Methods for Leisure and Tourism [electronic Resource]. Anthony James Veal, 2006 *Research Methods for Leisure and Tourism/Leisure* A. J. Veal, JOANNE. CONNELL, Stephen Page, 2011-08-04 Tourism Research Methods Brent W. Ritchie, Peter Burns, Catherine Palmer, 2005 Within the tourism industry there is a growing consensus on the need for research to investigate the economic social and environmental impacts of tourism However existing research methods texts are based solely on either the business approach or the social science approach to tourism They often fail to provide real world examples of how to plan implement or analyse tourism related research This book aims to address this divide by integrating theory with practice through the inclusion of specific tourism research case studies alongside research theory It considers a wide range of research issues approaches and techniques with contributions from both experienced and new researchers *Research Methods for Leisure, Sport and Tourism* Anthony James Veal, 2010

Cultural Tourism Research Methods Greg Richards, Wil Munsters, 2010 Cultural tourism includes experiencing local culture traditions and lifestyle participation in arts related activities and visits to museums monuments and heritage sites This book reviews a wide range of qualitative and quantitative research methods applied to the field It is suitable for students and researchers in tourism and leisure

Handbook of Research Methods for Tourism and Hospitality Management Robin Nunkoo, 2018-07-27 As research in tourism and hospitality reaches maturity a growing number of methodological approaches are being utilized and in addition this knowledge is dispersed across a wide range of journals Consequently there is a broad and multidisciplinary community of tourism and hospitality researchers whom at present need to look widely for support on methods In this volume researchers fulfil a pressing need by clearly presenting methodological issues within tourism and hospitality research alongside particular methods and share their experiences of what works what does not work and where challenges and innovations lie

Research Methods Carol Cutler Riddick, Ruth V. Russell, 2015 Organised in a step by step format this book thoroughly reviews the fundamentals of research methods developing the skills needed to carry out a small scale research investigation This third edition introduces a number of new features within each chapter including self tests questions designed to jump start one's own research and practice and web related exercises Likewise the revised instructor's manual includes new chapter figures plus a study guide review cast in a Jeopardy style game format
