2004-11-18 This 2004 Companion provides a biographical, theatrical, and social/cultural background for Verdi's music, examines in detail important general aspects of its style and method of composing, and synthesizes stylistic themes in discussions of representative works. Aspects of Verdi's milieu, style, creative process, and critical reception are explored in essays by highly reputed specialists. Individual chapters address themes in Verdi's life, his role in transforming the theater business, and his relationship to Italian Romanticism and the Risorgimento. Chapters on four operas representative of the different stages of Verdi's career—*Ernani*, *Rigoletto*, *Don Carlos*, and *Otello*—synthesize analytical themes introduced in the more general chapters and illustrate the richness of Verdi's creativity. The Companion also includes chapters on Verdi's non-operatic songs and other music, his creative process, and scholarly writing about Verdi from the nineteenth century to the present day. **Ghost Rider** B. D. James, 2003-02-12 Not since Kiss of the Spider Woman has a story about the effects of persecution on the human mind interwoven fantastic and realistic elements as effectively. A story of biting irony and bitter satire leaning heavily on Nabokov's *Pale Fire*, *Ghost Rider* addresses contemporary social concerns with its elegant, crisp prose. The protagonist has no name and no identity. Together with her memory, they have been taken in a Latin American war. When she falls for a famous rider, she must descend into the pits of her past to tell him her story and is forced to add new chapters as she peels away hidden layers of herself. Initially, there seems to be nothing wrong with her except for a strange affinity for ghosts. Her memories of fear-filled nights take her back to Peru into the vengeful mind of an executed man. Claiming she has killed him, he tries to convince her of the advantages of being dead. To banish him, she sets music against her blood-reeking past. When

she finally succeeds she is eighty two But it might be a dream like the rest of her story or her final nightmare Nothing rules out that she could awake in the torture chamber facing her final hour *Requiem* Geoffrey Burgon, **International Music and Drama**, 1915 **Requiem** Giuseppe Verdi, Michael Pilkington, 1993 **Nicolae Bretan, His Life, His Music** Hartmut Gagemann, 2000 The rediscovery of Bretan and the revival of his music today are important for two reasons The need for atonement for the political injustice done to the man himself in his own country and as an artist is fairly obvious But the recovery of his works is a cultural obligation we all must share as we must with respect to all of Western culture's great artistic creations **BOOK JACKET** *Requiem, for Soprano and Mezzo Soprano Solo, 2 Mixed Choruses and Orchestra* (1963/65) György Ligeti, *Requiem* Geoffrey Burgon, 1976 **Durufé's Music Considered** Ronald Ebrecht, 2020-10-16 In this book Ronald Ebrecht has meticulously studied each of Durufé's works and put together the first book to discuss in detail all of Durufé's music With encouragement from Durufé's editor and the foundation established in his name Ebrecht has compiled copious examples from manuscript sources to be published for the first time along with the little known contextualizing works of Messiaen and Barraine Most widely known for his masterpiece *Requiem* the composer's orchestral gems are analyzed alongside his delightful miniature the orchestration of the *Sicilienne* The organ works which set the standard for virtuosity at conservatories around the world are given new insightful and thorough evaluation by Ebrecht whose long association with late 19th and early 20th century France and French music affords illuminating connections between Durufé and his predecessors and successors with sweeping insight and minute detail **Requiem** Giuseppe Verdi, 1993 **Singing the Heavenly Songs** Pasquale De Marco, 2025-04-13 In the world of music few things are as captivating as the human voice With its ability to express a wide range of emotions and ideas the voice has the power to move us in ways that few other things can The mezzo soprano and alto voices are two of the most versatile and expressive vocal ranges With their rich warm tones these voices can convey a wide range of emotions from the deepest sorrow to the greatest joy Mezzo sopranos and altos are often featured in opera where their voices can be used to create characters that are both powerful and vulnerable heroic and tragic They also play an important role in choral music where their voices can add depth and richness to the overall sound In recent years there has been a growing interest in the mezzo soprano and alto voices This is due in part to the rise of popular singers such as Adele and Lady Gaga who have helped to bring these vocal ranges to a wider audience As a result there is now a greater demand for mezzo sopranos and altos in both the opera and popular music worlds This book is the ultimate guide to the mezzo soprano and alto voices It covers everything from the history of these vocal ranges to the challenges and rewards of singing mezzo soprano or alto It also includes a wealth of information on the repertoire available for mezzo sopranos and altos as well as advice on how to prepare for a career in opera or popular music Whether you are a singer a music lover or simply someone who is interested in learning more about the human voice this book is a valuable resource It is packed with information and insights that will help you to appreciate

the beauty and power of the mezzo soprano and alto voices What You ll Learn in This Book The history of the mezzo soprano and alto voices The vocal characteristics of mezzo sopranos and altos The challenges and rewards of singing mezzo soprano or alto The repertoire available for mezzo sopranos and altos How to prepare for a career in opera or popular music This book is perfect for Singers who want to learn more about the mezzo soprano and alto voices Music lovers who want to deepen their appreciation for these vocal ranges Anyone who is interested in learning more about the human voice If you like this book write a review on google books

**Requiem for Lost Children** Sondra Clark,1996 **Giuseppe Verdi** Gregory Harwood,2012-05-04 This comprehensive research guide surveys the most significant published materials relating to Giuseppe Verdi This new edition includes research since the publication of the first edition in 1998 **A Chronological History of Australian Composers and Their Compositions - Vol. 2** Stephen Pleskun,2012-12-30 This book is volume 2 of a 4 volume series the first 3 of which have been published by Xlibris and the 4th almost complete for imminent delivery In its entirety this work is the most comprehensive and accurate account of Australian Classical Music making ever undertaken Its scope is from 1901 2012 and includes more than 800 composers famous and obscure with more than 30 000 compositions including details of their premieres where when and by whom Individual performers ensembles orchestras opera and ballet companies music educators instrument makers academics entrepreneurs philanthropists and critics are included as part of the story The foundation and demise of music institutions venues and festivals is recorded chronologically Altogether an extensive picture of Australian Classical Music production and performance can be gleaned in any given year This book is distinct insofar as it can be read conventionally from cover to cover or one may choose a composer performer and follow his her career year by year or one may open the book at random and delight in the unusual and esoteric information therein This book and its companion volumes are valuable and indispensable works for the serious music student professional musician performing amateur cultural aficionado and inquisitive lay person

**Star Turns and Cameo Appearances** Bernard Jacobson,2015 Up close and personal views by the renowned music critic and orchestra administrator of musical luminaries from Alfred Brendel to Jessye Norman and beyond Star Turns and Cameo Appearances is the entertaining and insightful memoir by veteran music critic Bernard Jacobson Its pages are populated by eminent composers ranging from Hans Werner Henze to Andrzej Panufnik and by renowned performers including Georg Solti Daniel Barenboim Sviatoslav Richter and Jessye Norman As a music critic and orchestra administrator Jacobson has had the opportunity to observe these outstanding musicians and many of their colleagues at close quarters Assisting Riccardo Muti at the Philadelphia Orchestra for eight years he saw sides of that maestro not visible to the music loving public Throughout Star Turns and Cameo Performances Jacobson adds his own sensitive and sympathetic view to public perceptions of musical luminaries of yesterday and today helping to explain and illuminate their artistry Bernard Jacobson has worked in the music field for over fifty years including stints as recording executive music critic of the Chicago Daily News artistic director and adviser for international orchestras in

Holland and visiting professor at Roosevelt University's Chicago Musical College. He has also performed and recorded as narrator of concert works and opera.
