Return From Witch Mountain:

Return from Witch Mountain Alexander Key, Malcolm Marmorstein, 1978 Tia and Tony's visit to Earth is disrupted when Tony is kidnapped by a power-crazed doctor wishing to use the boy's special powers for his own evil purposes

[Return from Witch Mountain](#), **Forgotten Disney** Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28 This work demonstrates that not everything that Disney touched turned to gold. In its first 100 years, the company had major successes that transformed filmmaking and culture, but it also had its share of unfinished projects, unmet expectations, and box office misses. Some works failed but nevertheless led to other more stunning and lucrative ones; others shed light on periods when the Disney Company was struggling to establish or re-establish its brand. In addition, many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems. By exploring the studio's missteps, this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits. With essays by writers from across the globe, it also asserts that what endures or is forgotten varies from person to person, place to place, or generation to generation. What one dismisses, someone else recalls with deep fondness as a magical Disney memory.
