Retreat With The Lord:

Getaway with God Letitia Suk, 2016-11-27 What if a simple day away could transform your life Does spending time with God sound like just one more thing to check off an ever increasing to do list How are you supposed to fit in anything that threatens to be more time consuming Too often there s simply no room to experience the intimacy grace and peace that God offers us Getaway with God does more than invite you to step away from life s pressures to take a personal retreat It shows you exactly why you must for your sake and for your family s With grace and warmth Letitia Suk provides step by step guidance and the necessary tools to enable any woman on any budget to plan time away whether it s a quick half day break or a weeklong time of restoration You ll find detailed steps for preparation including descriptions of different kinds of retreats and how to choose the best one for you and you ll learn ways to bring the renewal you experience home with you Practical appendixes identify retreat centers nationwide and provide exercises and prayers to kick start your getaway with God No matter what your season in life the time for retreat is now Getaway with God is a gem Karen Burton Mains author of Open Heart Open Home director of Hungry Souls **Retreat with the Lord** John A. Hardon, 1993 Ignatius of Loyola compares the Spiritual Exercises to physical exercises like taking a walk journeying on foot and running The Spiritual Exercises fortify the soul enlighten the mind and move the will to cooperate more fully with God The Exercises that Ignatius wrote in the sixteenth century are as popular and relevant today as they were when they were first introduced In Retreat With the Lord Father John Hardon provides an up to date guide for anyone who wants to do the Exercises themselves in touch with a spiritual director by phone correspondence or in person Alone With God Ron DelBene, 2005-11-01 Many of us find it difficult to be alone with God because we are not sure what to do and have no idea what to expect there is no reason to be afraid of drawing closer to the God who is love Alone with God was written especially for people who have the desire to spend time alone with God and to be more attentive to God s presence in their lives but do not have a practical sense of how to begin Drawing on his background as a spiritual leader and retreat leader Ron DelBene has a format for personal retreats that is flexible enough to be used in a two hour block of time or expanded to as many as eight hours He explains each part of the retreat format in detail providing a thorough understanding of what is to take place and how best to put it into practice Twelve retreats explore different themes such as Seeking Forgiveness Overcoming Anxiety Called to Serve Freedom all designed to guide participants through their time alone with God **A Vacation with the Lord** Thomas Henry Green, 2000 Fr Thomas Green S J draws on his vast background as a retreat master and spiritual writer to make available to a much wider audience the retreat experience based on the classic Spiritual Exercises by St Ignatius of Loyola While many scholarly and professional treatments have been done on the Spiritual Exercises for the grassroots Catholic St Ignatius classic is often too mechanical and hard to grasp This book can be used in many ways It can be used by retreat directors for one to one direction of retreatants by retreatants making a retreat with a director or by more experienced

retreatants who wish to be alone with the Lord In addition this work can be used for a closed retreat of eight days as broken down in the chapters Or it could be used for a retreat in daily life where a person could devote 30 to 60 minutes a day to the themes of this book and prolong the retreat over several weeks or months *At Home with God* Penny Roker,2009 Retreats are increasingly popular and in stressful and anxious times perhaps the need to refocus our lives on what will nurture and sustain us inwardly is greater than ever This versatile resource offers a complete kit for making a day weekend or week long retreat without leaving home It is both gentle and challenging recognising that some can only grab a brief interlude of solitude on the way to work or when the children are asleep while others have more time on their hands than they would like

Retreats For Spiritual Progress Zacharias Taneé Fomum,2015-03-22 This book is both an awakening and a reviving manual with a series of suggested spiritual retreat programmes to guide the beginners The author Z T Fomum provides an answer to the many questions that Christians often ask themselves concerning either their own spiritual progress or the spiritual progress of other believers These questions can be summed up as follows 1 How do you overcome the tendency to activism which makes agitated believers unable to be calm before God in order to seek Him 2 How do you know God so that you can serve Him from deep knowledge 3 In a word how do you walk from one degree of progress to another in our generation The author invites us in response to these many questions to experience a life of spiritual retreats That life is a prelude to the great final retreat that the Lord will soon take with His church Therefore retreats are presented as a sign of love for the Lord and an activity in preparation for our final retreat with the Lord Retreats for spiritual progress are to be taken regularly as a way of life To resolve questions relating to the preparation and planning of a spiritual retreat the author suggests as a guide a series of retreat programmes ranging from 15 minutes to several hours and days In devising a format for several types of retreats the author effectively answers the question of what should be done step by step during a retreat You just need to choose the type of retreat you wish to take and just follow the instructions given in the book by the author This book is both an awakening and a reviving instrument **Living in the Companionship of God** Jan Johnson,2009 God wants to have meaningful conversations with us Draw deeper into this amazing relationship with the One who loves you
