## **Research Essentials Of Administrative Law:**

**Research Essentials of Administrative Law** H. B. Jacobini, Albert P. Melone, Carl Kalvelage, 1983 *Comparative administrative law issues regarding central and local government* Ioan Alexandru, 2018-12-14 The purpose of this book is to study comparative administrative law in the main EU states and the United States of America and Canada and then to provide proposals for the modernization of Romanian public administration in order to increase administrative convergence and to better meet the needs of citizens In this book the author aims to realize a dynamic approach by looking at the contemporary challenges and perspectives of the future of the contemporary administrations and on the other hand the modifications to be made at the level of the Romanian administrative law to increase the degree of convergence The basic institutional values at European and global level functionality transparency predictability accountability adaptability efficiency subsidiarity must also be implemented within the Romanian public administration at all levels and must be protected by the public authorities empowered by the legislation in force to monitor and control this process of adaptation to the requirements of the European Administrative Space and Global Administrative Law The book *Comparative administrative law issues regarding central and local government* is a very useful material for students master students doctoral students teachers researchers and practitioners in the legal and administrative sciences advocates solicitors notaries referees judges civil servants officials etc and generally for all those interested in the administrative phenomenon [Searching the Law, 3d Edition](#) Frank Bae, Edward Bander, Francis Doyle, Joel Fishman, Paul Richert, 2021-12-13 [A Research Agenda for Administrative Law](#) Carol Harlow, 2023-02-14 With the aim of expanding legal scholarly imagination this Research Agenda takes a tripolar approach to administrative law It opens the boundaries of administrative law scholarship to new subject areas exemplifies and opens for consideration several different attitudes to research and illustrates a multiplicity of different ways of writing about the subject **Handbook of Public Administration** W. Bartley Hildreth, Gerald Miller, Evert L. Lindquist, 2021-04-26 Public administration as a field of study finds itself in the middle of a fluid environment The very reach and complexity of public administration has been easy to take for granted easy to attack and difficult to explain particularly in the soundbite and Twitter snipe media environment Not only has the context for the discipline changed but the institutions of public administration have adapted and innovated to deliver services to the public and serve those in power while becoming increasingly complex themselves Has public administration evolved And what new lines of research are critical for effective policy and delivery of programs and public services while preserving foundational principles such as the rule of law and expert institutions This Handbook of Public Administration sheds light for new researchers doctoral students scholars and practitioners interested in probing modern public administration s role in solving major challenges facing nations and the world This fourth edition recognizes that the scholarship of public administration must reflect the diverse influence of an international orientation embracing public administration issues and practices in governance systems around the world and

illustrating just how practice can vary across jurisdictions Every section identifies foundational principles and issues shows variation in practice across selected jurisdictions and identifies promising avenues for research Each chapter revisits enduring themes and tensions showing how they persist along with new challenges and opportunities presented by digital technology and contemporary political realities The Handbook of Public Administration Fourth Edition provides a compelling introduction to and depiction of the contemporary realities of public administration and it will inspire new avenues of inquiry for the next generation of public administration researchers
