Research Made Simple A Handbook For Social Workers

**Mark Doel, Steven M Shardlow, Steven
Shardlow, Paul G. Johnson**

Research Made Simple A Handbook For Social Workers:

Research Made Simple Raymond Mark, 1996-02-05 Raymond Mark has extended his choreography of a modern ballet of social work research continuing to combine the classical integrity of statistical techniques with the latest problems of planning and implementation a kind of researcher's rodeo One hopes this book's use as a teaching instrument and its application as a research stimulus and guide will encourage both students and practitioners to work harder at achieving a sounder integration of theory and practice in social work from the Foreword by Chauncey A Alexander Designed to provide students with a nontechnical easy to understand guide *Research Made Simple* will help relieve the anxiety often associated with research methods courses Author Raymond Mark provides the raw materials that will allow students to read a research report understand its findings and judge the accuracy of its conclusion This concise practical volume covers the full range of material presented in most social science research methods courses but can also be used as a how to guide for professionals on the basics of the research process The topics covered range from basic concepts about the scientific method fundamental terms and the initial steps of the research process to developing and implementing a complete research plan Separate in depth chapters discuss research ethics qualitative approaches program evaluation statistical hypothesis testing and computer applications for researchers A unique feature of this volume is the presence of an entire chapter devoted to gender and culture sensitive research that addresses the increasing need for diversity in research Each chapter concludes with end of chapter discussion questions and short assignments for review Equipped with tables appendixes and a glossary this user friendly volume will make research methods highly approachable *Research Made Simple* will prove to be an invaluable resource for beginning classes in research methods at both undergraduate and graduate levels and it will provide a solid foundation for those pursuing advanced studies of research methods

Research for Social Workers Margaret Alston, Wendy Bowles, 2003 An introduction to research methods specifically needed in social work and social welfare this text outlines the major stages of research projects covering both quantitative and qualitative methods

Child Welfare: Issues in child welfare Nick Frost, 2005 This collection focuses on child welfare in its specific sense welfare and social interventions with children and young people undertaken by State bodies or NGO's The term child welfare is deployed differently in diverse international settings In the United Kingdom child welfare tends to refer to individualised programmes for children who have experienced problems in their lives In India to take a contrasting example it can also refer to major housing and nutrition programmes This collection takes an inclusive approach to international perspectives The collection is completed by a new general introduction by the editor individual volume introductions and a full index Titles also available in this series include *Medical Sociology* November 2004 4 Volumes 495 and the forthcoming collection *Health Care Systems* 2005 3 Volumes c 395

Contemporary Field Social Work Mark Doel, Steven M Shardlow, Steven Shardlow, Paul G. Johnson, 2010-06-29 This text bridges the gap by offering learning activities that can be worked in both settings The book is

divided into four main parts that accounts for the major areas of social work practice Part I covers the foundations of practice including self awareness and knowing and learning about the community within one will practice The second part deals with direct practice and covers individual assessment and group work The third part focuses on agency practice and finally the last part covers special issues for consideration including multicultural practice law informed practice ethics specialist and comparative practice

Research Methods for Community Change: A Project-Based Approach Randy Stoecker, 2013
Research Methods for Community Change A Project Based Approach Second Edition is an in depth review of all of the research methods that communities can use to solve problems develop their resources protect their identities and build power With an engaging writing style and numerous real world examples Randy Stoecker shows how to use a project based research model in the community to diagnose a community condition prescribe an intervention for the condition implement the prescription and evaluate its impact At every stage of this model there are research tasks from needs and assets assessments to process and outcome studies Readers also learn the importance of involving community members at every stage of the project and in every aspect of the research making the research part of the community building process

Modern Social Work Practice Mark Doel, 2017-03-02 Modern Social Work Practice is an interactive book designed to provide readers with an opportunity to engage with key aspects of current social work practice It also provides an excellent digest of the significant literature Each chapter is introduced with an activity or exercise designed to aid student learning in discrete aspects of practice building up to a complete curriculum for practice learning The book builds upon the success and style of Social Work Practice 1993 and The New Social Work Practice 1998 Mark Doel and Steven M Shardlow have shaped the book to take account of the National Occupational Standards for Social Work aiming to provide a creative practical and up to date resource for teaching and learning in line with current practices

[Social Work Concerns and Challenges in the 21st Century](#) V. V. Devasia, Ajit Kumar, 2009 Choice of themes and the manner in which they are dealt with is a noteworthy feature of this book Seven out of the twenty articles are on women A striking feature is that out of the seven articles four of them discuss the daily work undertaken by women

[Research: Oxford Bibliographies Online Research Guide](#) Michael Saini, 2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact

source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com
