Greeno, 1995-05-01 The war is over between the neighboring realms of Canderis and Marchmont. But another and perhaps far deadlier battle still rages on. The discovery that Marchmont is home to the Resonants, men and women gifted with the ability to read and control the minds of others, has badly shaken the people of Canderis. For while they value their own Seekers, humans who empathically bond with the catlike ghatti to read truth, they are deathly afraid of the rogue Resonants known as Gleaners. And their fears are well founded for one faction of Gleaners has for years preyed upon the innocent and defenseless, transforming those around them into mindless, soulless slaves. And even as Seeker Jenret undertakes a mission to find the Resonants of Canderis and bring them to safety, Seeker Doyce is about to embark on a far different path, a ghatti-led journey into the past. For as a new vigilantes' reign of terror threatens the lives of Seekers and Resonants alike, the secrets of that long ago time when the first Seeker ghatti Bond was formed may hold the only hope for the future.
