Return to Paris Colette Rossant, 2010-05-11 Paris 1947 Colette Rossant returns to Paris after waiting out World War II in Cairo among her father's Egyptian Jewish relatives Initially the City of Light seems gray and forbidding to the teenage Colette especially after her thrill seeking mother leaves her in the care of her bitter malais grandmother Yet Paris will prove the place where Colette awakens to her senses Taken under the wing of Mademoiselle Georgette the family chef she develops a taste and talent for French cooking The streets of Paris soon become Colette's own as she navigates the outdoor markets and caf menus and emerges into her new gastronomical self Return to Paris is an extraordinary coming of age story that charts the course of Colette's culinary adventures replete with expertly crafted recipes and family photographs An exploration of passion in all its flavor and texture Colette's memoir will live in the hearts and palates of readers for years to come

Return to Paris Colette Rossant, 2004 1947 and Paris is recovering from the war Abandoned by her mother lonely frightened and terribly homesick Colette finds solace in her love for French food roasted lamb stuffed with garlic springtime strawberries bathed in creme fraiche the first taste of truffle in a Left Bank restaurant

Return to Paris Colette Rossant, 2005-05 In 1947 as Paris recovers from the war young Colette returns to the city of her birth after eight years spent among warmhearted Egyptian relatives in Cairo Initially Paris seems gray and forbidding to the young Colette especially after her mother abandons her to the disinterested care of her stern grandmother Yet Paris will prove the place where Colette awakens to her senses Her transformation from l Egyptienne to la Parisienne begins when she is taken under the wing of the family cook Georgette who introduces Colette to the city's markets and inspires a love and talent for French cooking The streets of Paris soon become Colette's own as she navigates to and from her lycee occasionally skipping class altogether thus beginning a decades long habit of making room for adventure in an otherwise disciplined life Colette is sixteen when her mother returns with a new husband and although initially suspicious of the round man with the twinkling eyes she soon realizes she has a soul mate in Almire Ducreux her new stepfather Mira introduces Colette to her first truffle and her gastronomical self He will also be the only one to support her when she falls in love and runs away with a young American scandalizing her proper French family With Return to Paris Colette Rossant proves herself the true heir of M F K Fisher In clear understated prose she writes of a life lived and enjoyed passionately Memories and family stories segue gracefully into descriptions of great meals and recipes This is food writing at its finest Book jacket
