Return To Yesterday:

Portraits from Life Jerome Boyd Maunsell, 2018-01-05 What happens when novelists write about their own lives directly in memoirs and autobiographies rather than in novels How do they present themselves and what do their self portraits reveal In a series of biographical case studies *Portraits from Life* examines how seven canonical Modernist writers Joseph Conrad Ford Madox Ford Henry James Wyndham Lewis Gertrude Stein H G Wells and Edith Wharton depicted themselves in their memoirs and autobiographies during the first half of the twentieth century Drawing on a range of life writing sources in this innovative group portrait Jerome Boyd Maunsell reconstructs the periods during which these authors worked on their memoirs often towards the end of their lives and shows how memoirs and autobiographies are just as artful as novels The seven portraits in the book also create a rich network of encounters as many of these writers knew each other and wrote about each other in their reminiscences *Portraits from Life* investigates the difficulties and possibilities of autobiography the relation of fact and fiction biography and autobiography the ethical issues of dealing with real people the thin generic lines between novels and autobiographies and the deceptive workings of memory and how all these writers dealt with these concerns as they looked back on their lives An act of portraiture and biography as well as an act of criticism moving from London to Paris and through two world wars it also pieces together a fresh and constantly inter connecting narrative of the Modernist era in England and France

The World of Yesterday's Humanist Today Stefan Zweig Symposium (1981: Fredonia, N.Y.), 1983-01-01 France 1837 was the third volume published in Cooper's *Gleanings in Europe* series but first in the chronology of his European experience Less sequential than his other travel narratives *France* distills his impressions of French and European culture during his first two years abroad Exhibiting many qualities of the familiar essay it considers a wide range of topics of interest to Cooper his friends and potential readers in the United States As a celebrity thoroughly at home in the brilliant society of Bourbon Paris Cooper was able to provide fascinating glimpses of personalities spectacles institutions and manners from his distinctly American perspective Indeed as Professor Philbrick remarks No other of Cooper's works perhaps brings us closer to his speaking voice or puts us more directly in contact with the man himself with all his idiosyncratic preoccupations his quick resentments his restless curiosity his surprising humor and his nobility of principle The reader of this edition is brought even closer to Cooper in the draft of a hitherto unpublished letter probably intended for this book which illustrates Cooper's grasp of the still finer points of French customs and attitudes

The World of Yesterday's Humanist Today Marion Sonnenfeld, 1984-06-30 Fifty years ago Stefan Zweig who committed suicide in 1942 was the most widely read and translated living writer in the world Zweig's *Vienna* was a world of bright brittle superficialities in which the bourgeoisie gradually elevated the eternal business of seeing and being seen to the purpose of the existence To break through the facades of this society Zweig developed a remarkable literary and psychological method In *The World of Yesterday's Humanist Today* thirty scholars of history literature and music share their studies of Zweig and their insight into

his works Perseverance of Yesterday's Women Dragana Djurdjev, 2018-01-29 Ms Djurdjev wrote her book to give support and encouragement to those who unwillingly relinquished their talents and journey to someone else To those who see themselves in her story she sends ideas and encouragement and perhaps the sense of urgency for them to call upon their courage create a plan and reclaim their journey through life She reminds us that there are no do overs in life it is obligatory to seek joy while living it While in leadership roles Ms Djurdjev realized like her others have a need for ideas and guidance to find ways to reclaim their talents which would enable them to create their own special journey through life All of Yesterday's Tomorrows Corey K. Cotta, 2007-05 It was supposed to be a relaxing vacation Even though he can't spend time in the warm waters of Belize policeman Conrad Bishop is happy to spend time with his girlfriend Amber at a private beachfront home in Nantucket After a tranquil evening walking the beach Conrad wakes at 3 00 AM turns on the television and hears a disturbing news report about a deadly influenza plague the direct result of a terrorist attack on the United States Rushing into his bedroom he finds his girlfriend unconscious and suffering from a high fever When he tries to take her to the hospital the town is in a panic Cars clog the road and he's forced to return to the beach house Amber never regains consciousness and by that evening she is dead Grief stricken Bishop is suddenly thrust into a world that changes by the minute Terrorists attack every major city in the United States with car bombs and invade American embassies overseas With a small group of survivors Conrad struggles to stay alive His fight will take him to the very steps of the White House and have him waging a valiant crusade to keep a dying nation alive **The Power of Yesterday's Tears** Gloria F. Martin, 2010-08-10 Gwen leaves her no good cheating husband and moves back to her hometown Shortly thereafter she discovers that her old boyfriend is in jail awaiting a prison term After attending his sentencing she realizes that she still has feelings for him Through open letters and contact visits Gwen and Willie begin to develop a closeness that they never shared before Willie learns the gift of giving himself as he stumbles his way back into Gwens heart Gwen finds solace in a man who unlike her husband knows the right words to say to make her feel complete Together they face obstacles while learning the true meaning of faith trust and commitment Such obstacles have also changed the fate of one confused boy one letter at a time Based on actual experiences this story of trials and tribulations focuses on African American relationships today but women of all nationalities who have experienced deceit or disrespect from the men in their lives will find it relevant The Making of Yesterday's Enterprise Eric A. Stillwell, 2008 Yesterday's Enterprise consistently ranks as one of the all time fan favorite episodes of the Star Trek The Next Generation television series Stillwell chronicles the behind the scenes of this acclaimed episode from its inception to the final product and beyond *Ford Madox Ford, 1873-1939* David Dow Harvey, 2015-12-08 The Protean personality and career of Ford Madox Ford as poet novelist editor critic and miscellaneous writer have made him one of the most elusive of modern authors In this bibliography which includes extensive excerpts of writings by and about Ford as well as complete descriptions of the various editions of his book and periodical publications David Dow Harvey has at last made it possible to

form a true estimate of Ford's involvements with other writers and his contributions to modern literature Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Tales of Yesterday's Florida Keys John Viele,2017-11-01 A collection of stories of people and events in the Florida Keys extending from the time the Keys were first occupied by humans through the Second Seminole War the coming of the Overseas Railway and finally the opening of the first Overseas Highway in 1927 The tales tell of American Indians Cubans Bahamians New Englanders and of fishing turtling shipwreck salvaging warring and of course dealing with heat and mosquitoes John Viele's three volumes The Florida Keys have been Keys bestsellers for years Now he presents a fascinating new batch of historical vignettes **Something Out of Nothing** Paul Snyder,2015-07-01 The primary purpose of our discussion is to explore the rationality of Humanism in light of our finite physical existence We consider the history of being and becoming of nihilism and nothing We review scientific and philosophical literature and present a logical argument which suggests that the foundation of humanism is an irrational myth
