Return For Vengeance:

Return for Vengeance Dan Afflerbach,1999-12 Framed for a murder and hunted by the Russian Mafia Brett Jorgensen's life and future had been destroyed as he looked death in the eye He had only two choices left His obsession for vengeance made that choice clear He had to return to Seattle and expose the money laundering operation that he had unknowingly become a part of Then he had to exact revenge from a former partner and a ruthless Russian who had vanquished more lives than just Brett's The problem he faced was to succeed he must test the love of a woman and trust of an old friend He was about to proceed down a path for which there was no turning back **Are You A Good Christian?** Margie

The Book of Genesis, Chapters 18-50 Victor P. Hamilton,1995-09-26 In this volume Hamilton expounds Genesis 18-50 verse by verse and provides linguistic literary and theological commentary of its overarching theme Yahweh's faithfulness to his promised word and his covenant with those who were chosen to receive it This evangelical thorough work features a comprehensive introduction copious footnotes and references to the New Testament writers interpretations of Genesis

War and Violence in the Western Sources for the First Crusade Sini Kangas,2024-05-27 Medieval Westerners accepted killing for religion and praised the outcome of the First Crusade 1096-1099 At the same time their attitude to violence was ambivalent Theologians shunned the practical use of force while the warrior aristocracy valued the capacity for physical

destruction In the absence of theological doctrine on the practicalities of holy warfare the first crusaders draw their ideas about killing from diverse and sometimes conflicting traditions This book answers questions about how religious violence was described justified and remembered in the sources of the First Crusade What was the relation between faith convention and action **Webster's Secondary-school Dictionary** Noah Webster,1913 *Cosmos, Self, and History in Baniwa Religion* Robin M. Wright,2010-07-22 The Baniwa Indians of the Northwest Amazon have engaged in millenarian movements since at least the middle of the nineteenth century The defining characteristic of these movements is usually a prophecy of the end of this present world and the restoration of the primordial utopian world of creation This prophetic message delivered by powerful shamans has its roots in Baniwa myths of origin and creation In this ethnography of Baniwa religion Robin M Wright explores the myths of creation and how they have been embodied in religious movements and social action particularly in a widespread conversion to evangelical Christianity He opens with a discussion of cosmogony cosmology and shamanism and then goes on to explain how Baniwa origin myths have played an active role in shaping both personal and community identity and history He also explores the concepts of death and eschatology and shows how the mythology of destruction and renewal in Baniwa religion has made the Baniwa people receptive to both Catholic and Protestant missionaries
