Retouching Stalins Moustache:

Retouching Stalin's Moustache Thomas P. Muhl, 2011-04-15 Retouching Stalin's Moustache is the story of a talented artist survivor of twentieth century Europe under both fascism and communism who is coping with survival in America in a life complicated by further twists and turns of fate The narrative moves from flashback to foreground describing his early marriage and escape from the Old World It follows up with more recent adventures the dissolution of his marriage and newly created layers of memory This book shows how a permanently displaced person must struggle to seek out means of adjusting to the daylight world of today

The Stalin Cult Jan Plamper, 2012-01-17 Between the late 1920s and the early 1950s one of the most persuasive personality cults of all times saturated Soviet public space with images of Stalin A torrent of portraits posters statues films plays songs and poems galvanized the Soviet population and inspired leftist activists around the world In the first book to examine the cultural products and production methods of the Stalin cult Jan Plamper reconstructs a hidden history linking artists party patrons state functionaries and ultimately Stalin himself in the alchemical project that transformed a pock marked Georgian into the embodiment of global communism Departing from interpretations of the Stalin cult as an outgrowth of Russian mysticism or Stalin's psychopathology Plamper establishes the cult's context within a broader international history of modern personality cults constructed around Napoleon III Mussolini Hitler and Mao Drawing upon evidence from previously inaccessible Russian archives Plamper's lavishly illustrated and accessibly written study will appeal to anyone interested in twentieth century history visual studies the politics of representation dictator biography socialist realism and real socialism

Stalin's Barber Paul M. Levitt, 2012-12-16 Avraham Bahar leaves debt ridden and depressed Albania to seek a better life in ironically Stalinist Russia A professional barber he curries favor with the Communist regime ultimately being invited to become Stalin's personal barber at the Kremlin where he is entitled to live in a government house with other Soviet dignitaries In the intrigue that follows Avraham now known as Razan is not only barber to Stalin but also to the many Stalin look alike that the paranoid dictator circulates to thwart possible assassination attempts including one from Razan himself

Joseph Stalin David R. Egan, Melinda A. Egan, 2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin Widely considered to be among the most influential historical figures of the twentieth century Stalin continues to be a source of intense study In the absence of a comprehensive compilation of periodical literature the need for Joseph Stalin An Annotated Bibliography of English Language Periodical Literature to 2005 is conspicuous Ranging from editorials and news reports to academic articles the more than 1 700 sources cited collectively cover the full range of his life the various aspects of his leadership and virtually all facets of the system and practices traditionally associated with his name The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism the Stalinist system the Stalin phenomenon and those policies and practices of the Communist Party and Soviet state associated with him This

volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology. An effort has been made to list only those articles in which Stalin figures prominently but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons. The book is divided into fourteen main sections: General Studies and Overviews; Biographical Information and Psychological Assessments; The Revolutionary Movement; October Revolution and Civil War; Rise to Power; Politics; Economics; Society and Social Policy; Nationalism and Nationality Policy; Culture; Religion; Philosophy and Theory; Foreign Relations and International Communism; Military Affairs; and De Stalinization. Including a subject index of several hundred headings and even greater number of subheadings, this comprehensive annotated bibliography should be of benefit to those individuals who for the purpose of research or classroom

Stalin Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar. From the bestselling author of *The Romanovs*, The first intimate portrait of a man who had more lives on his conscience than Hitler. Disturbing and perplexing. The New York Times Book Review. Based on groundbreaking research, Simon Sebag Montefiore reveals the fear and betrayal, privilege and debauchery, family life and murderous cruelty of this secret world. Written with bracing narrative verve, this feat of scholarly research has become a classic of modern history writing. Showing how Stalin's triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character, this is an intimate portrait of a man as complicated and human as he was brutal and chilling. *Stalin and His Hangmen* Donald Rayfield, 2005-03-31 Stalin like Hitler and other tyrants won and held power because he had collaborators, hangmen. Drawing on newly released archival material, Donald Rayfield gives us a fuller and more colourful picture of Stalin's inner circle than ever before. Stalin was not the sole author of Stalinism. What motivated his chiefs of police: Feliks Dzierzynski, Viacheslav Manzhinsky, Genrikh Iagoda, Nikolai Ezhov and Lavrenti Beria? What did they want? What were their relations with the regime and its ruler? How did their upbringing and experience mould them? And how does the terror they create connect with the terror they felt? Stalin and His Hangmen reconstructs the psychological mechanism of a whole regime and what it held together. The extent of the misery caused by Stalin and his Hangmen can be compared in Europe only to that brought about by Hitler and his henchmen. But Stalin's heritage is, if possible, even worse than Hitler's. His rule enslaved three generations; not one the horror of what he did has not yet been fully understood and his countrymen have not yet found the strength to disavow him. All the more important then that this diabolical tale should be told. Beyond the Revolution in Russia: Narratives - Concepts - Spaces Jaromír Mrňka, 2021-09-01 The book sheds light on the preconditions and consequences extending far beyond the event that opened up totally new horizons in 1917. To mark the centennial of the Russian Revolution, an international team of both junior and experienced scholars from Austria, Belarus, Brazil, the Czech Republic, France, Israel, Poland, Russia and Slovakia brought together contributions from the surprisingly broad

interdisciplinary field of comparative economic conceptual and political history human geography and urbanism literature media studies and political science The book explains the Russian revolution in a complex ambiguity between the event and its immediate consequences medium term social and economic transformations and the long term reconfiguration of the spaces of politics and culture **Graphis Design Annual** ,1987 *Stalin's Folly* Constantine Pleshakov,2006-12-12 On June 22 1941 radios all over the Soviet Union crackled with the announcement that the country had been attacked by Nazi Germany But the voice on the airwaves was not the familiar one of Joseph Stalin it was the voice of his deputy Molotov Paralyzed by Hitler s unexpected move Stalin disappeared completely from public view for the crucial ten days of war on the Eastern Front In this taut hour by hour account Constantine Pleshakov draws on a wealth of information from newly opened archives to elucidate the complex causes of the Soviet leader s reaction revealing the feared despot s unrealized military stratagems as well as his personal vulnerabilities while also offering a new and deeper understanding of Russian history
