Return Trips Stories:

Return Trip Tango and Other Stories from Abroad Frank MacShane, 1992 A cornucopia of contemporary world fiction that brings together short stories by authors including Calvino Garcia Marquez Abe Duras Borges and Beckett

Understanding Alice Adams Bryant Mangum, 2019-02-07 An illuminating study of an award winning writer who captured the complex challenges twentieth century women faced in their struggle for independence In *Understanding Alice Adams* Bryant Mangum examines the thematic intricacies and astute social commentary of Adams's eleven novels and five short story collections Throughout her career Adams was known for creating and re-creating the Alice Adams woman who is bright honest attractive thoughtful and sometimes a bit offbeat As Mangum notes Adams's central characters her heroes are most often women struggling toward self-sufficiency and independence as they strive to fulfill their responsibilities including child rearing and other societal commitments After an overview of Adams's life 1926-1999 Mangum groups the novels and stories by the decades in which they were published since shifts in the thematic arc of Adams's fiction break conveniently along those lines He explains how Adams used the novel as an extended workshop for her short fiction Her novels cover wide swaths of the American experience and from these sweeping narratives she distilled her sharp lyrical vibrant short stories which earned her twenty-three O Henry Awards including six first place recognitions and a lifetime achievement award an honor shared with only Joyce Carol Oates John Updike and Alice Munro In this study Mangum explores how Adams treats love family work friendship and nostalgia He identifies hope as a thread that links all her main characters despite how accurately she had anticipated the complexities and challenges that accompanied increased freedom for women in the later twentieth century

Echoing the Story Brady Bryce, 2010-09-01 God is already at work in your life whether or not you recognize it Participants in this twelve-week small group Bible study will experience the whole Bible as the story of God Plus they will become aware of God's story continued in everyday life as they practice listening to the stories of others and to life In *Echoing the story* Brady Bryce provides a simple way for people to tell the scattered stories of their lives and re-imagine them in a bigger story His innovative narrative approach invites curious skeptics casual followers of God and committed disciples of Jesus into community through listening to shared stories

Time Machine Tales Paul J. Nahin, 2016-12-24 This book contains a broad overview of time travel in science fiction along with a detailed examination of the philosophical implications of time travel The emphasis of this book is now on the philosophical and on science fiction rather than on physics as in the author's earlier books on the subject In that spirit there are for example no Tech Notes filled with algebra integrals and differential equations as there are in the first and second editions of *TIME MACHINES* Writing about time travel is today a respectable business It hasn't always been so After all time travel *prima facie* appears to violate a fundamental law of nature every effect has a cause with the cause occurring before the effect Time travel to the past however seems to allow indeed to demand backwards causation with an effect the time traveler emerging into the past as he

exits from his time machine occurring before its cause the time traveler pushing the start button on his machine's control panel to start his trip backward through time Time Machine Tales includes new discussions of the advances by physicists and philosophers that have appeared since the publication of TIME MACHINES in 1999 examples of which are the chapters on time travel paradoxes Those chapters have been brought up to date with the latest philosophical thinking on the paradoxes

A Submariner's Story Joel C. E. Blamey, 2002 After six years in the Royal Navy Joel Blamey was conscripted into Britain's submarine service in 1926 aged 22 He went on to serve an unprecedented 28 years as a submariner surviving peacetime accidents and World War II At the age of 50 Joe returned to general service He served on several submarines and survived several accidents such as hitting an underwater pinnacle in Sidon and a collision in Seahorse from which he was transferred before it was lost to enemy action

Ida's Story Steven A. Segal, 2013-02 As he pulled up and shut down the engine he took a deep breath to calm himself and in that instant the flash of anger he had felt the night he was torn from his mother returned He shook it from his mind slid out of the seat and went up the stairs to the front door Ida opened the door and threw her arms around his neck with exactly the same loving abandonment he had seen her often leap into his father's arms so many years ago She hung onto her boy hung on tight with her face buried in his shoulder and sobbed He wrapped his arms around her tiny waist fighting hard for control He couldn't help himself Her tears and unrestrained love swept away his resistance He stood up straight lifting her off her feet They stood there mother and grown son in the open doorway holding each other in an endless embrace as their tears rained down Ida's life reveals the story of an incredibly resilient human being born in a Boston ghetto in the late 1870s who fights to survive educate herself and protect her family in the midst of the rampant political and social corruption of the early 1900s the wide open crime of mob violence of the Prohibition era the economic destruction of the Great Depression and the devastating tragedy brought on by the rise of Nazi Germany as it engulfs the world in the chaotic senselessness of World War II

Return Trips Alice Adams, 2011-06-08 Alice Adams writes with beautiful economy an infallible sense of the telling detail Her place in the company of John Updike and Mary McCarthy San Francisco Chronicle Alice Adams reputation as a short story writer continued to grow with each collection The stories in her third collection revolve for the most part around the theme of travel The stories are about people in search of fresh experience the inspiration of art the pleasure of new relationships people opening up to the accidental magic of a foreign place or returning to scenes of childhood to forgive the past Included are Alaska Time in Santa Fe Barcelona Molly's Dog My First and Only House

your scripture study *Recovering Your Story* Arnold Weinstein, 2007-12-18 Great art discovers for us who we are writes eminent literature professor and critic Arnold Weinstein in this magisterial new book about how we can better uncover and understand our own stories by reading five major modern writers Professor Weinstein author of the highly acclaimed *A Scream Goes Through the House* has spent a lifetime guiding students through the work of great writers and in a volume that crowns his career Weinstein invites us to discover ourselves our perceptions our dreams our own elusive deepest stories in the masterpieces of modernist fiction Marcel Proust James Joyce Virginia Woolf William Faulkner the very names sound intimidating Yet as Weinstein argues with wit and passion the works of these authors and of their contemporary heir Toni Morrison are in fact shimmering mirrors of our own inner world and most intimate thoughts Novels such as *Remembrance of Things Past* *Ulysses* *Mrs Dalloway* *To the Lighthouse* *The Sound and the Fury* *Absalom Absalom* and *Beloved* allow us to explore the inner worlds of human feeling and bring us face to face with our own deepest selves and desires Weinstein decodes these great novels and he shows how to read them to understand human beings the way our minds and hearts actually work This is what Weinstein means by recovering your story Weinstein illuminates the complex pleasures woven into these peerless narratives Beneath the slow sensual cadences of Proust he finds an edgy erotic tension as well as a remarkably crisp depiction of the timeless world inside the self Joyce's *Ulysses* in Weinstein's brilliantly original reading is a protean linguistic experiment that forces us to view both our bodies and our minds in a radically new and hilariously funny light His analysis of Virginia Woolf's *Mrs Dalloway* and *To the Lighthouse* circles back again and again on Woolf's depiction of the importance of relationships in knowing the self Faulkner argues Weinstein is at once our greatest tragedian and our darkest comedian a novelist who captures both the agony and absurdity of consciousness in a time of social and moral disintegration Finally in Toni Morrison's *Beloved* Weinstein explores the legacy of modernism in a contemporary novel as Morrison brings the body into the literary picture confronting how the body affects not only our fundamental concept of self but also consciousness itself In this magnificent work of literary appreciation and exploration Weinstein makes the astonishing discovery of the self as a part of the joy of reading great modernist fiction even as he makes these powerful works understandable accessible indeed imperative for all adventurous readers
