Retreat Time Apart For Silence Solitud:

Retreat Roger Housden,1995 **Discovering the Art of Soul Friending** Carolyn Gratton,2019-04-09 This friendly accessible book is about the age old hunger in human hearts to open and deepen and grow towards faithful intimacy with the Source of all that is This spiritual journey is radically personal but it is not meant to be entirely solitary It can be supported at crucial times by friendship with someone who has learned how to listen through a life of prayer for the guidance of God s Spirit in their own soul and in the soul of another Long ago in Celtic Christian Ireland such a person was called an anam cara a soul friend Every soul from time to time on its mysterious trek towards union with God needs a human friend for encouragement on the way In *Discovering the Art of Soul Friending* Carolyn Gratton invites us to say yes to the ability to share with another and to disclose something of oneself on each seeker s journey towards union with God Enriched by a lifetime of insights gained from educating groups around the world she guides aspiring spiritual companions to a discernment of their own level of spiritual maturity sensitivity in the art of spiritual guidance and to a seeker s desires the soil from which their truest love can spring a commitment to prayer and the transformation of consciousness it makes possible rootedness in their own faith tradition and throughout life an openness to the expanded perceptions possible in our multicultural world Carolyn completes each chapter with what she calls a Book Providence section an annotated bibliography of resources that can expand the discernment skills and contextual awareness of potential soul friends **New Mexico's**

Vennard,2000-06-01 Many people long for a deeper relationship with God yearning for silence in a noisy world and a respite from busyness Written for lay and ordained leaders who wish to bring the gift of space and silence to members who feel called to the contemplative journey the book introduces the purpose of retreats provides a theological and biblical understanding of the model and offers guidance for designing and leading these gatherings Sample retreats a design for home retreats and suggested resources are included

Restless Souls Leigh Eric Schmidt,2012-09-05 Yoga classes and Zen meditation New Age retreats and nature mysticism all are part of an ongoing religious experimentation that has surprisingly deep roots in American history Tracing out the country s Transcendentalist and cosmopolitan religious impulses over the last two centuries *Restless Souls* explores America s abiding romance with spirituality as religion s better half Now in its second edition including a new preface Leigh Eric Schmidt s fascinating book provides a rich account of how this open road spirituality developed in American culture in the first place as well as a sweeping survey of the liberal religious movements that touted it and ensured its continued vitality

Humble Pie Carol Bonomo,2004-03-01 Take a quick look around politicians entertainers sports figures and even our own circles of family and friends Humble pie is not on the menu It s a me first society that turns pride into a virtue and

humility into a vice But Christians especially those who follow the Rule of St Benedict are encouraged to embrace humility as a virtue that leads them closer to Christ And in this upside down Benedictine world we reach humility not by descending to the depths but by climbing joyfully to the top of a ladder In this honest funny touching book Carol Bonomo a Benedictine oblate a person vowed to live according to the fourth century Rule reconciles the conflict between the world s call and Benedict s more gentle admonition as she examines the twelve rungs on Benedict s ladder against the backdrop of the liturgical year From the first rung obedience during Advent to the twelfth constancy during the feast of All Saints Bonomo studies what it means for a contemporary Christian to climb the ladder of humility that leads to perfect fearless love Bonomo with a light hand and a sense of humor takes readers along on her down to earth spiritual adventure Practice the Pause Caroline Oakes,2023-01-24 These days many of us live in a state of overreactive fight or flight response and chronic stress The demands of modern life pull us in all directions and can often put the meaningful connections in our lives at risk connections to our deepest selves to others and even to God But there is good news New developments in brain science have recently proven that an intentional practice of pausing for a few minutes of meditation prayer or other contemplative practice actually rewires our brain in ways that make us calmer less reactive and better able to see the bigger picture In Practice the Pause spiritual director and writer Caroline Oakes offers easy to understand explanations of how this new brain science is confirming what every spiritual tradition has been telling us for millennia by practicing the pause we become more self aware and better able to understand others We become more God aware With a refreshing focus on the Eastern Christian understanding of Jesus as a master of wisdom Oakes shines a spotlight on Jesus s own centering pause practice as a transformative path for personal and social change We learn that even a seven second pause practice can move us beyond the fight or flight responses of our ego in our daily lives and actually equip us to cultivate the common good in the world

At Home with God Penny Roker,2009 Retreats are increasingly popular and in stressful and anxious times perhaps the need to refocus our lives on what will nurture and sustain us inwardly is greater than ever This versatile resource offers a complete kit for making a day weekend or week long retreat without leaving home It is both gentle and challenging recognising that some can only grab a brief interlude of solitude on the way to work or when the children are asleep while others have more time on their hands than they would like **Sought through Prayer and Meditation** John

Farrell,2013-08-12 A thoughtful exploration of various spiritual disciplines offering guidance to those in recovery who wish to enrich their lives In Praise of Retreat Kirsteen MacLeod,2021-03-30 For readers of Walden Wild Pilgrim at Tinker s Creek A Book of Silence A Gift from the Sea and other celebrations of the inner adventure An utterly engaging dive into our modern ways of retreat where we go why we re drawn and how it s urgent From pilgrim paths to forest cabins and from rented hermitages to arts temples and quiet havens for yoga and meditation In Praise of Retreat explores the pleasures and powers of this ancient practice for modern people Kirsteen MacLeod draws on the history of retreat and personal experiences to

reveal the many ways readers can step back from society to reconnect with their deepest selves and to their loftiest aspirations in life In the 21st century disengaging even briefly is seen by many as self indulgent unproductive and antisocial Yet to retreat is as basic a human need as being social and everyone can benefit whether it s for a weekend a month or a lifetime Retreat is an uncertain adventure with as many peaks and valleys as any mountain expedition except we head inward to recharge and find fresh energy and brave new ideas to bring back into our everyday lives
