## **Research In Church And Mission:**

*Research in Church and Mission* Viggo Sgaard, Viggo Sogaard, 1996-06-01 Research in Church and Mission is insightful practical and full of examples In the three distinctive sections of the book the author 1 imbeds his explanation of the why and how of research in a model of communication 2 shows us how research is fueled by what we need to know and 3 demands that research be driven by those who manage or carry out the communication process      **Missionary Methods** Craig Ott, J.D. Payne, 2013-06-15 One hundred years ago Roland Allen authored his landmark study *Missionary Methods* St Paul's or Ours The 2012 annual conference of the Evangelical Missiological Society celebrated this centennial by addressing this ever relevant topic The present volume brings to readers insights from that conference examining the theological foundations historical precedence and practical challenges regarding missionary methods Missiologists missionary practitioners and strategic leaders alike will benefit from these essays which give fresh perspective on methods for fulfilling the Great Commission in our day      **Researching Practice in Mission and Ministry** Helen Cameron, Catherine Duce, 2013-11-18 This book proposes to bring together three elements for the benefit of those researching practice in ministry and mission how to design research that enables questions about practice to be answered in a theological framework how to address the methodological and epistemological issues that arise in relating empirical research to theology how to manage a piece of research as a project alongside other responsibilities Students in PT mostly rely on research methods books written for social science students which tend to assume that the student is young and full time This book will act as a companion to student and supervisor needing to bring all three elements listed above together      **Church and Mission in the Context of War** Eraston Kambale Kighoma, 2021-06-16 The church in the Democratic Republic of Congo is no stranger to conflict yet little research has been done on the impact of war in shaping the local church's understanding of itself and its mission In this in depth study Dr Eraston Kambale Kighoma traces the survival and theological development of the Baptist Church in Central Africa over a twenty year period of conflict Utilizing a combination of descriptive contextual and integrative approaches he examines the effect of war on the church's theology in action especially its understanding and practice of mission This study sheds new light on existing theories of missions while offering specific insight into the church's missionary task in contexts of conflict It offers an excellent addition to missiological studies for scholars and practitioners alike      **Research in Church and Mission** Viggo Sogaard, 1996      **Toward the Twenty-first Century in Christian Mission** James M. Phillips, Robert T. Coote, 1993 This unique volume offers a comprehensive survey of the prospects and critical issues for the Christian world mission The essays written by various mission experts cover such topics as the biblical and theological basis of the mission women in mission urban mission dialogues with other faiths the anthropology of popular religions and more      *The Church's Life* William Codman Sturgis, 1920      *Ethiopian Diaspora Churches on Mission* Mehari Tedla Korcho, 2024-12-14 Diaspora churches are positioned to have a tremendous capacity for missions as they practice their faith in the Western world yet why

do they fail to develop effective strategies to break out of their inwardly locked ministries Addressing this question Dr Mehari Tedla Korcho offers a thorough examination of Ethiopian diaspora churches in the United States encompassing their historical sociological and missiological aspects Drawing attention to the relatively overlooked nature of the 1 5 diaspora generation those who came to the United States as children he explores the missional potential of mobilizing the intergenerational context of Ethiopian diaspora church communities Outlining a familiar narrative found in many diaspora churches Dr Korcho provides comprehensive strategic recommendations for helping the first second and 1 5 generations of these communities engage in missions together This work offers a fresh perspective to the field of diaspora mission studies through expounding the prospective impact of mission by the diaspora and the challenges faced in establishing missional partnerships

Plummer, 2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded Such is the charge of several recent authors and if their thesis is correct nothing could have larger implications for how the modern church engages in mission In this book Robert L Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity Plummer helpfully summarizes the discussion to date on the debated issue judiciously handles contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline The Ministry of the whole Person ,

**African-American Experience in World Mission** Vaughn J. Walston, Robert J. Stevens, 2009-06-01 Venture into the world of overseas missions from an African American perspective This collection of articles takes you deep into the history of missions in the African American community You will learn of the struggles to stay connected to the world of missions in spite of great obstacles You will read of unique cultural experiences while traveling abroad You will feel the heart for fulfilling the Great Commission both in the African American community and beyond All text remains the same in this revised edition with the exception of new study guide questions at the close of each chapter The questions can be used to help

facilitate discussions in Sunday School Bible study seminary classes conference workshops and other group or individual studies

**Engaging Neighbors and Nations** Tim Silberman, 2024-03-27 Evangelical churches are widely known for their commitment to mission locally and to the ends of the earth However in the last century there have been profound theological and sociological changes that have impacted mission practice Church and mission leaders have encouraged Christians to respond to the need for mission locally especially as church decline accelerates in much of the Western world Yet others are concerned that global mission involvement is being neglected in many local churches This study explores the factors influencing local church participation in mission both locally and around the world Through an in depth analysis of the practices and perspectives among evangelical churches in Australia the author identifies a range of theological missiological and organizational influences on mission practice Though beliefs about the church the world and mission are important understanding organizational principles social capital and the power of relational networks provides invaluable insights into church mission practice This book is for those who long to see local churches committed to engaging both their neighbors and the nations in mission growing our understanding of how to encourage helpful church practices for the sake of Christ

**Message, Mission and Unity of the Church** Biblical Research Institute (Seventh-day Adventists. General Conference), 2013 This is the second volume of a projected three volume set on the study of the nature of the church ecclesiology The contributors in this second volume on Adventist ecclesiology share a common theological vision the renewal of an understanding of the nature mission and unity of the church so that it may bear a clearer witness to apostolic faith By stimulating fresh thinking on several critical issues relating to the doctrine of the church this volume will advance your understanding concerning the significance of unity and the renewal of a passion for mission within contemporary Adventism

*Diagnosing the Rural Church, a Study in Method* Charles Luther Fry, 1924

*Transforming Missiology* Fohle Lygunda li-M, 2018-02-28 Dr Fohle Lygunda li M provides a thorough analysis of missiological teaching in theological institutions in Africa with special reference to ten Christian universities in the Democratic Republic of the Congo His detailed examination of current teaching of mission theory and practice builds a solid foundation for the articulation of a new paradigm of missiological education In this book Dr Lygunda presents the case for a transformed approach to raising up seminarians who are equipped to lead indigenous missional churches that will fulfil the Great Commission in their own communities and beyond their national borders

The Impact of Church Consultancy Ian G. Duncum, 2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in

detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities World Christian Trends Ad30-ad2200 (hb) ,2001 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1987
